The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto, on July 16, 2003, when it was moved by M.W. Bro. W. R. Pellow, seconded by M.W. Bro. R. E. Groshaw, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

M.W. Bro. Donald H. Mumby announced that V.W. Bro. Fred Halpern had accepted the request to serve as parliamentarian, and any controversial constitutional problems that may arise would be decided by Bro. Halpern.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren,

As the Psalmist has written, "Behold how good and how pleasant it is for brethren to dwell together in unity." And how pleasant it is this morning to see so many brought together in unity as we open this 149th Annual Communication of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario.

WELCOME

I would like to extend my personal welcome to the Masons of Ontario and our Guests. It is heart-warming to see so many present this morning and I extend my personal thanks to you for your dedication and devotion to our beloved Fraternity. It is through your efforts, your dedication, your cooperation, and your perseverance that we stand on the threshold of this, our 150th anniversary.

To our honoured guests, many of whom have travelled many miles to be with us today, I am most grateful for your presence. Thank you for the efforts you have made in order to be here. I hope your time with us will be pleasant and fulfilling.

This is an exciting time as we head into our Sesquicentennial Year and yet it is a time when Freemasonry is, in many respects, at a crossroads. As we stand on the threshold of the next 150 years, I truly hope that we are able to come together, and go forward unified, strengthened in our resolve to bring the light of Freemasonry into our homes, our communities, our country and our world. May each of us respond positively to the admonition contained within Matthew 5:16 *and let our light shine before men that they may see our good works.*

NECROLOGY

*"Through this toilsome world, alas!
Once and only once I pass . . . "*

Once again we have felt the sting of death as friends, colleagues and brethren have left these earthly pursuits and gained eternal rest. We mourn their passing, but remember the mark each made upon our Fraternity and upon our individual lives. While we salute and cherish the memories of all who have gone before us I would like to make special reference to the following:

M.W. Bro. Robert James McKibbon

This jurisdiction suffered a tremendous loss with the sudden and unexpected death of M.W. Bro. Bob McKibbon on September 4, 2003.

Born in Windsor, Ontario, M.W. Bro. McKibbon resided for many years in London, where he was a professor at Fanshawe College.

M.W. Bro. McKibbon was initiated into King Solomon's Lodge No. 378 and served as their centennial Master in 1979. He was elected District Deputy Grand Master for London West District in 1983 and served the 1983-1984 term. Appointed to the Board of General Purposes in 1989, he was subsequently elected to the Board in 1991, 1993 and 1995. He was elected Deputy Grand Master in July 1997 and was installed as Grand Master in July of 1999. In July, 2002, he became Grand Secretary and was serving in that position when death took him from us.

M.W. Bro. McKibbon was the Grand Representative of the Grand Lodge of North Dakota and had served on the Commission on Information for Recognition for North America.

He was active in many branches of Masonry including Scottish Rite, Royal Arch Masonry, the Shrine and the Royal Order of Scotland.

M.W. Bro. McKibbon will be remembered for his enthusiasm, his *joie de vivre* and his great contribution to Freemasonry within this jurisdiction.

M.W. Bro. Howard Olin Polk

A descendant of Irish and United Empire Loyalist stock, M.W. Bro. Polk was born and raised in Lombardy, Ontario.

A volunteer with the Canadian Army, he served from 1940 until 1945 when he received an honourable discharge.

Appointed a Justice of the Peace in 1960, his training and experience led to his appointment as Clerk of the County Court and Registrar of the Surrogate Court for the Judicial District of Ottawa-Carleton. He later served as Local Registrar of the Supreme Court of Ontario after having served as President of the Sheriffs' and Court Registrars' Association for the Province of Ontario.

M.W. Bro. Polk was initiated into Otter Lodge No. 504 and served as Worshipful Master of that lodge in 1959. He was elected Grand Registrar in 1962 and was subsequently elected to the Board of General Purposes in 1964, and in each alternate year from 1966 to 1978. He was elected Deputy Grand Master in July, 1979, and in 1981 was installed as Grand Master.

M.W. Bro. Polk was the Grand Representative of the Grand Lodge of Ireland.

M.W. Bro. Polk was an active member of the Ancient and Accepted Scottish Rite, Royal Arch Masons, the Royal Order of Scotland and Tunis Shrine.

M.W. Bro. Polk's quiet and sincere dignity and service to Masonry ended with his death on October 19, 2003. His steadying influence, common sense approach to life and the hand of friendship he offered to all will be sorely missed.

V.W. Bro. Murray William Thompson

Born in Maple Creek, Saskatchewan, V.W. Bro. Thompson was initiated,

passed and raised in North West Mounted Police Lodge No. 11, in Regina.

Volunteering in the Canadian Army at the outbreak of World War II, V.W. Bro. Thompson served with distinction in the Italian campaign and later in the Liberation of Holland. One of his proudest moments occurred when he joined other veterans in Appledoorn to commemorate the Liberation of Holland.

V.W. Bro. Thompson served as Worshipful Master of Chaudiere Lodge No. 264 and Luxor Daylight Lodge No. 741, in Ottawa. He was an active member of the Ancient and Accepted Scottish Rite and delighted in taking part in the degree work.

Appointed Grand Steward in July, 2003, he passed away on November 6, 2003. His smiling countenance, cheerful demeanour and loyalty to his friends will long be remembered.

Bro. Albert Taylor

Born in Hamilton, Ontario, Bro. Taylor lived most of his adult life in Waterford, Ontario.

Bro. Taylor was initiated into Wilson Lodge No. 113 on February 12, 1947. A quiet, somewhat unassuming gentleman, Bro. Taylor worked tirelessly to promote the aims and ideals of Freemasonry within his lodge and his community. No task was too large, nor too burdensome for him to take on.

I had the honour of presenting Bro. Albert Taylor with the William Mercer Wilson Medal on November 12, 2003. It was a night to remember as his family and members of the community he loved so dearly were present to witness this event.

We were all saddened to learn of his sudden death on January 11, 2004.

V.W. Bro. Earl Wilson

V.W. Bro. Wilson, a veteran of the Royal Canadian Air Force, a Past Master of Chaudiere Lodge No. 264 and a Charter Member of Luxor Daylight Lodge No. 741, passed away quietly on May 2, 2004.

He had been appointed Assistant Grand Chaplain in July, 2002, in recognition of his devoted and lengthy service to Freemasonry within the Ottawa area.

V.W. Bro. Wilson was a man who went about his business in a quiet and gentle way, a man whose pleasant personality and dignified manner made him a friend to many. He was a true mentor within his lodges and had a tremendous impact upon many of our younger members.

PAST RANK

Pursuant to Section 73 of the Book of Constitution, I recommend that the rank of Past Grand Senior Warden (Hon) be conferred upon V.W. Bro. Frederick Halpern. This recommendation is based upon his lengthy and meritorious service as an Honorary Member of the Board of General Purposes and Chairman of the Constitution and Jurisprudence Committee.

On August 26, 2003, I bestowed Past Grand Steward rank upon V.W. Bro. Robert B. Silson – who had been named as District Secretary of Toronto 4 District – who resigned this position on being diagnosed with fast spreading terminal cancer. Our Bro. Silson passed away September 14, 2003. I now ask approval of Grand Lodge for this appointment.

I recommend that the rank of Past Master be conferred upon the following: W. Bro. Carl W. Leeson, Brant Lodge No. 45, Brantford; W. Bro. Harry B. M. Mitchell Jr, Tuscan Lodge No. 551, Hamilton; W. Bro. Paul Monaghan, Transportation Lodge No. 583, Toronto; W. Bro. James A. Devries, Hazeldean Lodge No. 517, Hazeldean, and W. Bro. Thomas F. Fortner, Patricia Lodge No. 587, Thornhill, all of whom did not serve a full twelve months as Worshipful Master of their respective lodges, due to illness, lodge closing or change in date of installation.

WILLIAM MERCER WILSON MEDAL

There are, in any organization, men who go about their duty in a quiet and efficient manner, men who without courting applause or recognition, delight in serving their lodge, their church and their community without pretence or thought of reward. They are modest men who, when given the recognition they richly deserve, cannot understand why anyone would make a fuss over them. None of them has ever been a senior lodge officer, yet each is dedicated to the furtherance of Freemasonry and the well being of humanity.

It is to men such as these that the highest award in Freemasonry within this jurisdiction – the William Mercer Wilson Medal – is awarded.

This year, the Awards Committee, composed of M.W. Bros. Robert E. Davies (Chairman), N. Richard Richards and Durward I. Greenwood, have recommended that the prestigious William Mercer Wilson award be given to: Bro. Marven Ivan Firth, Nickel Lodge No. 427, Sudbury
Bro. Walter John Dey, Ashlar Lodge No. 564, Ottawa
Bro. Angus Wright, Bytown Lodge No. 721, Ottawa

On behalf of all members of this Grand Lodge we offer our heartiest congratulations to these distinguished Masons for they do personify that man and that Freemason as described in the following words:

"The man who, without courting applause is loved by all noble-minded men, respected by his superiors, and revered by his subordinates; the man who never proclaims what he has done, will do, can do, but where need is, will lay hold with dispassionate courage, circumspect resolution, indefatigable exertion, and a rare power of mind; and who will not cease until he has accomplished his work, but who then, without pretention, will retire into the multitude, because he did the good act, not for himself, but for the cause of good."

Such are the men we honour with this award.

SPECIAL THANKS

R.W. Bro. The Honourable Robert T. Runciman has, for the past twenty-eight years, served this Grand Lodge and the Board of General Purposes with distinction and honour. He has advised that he wishes to step down from these duties at the end of this Annual Communication. R.W. Bro. Runciman's willingness to assist in all matters, his sage counsel and the quiet, but forceful manner in which he accomplished so much have been appreciated by all with whom he has come into contact. On behalf of your Grand Lodge, I thank you for your years of devoted service and wish you good health in the years that lie ahead.

R.W. Bro. Robert S. Whitmore, who has served as Chairman of our Discipline Committee and as a Member of the Board of General Purposes since 1998, has indicated that he would like to step down this year. I thank him for his many years of devoted service and wish him continued success in all future endeavors.

R.W. Bro. Dale Olm has served the office of Grand Director of Ceremonies with dignity and dispatch. He and his wife, Jeannie, have been most attentive to the needs of Marion and I for which we are most grateful. Truly, no one could have asked for better travelling companions.

I would also like to thank R.W. Bro. The Reverend John Moor who has not only been the Grand Chaplain but has been of so much personal assistance to me throughout this year. He is a most caring and conscientious man who, in my humble opinion, is the epitome of his calling.

The Assistant Grand Director of Ceremonies, V.W. Bro. Keith Anderson and his wife, Lois, have gone out of their way to be of assistance this past year. I am grateful for such assistance and for our close ties.

APPOINTMENTS

Pursuant to Section 131(e) of the Book of Constitution, I am pleased to recommend the appointment of R.W. Bro. H. Edward Standish and R.W. Bro. James C. Sutherland to a three-year term of honorary membership on the Board of General Purposes.

Further, I recommend the reappointment of R.W. Bro. Ronald K. Campbell for a one-year term of honorary membership on the Board of General Purposes.

MERITORIOUS SERVICE AWARDS

Over the years this jurisdiction has been blessed with many dedicated and hard-working Masons who have worked tirelessly to promote the cause of Freemasonry. They have given unstintingly of their time and talent, often to the detriment of other aspects of their personal lives. It is because of such people that we are able to enjoy the stability and benefits of Masonry that we so take for granted today.

The Meritorious Service Award has been established to recognize those

individuals whose efforts on behalf of Freemasonry have gone above and beyond what could be expected of any man.

This year it is my pleasure and privilege to say that this most prestigious award has been granted to the following three Masons:

R.W. Bro. Gordon Wesley McNaughton

St. Francis Lodge No. 24, Smiths Falls

R.W. Bro. Lorne William Pacey

Silver Lodge No. 486, Haileybury

R.W. Bro. Robert T. Runciman

Algonquin Lodge No. 536, Sudbury

The hard work and effort put forth by each of these individuals is remarkable in itself; however, when viewed collectively their efforts over a prolonged period of time are truly amazing. I congratulate each of you and thank you for all you have done for our cause.

I was pleased to accept the recommendations of the respective Grand Masters, and to confirm the following brethren as our Grand Representatives near the Grand Lodges of:

PAST GRAND MASTERS

I am most thankful for the continued service and devotion to our Fraternity of the Past Grand Masters and their ladies. They have not only been a source of inspiration to me but have, without in any way interfering, provided sound counsel and timely advice.

I have been faced with a couple of ponderous situations this year and in reaching decisions have called upon the knowledge and expertise of our distinguished Grand East. They have always provided frank insight, sound advice and a great deal of encouragement. I am so thankful that you have been there for me to call upon. While I view you as Mentors, I am also pleased to be able to regard you as friends. A simple "thank you" sounds so trite, but mine is heartfelt.

I am particularly grateful to M.W. Bro. Robert E. Davies who has, so kindly, introduced me to so many of his colleagues throughout the world this past year. The knowledge they have imparted to me has been most beneficial and I am most thankful.

GRAND LODGE OFFICERS

We, in this jurisdiction, have been truly blessed with a group of dedicated elected and appointed Grand Lodge Officers. They are the fuel that fires the engine of this Grand Lodge and I can say in all honesty that no one has received more support from them than have I. They have travelled extensively, bringing their expertise and knowledge to all areas of this Province and in so doing have left their mark upon many. I thank them for their loyalty, their support and most of all, for their dedication to the tenets and principles of our beloved Fraternity.

Sincere appreciation is also extended to the 46 District Deputy Grand Masters who have performed the duties of their office so well throughout this past year. You are to be commended for a job well done. I also extend my personal thanks to each of you for the many kindnesses and courtesies extended to me whenever I visited your respective areas. My greatest pleasure has been in getting to know each of you just a little bit better.

To all members of the Board of General Purposes, we thank you for the diligence and attention you have directed towards the governance of this Grand Lodge. Special thanks must be directed towards those hard working Committee Chairmen whose combined efforts have enabled us to achieve a high percentage of the goals that were set this year. Your tasks were not always easy and the road was often bumpy but you can take pleasure in knowing that this Grand Lodge has derived considerable benefit from your inspired leadership. Thank you.

PROGRAMMES

I would like to draw attention to some particular areas in which considerable work and effort has produced significant gains this year. They include:

Membership Resources

Throughout this past year the complete Brother to Brother Manual has been placed on the web-site so that it may be downloaded and used effectively by all members. Heretofore, this manual had been given only to a select few with the result that, in many cases, it sat on a shelf and collected dust. I am pleased to note that the manual is now being used to good effect by many more lodges within our jurisdiction.

There has been a revival of the *Friend to Friend and Mentor* programme with committee involvement proving beneficial. This has been translated into the acquisition of several new members. I have been told of lodges receiving as many as four (4) applications for membership following *Friend to Friend* presentations. This just confirms the fact that "*if you use it you will benefit.*"

In order to meet lodge demands for assistance, additional presentations on the *Officer Progression* programme have been scheduled across this jurisdiction. Such presentations have been most beneficial.

This Grand Lodge has benefited immeasurably from *The DDGM Orientation Programme* that continues to ensure that we have qualified men well prepared to hold this high and important office. The quality of D.D.G.M.s over the past few years attests to the success and importance of this programme. This has not been possible, however, without the diligence, forethought and hard work of those who have been tasked to oversee this programme.

Long Range Planning

Once again our strategic long-range plan has continued to serve as the guide for all committee activities. By tracking all initiatives on a continual basis we are able to monitor, not only the work of the various committees, but their effectiveness in achieving the goals that we have set.

The Strategic Plan, which is updated on a regular basis, has proven to be an effective guide to all future activities.

Public Relations

This year we have taken on a far more active role in telling the general public about Freemasonry – what it stands for, what it is and what it does. A good part of this has been done through the medium of interviews with the “small town press” throughout Ontario. From all appearances it has been a successful venture.

The Public Relations Team has been active in setting up Information Booths in Universities, Community Colleges, Fall Fairs and at the International Plowing Match. Indeed, following the last International Plowing Match, fifty-three (53) men indicated interest in learning more about our Fraternity and several have now joined our ranks. The interchange with University and Community College students has also proven beneficial in stimulating interest, improving our image and gaining new members.

Masonic Education

Masonic Nights of the Round Table, an initiative of this committee, has certainly taken root wherever it has been introduced. This programme is designed to stimulate discussion and thereby promote interest in learning more about Masonic history and philosophy. It requires minimal preparation and can be introduced as a part of a regular lodge meeting. To date, members of all ages, but most importantly, those younger members, have found it stimulating and worthwhile.

On May 15, 2004, fifteen (15) young, highly intelligent and articulate members of our Fraternity were brought together in order that we might gain their views and insights into the direction our Masonic Education programme should proceed. To say this was an unqualified success would be an understatement. As discussion went on and ideas flowed, new and worth-

while ideas were generated which will be of benefit in future. This group of dedicated and articulate Masons has agreed to continue meeting on a regular basis. My thanks are extended to those who had the vision and foresight to bring this group together and to challenge and guide them throughout their discussions.

AD HOC COMMITTEES

The following ad hoc committees were formed throughout this past year in order to address concerns and issues that required attention.

Ad Hoc Committee on the Office of Grand Secretary

This ad hoc committee, chaired by R.W. Bro. Gordon Roberts, Past Grand Chaplain, was mandated to look into several areas pertaining to the Office of Grand Secretary. The committee has completed their review and submitted their report. This report has been turned over to the Deputy Grand Master for consideration and action.

Seven Toronto Districts Membership and Facilities Ad Hoc Committee

This committee has been formulated to examine two areas: Masonic Facilities within the Greater Toronto Area and Membership within the G.T.A. R.W. Bro. Terry Horner serves as chairman.

Given the reality of lodge amalgamations, the changes in the environment in which we operate and the movement of lodges within the various facilities, considerable strain has been placed upon existing buildings and corporations. This committee has been charged to determine what should be done to best serve all seven Toronto Districts.

At the same time there is a need to analyze the overall membership and delineation of districts throughout the G.T.A.

Ad Hoc Committee to Study Special Programme Fund

Funding for the Special Programme Fund has been declining for the past few years. As this fund is the principal source of revenue for much of our committee work, a committee, under the chairmanship of R.W. Bro. Ed Standish, has been formed to examine all alternatives. They will work closely with the Grand Treasurer and the Committee on Audit and Finance.

LODGE DEDICATIONS AND CONSECRATIONS

This year we joined with the following lodges at their dedication and consecration ceremonies:

September 30, 2003 – dedication of the new Lodge Room within the Ancient and Accepted Scottish Rite premises, Hamilton.

October 22, 2003 – Consecration of Brock Daylight Lodge No. 745, St. Catharines.

December 13, 2003 – dedication of the lodge premises within the Keele Street Shrine premises, in Toronto.

April 24, 2004 – dedication of the new lodge building in Sombra.

AMALGAMATIONS

Once again certain lodges found it necessary and beneficial to amalgamate with another lodge. Throughout the year I presided over the following amalgamations:

October 20, 2003 – amalgamation of New Hope No. 279 and Otto Klotz No. 731 into Mystic Tie No. 279, Waterloo District.

February 28, 2004 – amalgamation of Patterson No. 265 and Grey No. 589 into Patterson-Grey No. 265, Toronto District 6.

There are a number of other lodges within this jurisdiction that are looking towards amalgamation. Some are involved in the process at the present time whilst others are just in the talking stages. Whilst amalgamation should not be viewed as a panacea to end all ills, it has, in many cases, proven valuable.

CONFERENCES

In February 2004, the interim Grand Secretary, the Deputy Grand Master and myself participated in the North American Conference of Grand Masters held in Washington D.C.

We were fortunate to be joined part way through the Conference by M.W. Bros. R. E. Davies and R. Groshaw who made this trip as part of their holidays. Once again both of these distinguished Past Grand Masters were kind in introducing me to a number of their friends and acquaintances.

Whilst attending this Conference, the interim Grand Secretary, M.W. Bro. Terence Shand was elected to the Commission on Information for Recognition for a seven year term.

I was humbled to be elected Vice Chairman for the forthcoming North American Conference of Grand Masters scheduled to be held in Calgary, Alberta, in February 2005.

Conferences such as this provide a meaningful forum for the exchange of ideas and forthright discussions on the problems faced by our Fraternity throughout the various jurisdictions. In many cases, they allow us to place issues that are often raised and discussed into proper perspective. New ideas and new ways of doing things are considered, discussed and debated. Included herein are items such as one-day classes, ritual changes, recognition concerns and memorization of the work. While such information may not be immediately acted upon, it does provide food for thought and may well germinate into ideas that can be implemented at a later point in time.

In April 2004, the interim Grand Secretary, the Deputy Grand Master and myself attended the Conference of Canadian Grand and District Grand Lodges, in Winnipeg. This was, without doubt, one of the most enlightening and educational conferences I have ever attended. While no papers were presented by the Ontario delegation, we did participate fully and freely in all discussions. Of course the free and frank discussions with our colleagues from other jurisdictions is always useful and the friendships gained are invaluable.

In May 2004, the interim Grand Secretary and myself attended the VII World Conference of Grand Masters in Santiago, Chile. With a high proportion of attendees from Latin America and Europe and a very ambitious programme before us, it was a great learning experience. One of the most important things I learned is how well off we are in this jurisdiction where we can openly and freely practice and enjoy Freemasonry without fear of reprisal. What a gift that is!

While we are far more active within the community than are many other jurisdictions, we do not follow educational pursuits to the same degree that many do. I was also surprised to see the degree to which Masonry has become involved in the political process within some Latin American countries.

Discussions held with colleagues from Europe were enlightening,

particularly insofar as they applied to what is going on in various European jurisdictions. In some countries Grand Lodges are springing up, seemingly at will and one must be most careful in extending recognition. We were of course inundated with pleas from certain countries seeking recognition; however, they fell upon deaf ears. We also learned that sudden and unexpected changes in the leadership of some Grand Lodges we recognize have been effected. This reinforces how fortunate we are to enjoy stability and due electoral process within this jurisdiction.

By the end of the conference it was most evident that the Grand Lodge of Canada in the Province of Ontario is highly regarded throughout the world. Most of the credit for this must be extended to those who have preceded me as Grand Master.

SPECIAL EVENTS

I was pleased to be able to participate in a number of Special Events throughout this jurisdiction. Some were solely Masonic events whilst others involved members of the wider Masonic family. In all cases I believe the strong ties that have been developed throughout the years was strengthened and additional goodwill fostered. Those events included:

ANNUAL COMMUNICATIONS OF GRAND LODGES

Marion and I were able to represent you at relatively few annual Grand Lodge Communications this year as a busy schedule at home precluded much "out of country" visitation. This notwithstanding it was an honour and pleasure to represent you in France, Massachusetts, New Jersey and Michigan. In all instances we were treated in a most hospitable and courteous manner as we reaffirmed the close ties and cordial relationships that have been developed between our respective Grand Lodges.

MEMBERSHIP

I note from a careful perusal of the summonses that we are bringing a number of younger men into this great Fraternity. While this is commendable we must never forget that the future for Freemasonry rests upon the **QUALITY** of the men we admit, not upon the quantity. Everyone wants to be a part of a winning team and Freemasonry is no exception. If we improve the **quality** of the organization by being careful to admit only men of honour and reputation, then others of a like mind will follow. If, however, either willingly or through neglect, we "lower the bar" by watering down our standards then the light of Freemasonry will soon flicker and fade into oblivion.

GRAND MASTER'S BANQUET

My Brethren, this evening we will have the distinct honour and pleasure of being entertained by M.W. Bro. Bill Walls, Past Grand Master of the Grand Lodge of British Columbia and the Yukon, whose humour and common sense approach to life is recognized far and wide. I hope you will all be able to attend, as this promises to be an evening that will long be remembered.

While our Guest's presentation will undoubtedly differ in style and content from previous presentations, I am pleased to announce that for those traditionalists among us, we shall dine upon that ever-popular *poulet latex avec vegetables semi-cuir*. Some things never change!

ACKNOWLEDGMENTS

The Office of Grand Secretary became vacant with the sudden and untimely death of M.W. Bro. Robert J. McKibbon. Following due consultation with all of the Past Grand Masters and with their consent, I appointed M.W. Bro.

Terence Shand Interim Grand Secretary for the period October 1, 2003, to July, 2004. I am most grateful to M.W. Bro. Shand for the assistance he has provided. While the learning curve has been steep, he has performed the duties of this office willingly, with good humour, and well. Thank you for all you have done to assist.

I am also most grateful for the dedicated staff at the Grand Lodge Office who have worked so diligently and so efficiently throughout this past year. The extra effort that each of them put forth during those difficult days in September is so appreciated. My personal thanks are extended to Dorothy Chalmers, Gail Nickerson, Rose Blandin, Cynthia Arnold and Stacey Birks for your cheerfulness, willingness to assist, and devotion to duty. Without you the Grand Lodge office would fall into disarray.

I would also like to acknowledge the untiring efforts of my friend, R.W. Bro. Ken Schweitzer for all that he has done on a volunteer basis for our Grand Lodge. In his quiet, but dignified manner, Ken is always there, recognizing what must be done and then doing it without thought of recompense or thanks. He is truly, a *volunteer extraordinaire*.

R.W. Bro. Gary Atkinson, Deputy Grand Master, I thank you for the friendly and cooperative manner in which you have approached the duties of your office. Your service to the Craft and to our Grand Lodge is appreciated.

I would like to acknowledge the Masons of this jurisdiction for their untiring efforts in promoting and practising Freemasonry. One of the greatest joys of this Office has been in meeting with you and getting to know you just a little bit better. You are, without doubt, the greatest men in the world and I am always honoured to be in your company. Thank you for making this journey possible.

And, finally, to my wife Marion, who has been my constant companion, my *confidante*, at times my chief critic, but always my best friend, thank you so much. I could not have completed this year without your support, your encouragement and your undying love. I am also grateful to our family for rearranging their schedules to accommodate our frequent absences throughout this year.

CONCLUSION

At the commencement of this term of office, I quoted one of my favourite scriptural passages taken from Matthew 5:16 – "*Let your light so shine before men that they may see your good works . . .*"

You, the Masons of Ontario, have done just that throughout this past year. I note with pride your involvement in community activities, in charitable endeavors and within your places of worship. You have not been afraid to stand up and be counted in those areas where it really matters. By so doing you have shown the world that Freemasonry is a force for good within our communities.

I have also encouraged you to practice those basic principles of

Brotherly Love, Relief and Truth at all times and in all places so that we may provide an alternative to the selfishness and meanness that seems so prevalent in the world today. The quiet but meaningful morality presented within our ritual is a sure antidote to the baseness that abounds in all sectors of society today. May each of us go forth from this day forward, committed to our principles and united in our desire to bring the light of Freemasonry to those who will benefit from it.

Last July you elected me to this high office and I have served to the best of my ability. I trust your faith in me has not been misplaced. Thank you for permitting me this opportunity to serve – it is something I will never forget.

Donald H. Mumby
Grand Master

As the Grand Secretary called the roll of Grand Representatives of their Grand Lodges, those who were present stood and were welcomed by the Grand Master. Grand Honours were given under the direction of the Grand Director of Ceremonies.

MERITORIOUS SERVICE AWARD

R.W. Bro. Gordon W. McNaughton, R.W. Bro. Lorne W. Pacey and R.W. Bro. Robert T. Runciman were presented in the East by the Grand Director of Ceremonies to receive at the hand of M.W. Bro. Donald H. Mumby the Meritorious Service Award as a tribute to their exceptional devotion, loyalty and zeal in both Masonic and community circles.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. M. John Moor, Grand Chaplain.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I consider it a great honour to have been asked by you, M.W. Sir, to serve as the Grand Chaplain of our Grand Lodge during this past year, thirty years exactly after I served the same office in the Grand Lodge of Saskatchewan. Near the end of my term I can, without hesitation, say that it has been one of the most memorable years in my Masonic career. Hopefully, I have been able to contribute, even in a small way, to the important work of our Grand Lodge. But, I must say that I have been personally blessed far more than I believe I have contributed to others.

Last summer I pledged that I would offer, within the length of my cable tow, what talents that I have to the spiritual welfare of our Grand Lodge Jurisdiction and our noble Craft as a whole. I hope and pray that I have done this to the satisfaction of you all, and I am pleased to offer the following as my accountability report for my work in this office.

Noteworthy Events

At the outset, I set for myself several goals, including: (a) to attend to those responsibilities and events which required my particular participation as Grand Chaplain, (b) to attend such other services, receptions and meetings as I was able, (c) to visit various lodges of my personal choice (simply to enjoy the fraternal friendship), particularly within the four Eastern Districts, not necessarily when other Grand Lodge officers were in attendance, and (d) to attend meetings of my own lodges in Ottawa and to perform my duties in each. I was not able to do all that I had hoped; time and energy did not permit me to do everything.

I offer the following summary of those activities:

Required as Grand Chaplain

- 100th Anniversaries, with dedication of gold trimmed regalia (6)
Century Lodge No. 457, Merlin; North Entrance Lodge No. 463, Haliburton;

Lodge No. 469, Sault Ste Marie; Rideau Lodge No. 460, Seeleys Bay
- Dedication of New Lodge Rooms/Building (3)
Hamilton Masonic Centre; Toronto, Keele Street; St. Clair Lodge No. 425,
Sombra
- Consecration of New Lodges (1)
Brock Daylight Lodge No. 745, St. Catharines
- Amalgamations (2)
Mystic Tie Lodge No. 279, Kitchener; Patterson Grey Lodge No. 265, Thornhill

Divine Services (5)

- Ottawa District 2 (at Cobden and Pembroke)
- Ottawa District 1 (at Carp)
- Eastern District (at Cornwall)
- Waterloo District (at Kitchener)

Masonic Memorial Services (2)

- M.W. Bro. Robert J. McKibbin, London, September 7, 2003

- M.W. Bro. Howard O. Polk, Ottawa, October 21, 22 and 24, 2004

Other Meetings, Receptions, Events (17)

- Receptions for the Grand Master

- Past Masters' Association
- G.L.O.N.D.A.

Attendance at My Own Lodges

- St. Andrew's No. 560; Edinburgh No. 736; Sidney Albert Luke No. 558

Special Initiatives

In order to accommodate such special events as 100th anniversaries, amalgamations and 1 150th anniversary, I developed for Grand Lodge special new ceremonies or parts thereof. These included a Ceremony for the Dedication and Vesting of New Gold Trimmed Regalia, updated prayers for the Amalgamation Ceremony of lodges, and a rededication re-commitment of a lodge for a special anniversary (adaptable for 75th, 100th, 125th, 150th, etc.). All three have been tested at various events this past year, and having been found worthy, they will be submitted to the Grand Custodian of the Work for consideration for use across the jurisdiction.

Appreciation

I owe a debt of gratitude to a large number of people for their welcome, encouragement and prayers of support, including the officers and members of my lodges (named above); my Masonic friends throughout the Ottawa 1, Ottawa 2, Eastern and St. Lawrence Districts; the members of the various lodges across the jurisdiction who showed such warmth for me personally, as well as, respect for the office of the Grand Chaplain; the members of the Board of General Purposes for their inclusion of me as a travelling companion; to you, M.W. Sir, and your wife Marion, for your friendship and encouragement; and, finally, to my wife, Sharon, for her love, support and understanding, particularly when I was travelling near and far. Thank you all!

Final Blessing

May the Great Architect touch all of us with his blessing and healing presence, and may He guide and watch over us on our several travels as we work to promote our great and wonderful Craft.

Respectfully and fraternally submitted.

REV. M. JOHN MOOR, Grand Chaplain

Auditors' Report

To the Most Worshipful Grand Master,
Officers and Members of Grand Lodge A.F. & A.M. of
Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

We have audited the statements of financial position of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 2004, and the statements of operations and fund balances for the general and segregated funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 2004 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

REPORT OF THE GRAND TREASURER

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The primary responsibility of the Grand Treasurer is to oversee the financial and business affairs of Grand Lodge and to ensure the ongoing viability of Grand Lodge as a continuing and soundly established institution. During my ten years as your Grand Treasurer I have experienced periods of relative comfort with that responsibility; also, there have been a few moments of anxiety. My report this year is mostly of the good news variety. Our investment portfolio is in sound condition. Our past year's operation has been managed on budget and our expectations for the year ahead anticipate ongoing revenue from the usual sources, but a continuing struggle to hold the line with respect to expense management.

We will deal with the individual components of these responsibilities as follows: Our investment portfolio has been managed by seasoned professionals at Scotia Cassels Investment Counsel since 1990. We meet with these managers several times each year in company with the Audit and Finance Committee. Our Investment Policy is to manage generally with a 70/30 split of fixed income to equity securities and this policy has been ratified by Grand Lodge regularly. Our fees paid to the managers equate to 65 basis points or approximately \$30,000 per annum. We recommend a continuing involvement of our existing policy. You will be interested that we engaged an independent Performance Measurement Service, Robert Bell and Associates Ltd. to review and assess the performance of Scotia Cassels; their findings confirm our satisfactory opinion; their report is on file at Grand Lodge.

The operating results of the past year are generally within budget expectations as formally presented one year ago. The only items not in conformance with our budget are revenues from the Commutation Fund and Book Sales, both variances of a one-time variety. The bottom line for the year's operation: we had a net deficit of \$43K versus a planned deficit of more than \$77K.

Given the expectation of continuing low interest rates and an uncertain equities market, it is unlikely we will achieve revenue increases in the year ahead from any of our income sources. And we cannot plan to operate with a continuing deficit model, nor do we have much room for serious containment in our expense categories. In fact, the budget to be presented by the Audit and Finance Committee anticipates another deficit for the year ahead. Accordingly, we must go forward with the anticipation that the Annual Per Capita will be increased; the budget committee have agreed that an increase of \$4 dollars to a total of \$10 Per Capita is unavoidable and will go into effect one year hence. This should be taken as notice that individual

lodges plan their budgets accordingly.

In closing, I wish to acknowledge the exceptional loyalty we have enjoyed from the staff of Grand Lodge office with a word of personal appreciation to each for their individual efforts. And a special word of thanks to R.W. Bro. Tom Lewis for the constant attention and dedication he has displayed during his several years as chairman of the Audit and Finance Committee. His efforts have been of inestimable support to this Grand Treasurer.

Respectfully and fraternally submitted.

T. RICHARD DAVIES
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

REPORT OF THE TRUSTEES OF THE GRAND LODGE RETIREMENT PENSION FUND

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In 1972, Grand Lodge established a pension plan to provide retiring (pension) benefits to retiring employees of Grand Lodge. This Plan is governed by an "Agreement of Trust" and is administered by three (3) trustees, namely the Grand Secretary, the Grand Treasurer and the Chairman of the Committee on Audit and Finance.

Accordingly, it is deemed fit and proper that periodically, the trustees should report to Grand Lodge on the status of the Plan.

The Plan to date has served the retiring employees of Grand Lodge well and continues to accumulate funds to provide pensions in the future to current employees of Grand Lodge on their retirement. The Plan is considered a "money purchase" plan whereby the employees contribute 5% of their gross salary to the plan and Grand Lodge contributes a like amount. These contributions, together with the net investment income earned on the overall funds, are annually allocated to the individual participants. The funds are held in trust by Scotia Cassels Investment Counsel Limited and duly invested. The financial position of the Plan, together with operations of the Plan, are subject to year-end audit by Grant Thornton L.L.P., Chartered Accounts.

Overall performance of the Plan with respect to the investment return has paralleled that experienced by Grand Lodge and your trustees are entirely satisfied with the results.

Your trustees arranged for the Grand Lodge staff to travel to Toronto on January 12, 2004, to meet with representatives of Scotia Cassels Investment Limited at their offices to review the investment strategy for the funds and answer any questions regarding the Plan and any other financial planning matters as they affected the individual employee. We would suggest that the visit was most beneficial for all concerned.

The vacancy as trustee created by the death of M.W. Bro. R. J. McKibbin, Grand Secretary, resulted in the Management Committee of Grand Lodge appointing M.W. Bro. T. Shand, Grand Secretary, trustee by virtue of his office.

The Trustees would like to express our thanks to Mrs. G. Nickerson of the Grand Lodge office for her assistance in connection with the overall administration of the Plan, Scotia Cassels Investment Counsel Limited and Grant Thornton L.L.P., Chartered Accountants for the assistance and expertise rendered on matters relating to the Plan.

Respectfully and fraternally submitted.

Printing and Publications

During the past year a number of pamphlets, brochures and publications have been produced, others updated and reprinted. They include: The Masonic Manual, Guidelines for the Prospective D.D.G.M., Guidelines for Lodge Officers, and the Lodge of Instruction Fall 2004 Trestle Board. A new booklet – entitled "Questions and Answers 2003" – deals with questions posed to the Custodian of the Work these past several years at the various workshops throughout Ontario. It provides excellent reference material that

promotes research utilizing many of our existing publications. A review and update of Masonic publications has been completed. They are available for purchase through the Grand Lodge office, at the Lodge of Instruction meetings, and at this Annual Communication.

Computerization

Upgrading of computer hardware and software is an ongoing process at the Grand Lodge office. It provides for a more efficient network to better serve our membership. The acquisition of a high speed internet service significantly reduces the time required to process an ever increasing volume of e-mail requests. The advent of the e-mail summons in several areas of our jurisdiction is a cost saving measure to many lodges.

Warrants

Several lodges deemed it necessary to amalgamate during the past year, while others have initiated the negotiation process. Rideau Lodge No. 595 amalgamated with Chaudiere Lodge No. 264, Teeswater Lodge No. 276 with Wingham Lodge No. 286, New Hope Lodge No. 279 and Otto Klotz Lodge No. 731 became Mystic Tie Lodge No. 279, Grey Lodge No. 589 and Patterson Lodge No. 265 became Patterson Grey Lodge No. 265.

Regretfully, the following lodges have deemed it necessary to surrender their charter: Confederation Lodge No. 720, Willowdale Lodge No. 717, and Patricia Lodge No. 587.

Conferences

February 2004, I was privileged to represent our jurisdiction at "The Conference of Grand Secretaries in North America," held in Washington, D.C. It afforded an opportunity to share in a variety of presentations with topics such as: "Beyond Per-Capita," "Truths about Masonic Renewal," "Leadership of the Grand Secretary," "The Challenges of Organizational Leadership," "The Challenges of Integrity."

Of note, at the conference, our Grand Master was elected to serve as vice-chairman of the next North American Conference of Grand Masters, to be held at Calgary, Alberta, in 2005, and myself as the Canada Region representative to the Commission on Information for Recognition (a position previously held by M.W. Bro. Robert J. McKibbon).

Then, again, in April this year, I accompanied our Grand Master to the "All Canada Conference" held at Winnipeg. Several topics were presented, as follows: "A Rich Heritage," "Masonic Youth Leadership," "Introduction to Three Types of Masonry," "Voluntarism both Ancient and Modern," "Traditional Masonry," "Fellowship, and Fun, the Thread that Binds Us."

As requested, I reported on the Conference of Grand Secretaries of North America and provided update information regarding the Commission on Information for Recognition. During general business, our Grand Master addressed the issues of delegate representation and financial structure of the

conference.

In May 2004, the World Conference of Masons was held in Santiago, Chile, and was represented by 69 voting jurisdictions, many delegates and several visiting jurisdictions from around the World. It provided a wide range of information pertaining to Masonic activities at the International level, together with pertinent information to assist when dealing with matters concerning foreign jurisdictions seeking Ontario recognition.

Each of these conferences provide a distinct opportunity to engage in universal Masonic dialogue that serves to promote a better understanding of our respective viewpoints, at the same time, strengthen the ties that bind us as a worldwide fraternity. It also allows us to share the wealth of Masonic information and educational materials developed by Ontario Masons, and retain the high regard by which our jurisdiction is held, both nationally and internationally.

Semi Annual Returns

Semi Annual Returns have been received from 611 lodges and the information contained therein has been entered in the books of Grand Lodge. Section 300, Book of Constitution, states, "Each lodge shall mail or otherwise deliver to the Grand Secretary its returns and payments to Grand Lodge semi-annually on or before the 8th day of January and the 8th day of July each year." Some lodges continue to submit Returns several months late which could result in serious consequences. Section 241, in turn, places responsibility for this duty squarely on the Worshipful Master. Completion and submission of the lodge Semiannual Return, in a timely fashion, is vital to ensure accurate record keeping at the Grand Lodge office and for Audit purposes. Please consider this responsibility an important one.

Conclusion

September 2003, Masonry in Ontario suffered a significant loss with the passing of our Grand Secretary, M.W. Bro. Robert J. McKibbon. His untiring service to our Craft and his dedication to the responsibilities of the several distinguished offices he held during his lifetime might serve as an inspiration to all. Later the same month, following a meeting of Past Grand Masters, our Grand Master charged me the responsibility to serve as Grand Secretary pending elections at this Communication. I am sincerely thankful for the cooperation and assistance afforded me personally, without exception, by a knowledgeable, congenial and considerate Grand Lodge staff team. My observations these past ten months confirm that our Grand Lodge is blessed with a conscientious, friendly and efficient office staff who take great pride in the service they provide. We, in turn, sincerely thank all those having dealings at the Grand Lodge office for your understanding, cooperation and forbearance during this unexpected transitional time period. As we look to the future, we must be tolerant and prepared to adapt to positive change that might benefit our jurisdiction. Then, be prepared to

provide our Grand Lodge office staff with the equipment and means to accomplish the task at hand.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Of the forty-six districts, forty-five reports of the District Deputy Grand Masters were presented by the Grand Secretary, and, on motion of the Grand Secretary, seconded by R.W. Bro. A. Petrisor, they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. G. L. Atkinson, Chairman, and on motion of R.W. Bro. Atkinson, seconded by R.W. Bro. D. G. Dowling, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Management Committee and its several members who serve our Grand Lodge throughout the year with their expertise and sage counsel for the betterment of Freemasonry in Ontario.

The Management Committee, whose mandate is described in Section 136 (j) of the Book of Constitution, met six (6) times during this past year, and also participated in Spring and Fall meetings of the Advisory Group.

A significant number of proposals were considered by the committee, with the following recommendations being presented for your consideration.

It has been recommended that:

- The Computer Resources Committee be authorized to purchase two (2) computer projectors and two (2) laptops. They are to be used by committees making presentations or during workshops. The Computer Resource Committee is also authorized to purchase a dot-matrix printer for use in the Grand Lodge Office.
- Permission was given to the Computer Resource Committee to create a CD for "Meeting the Challenge," "Mechanics of the Work" and "Guidelines for Lodge Officers" for the blind and the visually challenged brethren in our jurisdiction.
- A request for additional funding from the Ontario Mason Committee, to publish a thirty-six (36) page issue to commemorate the 10th Anniversary of the Ontario

Mason was received. The Ontario Mason Committee also requested additional funding for the Fall issue of the magazine and also recommends the publishing of a 40-page issue to commemorate Grand Lodge's Sesquicentennial. The committee recommended the Ontario Mason work within the existing budgetary confines. With the increasing costs in the production/ mailing, etc., of the Ontario Mason, and the decline in the income from the Programme Fund, the Management Committee has some concerns for the future of the Ontario Mason. The Ontario Mason request was tabled and further means of raising income for the magazine are being looked at. This could include a subscription for those receiving the magazine.

A recommendation that the Membership Resource Committee (Brother-2-Brother) begin work on the following Brother-2-Brother chapters:

- (a) District/Lodge Entered Apprentice Welcome programme.
 - (b) Blood Donor Lodge Sponsorship.
 - (c) District/Lodge – Lodge of Instruction Guidelines.
 - (d) Personal Touch Communications and Lodge Finances.
- That the Brother-2-Brother Committee format the Chapters of Brother-2-Brother Manual V 3.0, and the new chapters, as amended in Adobe Acrobat PDF file form, so they can be published on the Internet as 4.0 and made available for downloading purposes and printing from personal computers.
 - The Brother-2-Brother Committee begin work on building a Brother-2-Brother Web page with an opening page and links to each chapter which can be read on line and printed using Adobe Acrobat Reader on personal computers as required.
 - Approval be granted to increase the budget of the Seminars and Workshops Committee this year by \$850.00 due to the increase in number of sessions across the province.
 - Approval was given to the Masonic Education Committee to proceed with the proposal of the "Knights of the Round Table." Approval was also granted to increase the budget of the Masonic Education Committee by \$1,200 to proceed with this project.
 - A recommendation by the Grand Treasurer was received to review our investment portfolio and counsellors Scotia Cassels by an independent agency, R. S. Bell & Associates. The Management Committee endorsed the recommendation of the Grand Treasurer with the results proving favourable.
 - On a request from the 150th Anniversary Committee, approval was granted to proceed with the design of a Grand Lodge Tartan. This tartan will be registered to our Grand Jurisdiction.
 - After reviewing a presentation from the Public Relations Committee regarding the success of the Display Booth at the International Plowing Match in Carleton Place, the Management Committee recommended we proceed with an exhibit at the 2004 I.P.M. in Meaford.
 - An ad hoc committee was established to discuss disposition of the Sankey Masonic book collection at Brock University.
 - Approval was granted to register our Grand Lodge Coat of Arms.

- Approval was granted to a request for printing of two pamphlets: (a) Questions of the Custodian and (b) Information for the Prospective District Deputy Grand Master.
- A proposal was presented by the Computer Resources Committee to develop a computerized reporting form for the Grand Lodge Semi-Annual Returns. Approval was granted.
- Approval was granted to the 150th Anniversary Committee to purchase 25,000 150th Anniversary coins for re-sale at \$2.00 each.

Immediately following the 148th Annual Communication of Grand Lodge, our Grand Master, M.W. Bro. Donald H. Mumby, appointed an ad hoc committee for the Office of the Grand Secretary. This committee was chaired by R.W. Bro. Gordon Roberts and the membership included R.W. Bros. Don Wallace and Brian Gilkinson. The committee has concluded their findings and their recommendations will be reviewed by the members of the Management Committee and then dealt with and considered by the Board of General Purposes.

At the June meeting of the Management Committee, approval was given to the Public Relations Committee to proceed with a proposal to undertake a Pilot Project on Awareness Advertising.

The purpose of this project is to enhance the awareness and public acceptance of Freemasonry in Ontario, and thereby to encourage interested prospective members to join the organization.

This year, through our Chairman of Fraternal Relations, our Grand Lodge was approached by the Prince Hall Grand Lodge of Ontario and Jurisdiction. Discussions were held concerning reciprocal fraternal recognition for intervisitation between our Grand Lodge and Prince Hall. After much dialogue and respect for all, the Management Committee has endorsed the proposal for continued discussions and working towards fraternal recognition.

The Management Committee was pleased to welcome R.W. Bros. D. Garry Dowling, Terrence V. Horner and Allan J. Petrisor as members this year – three brethren who add sage counsel and objective reasoning to the operation of the committee. We regret that R.W. Bro. Robert T. Runciman, who has served this committee so capably, and our Grand Lodge since 1976, has decided to step down as a member of the Board of General Purposes. We thank him for his diligence and devotion to duty and our fraternity for the past twenty-eight years.

With the Grand Lodge Programme Fund not being as productive as it once was, this committee is working to ensure the well being of our Fraternity. This year the Management Committee has taken an aggressive approach when reviewing ideas for ensuring the future of our Grand Lodge.

All of which is respectfully submitted on behalf of the following committee members: M.W. Bro. Donald H. Mumby, Grand Master; M.W. Bro. Terence Shand, Interim Grand Secretary; R.W. Bro. T. R. Davies, Vice-Chairman; R.W. Bros. D. A. Campbell, D. G. Dowling, T. V. Horner, A. J. Petrisor, R. T. Runciman, and T. E. Lewis.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. G. Wayne Nelson presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Nelson, that the Report be received. (See page 223)

REPORT OF THE LIBRARY, MUSEUM and ARCHIVES COMMITTEE

This Report was presented by R.W. Bro. B. Schweitzer, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Schweitzer, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Library, Museum and Archives Committee consisting of R.W. Bros. Paul Kett (Vice-chairman, Library), Ray Borland, Mel Duke, D. Jagger, Vic Lepp, R. G. Wands, and W. Bro. Gene Lotz (Vice-chairman, Museum) and the undersigned as chairman, it is my pleasure to submit this report.

Library

Back to Basics

The theme of our Past Grand Master relates back to what some feel is one of the reasons why we are losing members according to some members of Long Range Planning. There is no doubt that our membership has dropped more than 50 percent over the past 40 years because of various reasons; however, there is no reason for not educating our new members before they leave this fraternity.

Education

Where do you get one? Where do you get the resources? The Education Committee continues to promote various courses: The College of Freemasonry, the D.D.G.M.s course and others. The resources come from books, the internet, newspapers, etc.

Have you, as a Worshipful Master, educated the members of your lodge? Do you have an Education Committee? What do they do? Where do they get their resources?

Many of our members, including Past Masters, have no idea that there is a Masonic Library in our Grand Lodge Jurisdiction, let alone where it is located. Masonry is said to have many secrets, many of which our Grand Masters over the years have tried to open the doors to. The Grand Lodge Library should not be one of those secrets. If you know where Hamilton is and where the Grand Lodge office building is, then you should have no problem locating the library. If not, we need to do a little research and education at 363 King Street West, Hamilton, Ontario, L8P 1B4; take the stairs to the second floor.

Many who have entered the library have commented that we need to have a better way to access subjects, other than by titles. To this end we have begun a project to reclassify all the books according to subject and sub-subjects. We are well aware that this will not be completed in the next day or two, but when completed will assist our visitors and members greatly. This is part of the Five-Year Long Range Plan that the committee has begun to implement this year.

At present, there are approximately 60,000 members in this jurisdiction. The library has seen and/or communicated with 100 of them this past Masonic year.

Anyone wishing a short talk on the history of the library and what it has to offer, needs only to contact the chairman. We will make every attempt to assist you with a speaker.

We must thank R.W. Bros. Hazlitt and Lewis for their continuous work with Brock University and the Sankey book collection.

To request a book, videotape, audiocassette or information about the library, please write, fax, or e-mail the Grand Lodge office at (office@grandlodge.on.ca). Materials are shipped free of charge and all that is asked is that return postage be paid by the borrower.

For a complete listing of library materials, please access the Grand Lodge Web Site or contact the Office.

A sincere thank you is extended to those brethren who volunteer faithfully to be our librarians: R.W. Bros. R. Borland, D. Jagger, R. Daniels, and W. Bro. R. Todd.

Museum

The library and museum committees have worked consistently to achieve their mission:

- A. The Dundurn Castle exhibit which is fast approaching.
- B. The Masonic Heritage Markers for heritage sites within the province.

The Masonic Heritage Marker Programme has received tremendous interest across the Province. Epiphany Church in Kingsville and the Masonic Temple in Cargill now have Masonic Heritage Markers. Both Markers highlight the Cornerstone Laying Ceremony by area Masons. Moravian and St. George's Lodges are to be commended for their efforts surrounding the establishment of these Markers. The Masonic Heritage Marker Programme is designed to create a historic presence in our communities. At this time two other lodges are working with the committee to establish Masonic Heritage Markers.

The exhibition at Dundurn Castle in July of 2005 through to November is gathering steam after a slow start. I would invite any lodge or district, which have historic artifacts and would like to be part of this exhibition, to contact members of the Museum Committee at Grand Lodge. This is an excellent opportunity to give the community a view of the Historic presence of Masonry in the jurisdiction.

In the past we have attempted to contact various lodges to see if they would be interested in lending their artifacts to the museum for a six-month display. Many have declined and wish to keep their artifacts hidden in those "secret" spots. The committee will now attempt a new approach, which we have had a couple of lodges agree to. A virtual museum on CD. R.W. Bro. R. Borland and W. Bro. D. Cameron have begun this task so that our history can be brought to you. This will be another phase in our Five-Year Plan.

Long Range Planning

As stated earlier, the committee has begun to put together a Five-Year Long Range Plan, including:

1. The 150th Anniversary of Grand Lodge and the Dundurn Castle exhibit.
2. A virtual tour of our Grand Lodge's history (as part of the Museum).
3. A resources librarian.
4. Expansion of the library into larger quarters, better lighting and relaxing setting.

We thank the Grand Lodge office staff for all of their assistance.

Respectfully submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

This Report was presented by R.W. Bro. W. C. Thompson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Thompson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present this report on behalf of the committee members, R.W. Bros. Ralph Baldwin, Robert Beckett, Wilmot Rose, and W. Bro. Steve Pottage. I thank them for their contribution and I wish to express my thanks to them.

At the beginning of this Masonic year, our committee was charged with organizing a series of seminars to be held across the 12 regions that make up our jurisdiction. We asked all committee chairmen if they wished to participate and we were pleased that 12 felt the need and desire to participate. The committees that asked to be included were: Friend to Friend, Brother to Brother, Mentor, Officer Progression, Masonic Education, Long Range Planning, Lodge Finances, Ontario Mason magazine, Blood Donors, Public Relations, Benevolence and Computer Resources.

The committee selected target districts within the regions. The locations selected were as follows: Lindsay – Victoria District, Athens – St. Lawrence District, Orillia – Georgian North District, Toronto – Toronto District 1, Woodstock – Wilson North District, St. Thomas – St. Thomas District, Oshawa – Ontario District, Guelph – Wellington District, Niagara Falls – Niagara B District, Windsor – Windsor District, North Bay – Nipissing East District, and Sault Ste. Marie – Algoma East.

The format of the seminars was to hold them over a three-hour period with each presentation being fifty-five minutes in length. There were three presentations being held simultaneously for a total of nine seminars at each; not all committees participated at each location. The interest of those in attendance was evident by the requests of several committees to hold more in-depth seminars at a later date. Weather affected the turnout at two of the locations, but overall the turnout was good, with an average of sixty participants.

The success of these seminars was due in large part to the assistance of the 46 District Deputy Grand Masters. They readily agreed to either host the event and/or promote it throughout their respective district.

I would be remiss if I did not take this opportunity to thank the presenters of the various seminars. Their hard work in preparing and delivering the presentations is greatly appreciated.

The committee is currently planning a revamped series of seminars for next year.

We have planned for the Tuesday afternoon of the Annual Communication, five different seminars. The topics are Long Range Planning, Masonic Education, Office of District Secretary, 150th Anniversary and a continuous presentation by the Computer Resources Committee. The seminars will start at 1:30 p.m., 2:30 p.m. and 3:30 p.m. and each will run for 50 minutes. Each presentation will be done twice.

All of which is respectfully submitted on behalf of the committee.

WILLIAM THOMPSON, Chairman

**REPORT OF THE ADVISORY COMMITTEE ON
LODGE BUILDINGS**

This Report was presented by R.W. Bro. G. A. Napper, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Napper, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report of the Advisory Committee on Lodge Buildings on behalf of its members: R.W. Bros. W. Smith, N. Farid; V.W. Bros. R. Blair, W. MacLeod, and W. Bro. S. Cooper.

A recommendation was made for dispensation to be granted to St. Clair Lodge No. 425 in Sombra to begin holding their meetings starting in September in their newly constructed building. This building was dedicated on April 24, 2004.

Following the sale of the Central Masonic Building in Hamilton, renovations were made to prepare a third lodge room in the Scottish Rite Building to accommodate the lodges which had previously met at the Central Masonic Building. This additional lodge room was dedicated on September 30, 2003.

The Kingston Temple Corporation purchased the Alliance Church and renovated it to accommodate a lodge room and other Masonic amenities. A recommendation was made for dispensation to be granted for lodges to use the new building after November 24, 2003. The Ceremony of Dedication will be held on October 22, 2004.

A lodge room was constructed in the Rameses Shrine Building in Toronto. The Rameses Masonic Centre was dedicated on December 12, 2003.

Orono Lodge No. 325 meeting in Orono and Markham Union Lodge No. 87 meeting in Stouffville, both indicated that they wished to meet in a different location. At their request alternate premises were inspected and reports were submitted to Grand Lodge. As of the preparation of this report neither had made a final decision regarding relocation.

The committee spent a large amount of time to develop a check list to assist lodges in the jurisdiction in evaluating the safety of their buildings for both the members and the general public.

Respectfully and fraternally submitted, on behalf of the committee.

GEORGE A. NAPPER, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. P. W. Hooper, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Fraternal Relations Committee which consists of all of the Past Grand Masters along with myself as Chairman.

There were three (3) requests for recognition submitted to this Grand Lodge during the past year prior to the meeting of the committee. All requests are considered very carefully using the following established criteria

1. Legitimacy of Origin
2. Exclusive Territorial Jurisdiction, or territory shared by treaty
3. Adherences to the Ancient Landmarks with emphasis on the V.O.T.S.L. being present and open in Lodge.

Consideration of requests is not limited to examining the above listed criteria. Other things that must be looked at include the stability and longevity of the Grand Lodge itself, along with the situation and stability of the country or territory in which the Grand Lodge is located.

Using these methods, the following requests were reviewed and recommendations made at the meeting of this committee held in Lindsay on Saturday, May 01st, 2004.

1) *Serenissima Gran Loggia Republica Di San Marino*

This Grand Lodge was constituted on March 13, 2003, and consecrated on April 6, 2003, in San Marino, by the Grande Oriente d'Italia and the Grand Lodge of the District of Columbia (U.S.A.). It currently consists of three warranted Lodges with a total of 41 members. It is the opinion of this committee that, although we recognize both Sponsoring Grand Lodges, the Grande Oriente d'Italia is not recognized as regular by all Grand Lodges and especially by the United Grand Lodge of England. The Gran Loggia Di San Marino is a very new and small Grand Lodge and we recommend that no action be taken on this request at this time, but that the situation be monitored for possible action in the future.

2) *Gran Logia de estado Baja California*

This Grand Lodge was chartered by the Gran Logia del Valle de Mexico in 1933. In examining the history of this Grand Lodge, this committee notes that Masonic turmoil still exists in this area and we therefore recommend that no action be taken on this request at this time.

3) *Grand National Lodge of Romania*

At this point there is reported that there is much Masonic turmoil in Romania and that there are 2 or more splinter groups of Grand Lodges in this country that are not recognized by us. It is hoped by this committee that the Masons in Romania can iron out their differences and join together in Masonic harmony as one Grand Lodge. Due to these problems, this committee recommends that no action be taken on this request at this time.

Subsequent to the meeting of the committee we received a request for recognition from The Most Worshipful Prince Hall Grand Lodge Free and Accepted Masons

Province of Ontario and Jurisdiction. There is a considerable history with this request with the first known request for recognition coming 104 years ago in 1900. The Conference of Grand and District Grand Lodges of Canada, meeting in Winnipeg on March 21, 1992, unanimously recommended the acceptance of Prince Hall Affiliated Grand Lodges as approved by the Conference of Prince Hall Grand Masters as being regular Masonic Grand Lodges. At that time our Grand Lodge acknowledged the legitimacy of origin of the Prince Hall Grand Lodges; however, we did not extend recognition or visiting privileges.

The Prince Hall Grand Lodge Province of Ontario and Jurisdiction is composed of 11 Lodges with 2 being in Quebec and the rest in Ontario. There are approximately 340 members at this time.

A meeting was arranged and the Grand Master, Interim Grand Secretary and Chairman of the Fraternal Relations Committee met in Toronto with their counterparts in the Prince Hall Grand Lodge Province of Ontario and Jurisdiction and had a very productive meeting. Due to this request coming in after our committee meeting, a formal meeting of the committee was not held; however, informal discussions were held and the matter of recognition was referred to the Grand Master.

The recommendation of recognition of Grand Lodges is a responsibility that is not taken lightly by the members of this committee. Our Grand Lodge is respected world wide for the work we do and for the standards being upheld by its members. It is imperative that we uphold those standards in recognizing other Grand Lodges. Our Grand Lodge requires that each lodge attach the most recent recognition sheet to the inside of the Tyler's register and that any visitors be examined to ensure that they are a member of one of the Grand Lodges in good standing with this Grand Lodge. Members of Grand Lodges not on the list cannot be recognized or received.

I wish to express my thanks to all of the Past Grand Masters for their advice and assistance and particularly to M.W. Bro. Terence Shand (Interim Grand Secretary) and M.W. Bro. Robert E. Davies (Grand Secretary Emeritus) for their advice and guidance.

Respectfully submitted on behalf of the Committee.

Paul W. Hooper, Chairman

REPORT OF THE MEMBERSHIP RESOURCES COMMITTEE

This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hogeboom, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Membership Resources Committee, it is my pleasure to submit the following report.

The Membership Resources Committees are a dynamic marketing team of enthusiastic salesmen promoting and implementing five Grand Lodge programs which, after the instruction in the exercise and application of these programs, will assist the constituent lodges to enhance the fraternal environment and to improve the quality of leadership. We know we have a product of the highest quality, but it only becomes of value when implemented. It is our challenge and opportunity to make every Mason in

Ontario, at every stage of progress in Masonry, aware of the tools at his disposal, to excite him with their potential and train him in their application.

Our objective is to encourage and enable every member to realize his potential in Freemasonry. To awaken interest in Freemasonry, to attract good men to become Masons, to transform passive members into active Masons, to develop management skills and leadership ability. In short, to increase the number of practicing Masons!

The work of the Membership resources Committee is aligned with the initiatives and strategies specified in the Five-year Strategic Plan of the Grand Lodge (2003-2008) – Fraternal Environment, Leadership Development and Communications.

In 2001, the Membership Resources Committee was restructured as a Special Committee of Grand Lodge and charged with the responsibility of creating, developing, administering, delivering, monitoring and evaluating five programs that provide support services to each member at every stage of his Masonic career.

A review of the Membership Resources Committee scorecard would be favourable in regards, to the creating, developing and administering of the programs. The implementation of the Regional Seminars and Workshops format has been a great advantage for the delivery of the programs and we expect even further improvements in our delivery with the introduction of the revised format for next year. The Regional Seminars and Workshops format has also given the Committee a great opportunity to monitor and evaluate the four programs that have been involved by the feedback provided at these sessions. It is feedback at these sessions that has led us to the new program delivery mode, however, it remains as the area where extra attention will be focussed next year as our biggest opportunity for improvement.

The Committee action plans to achieve this objective were as follows:

1. Open the channels of communication to the DDGMs and throughout the organization - the membership will never use the tools available if they don't know about them. We have used all of the communication tools available to us – The Ontario Mason, the DDGM Communiqué and the Grand Lodge web site. In addition to these avenues, the Committee will steal one of the most successful tools of the DDGM-O Team and identify our intended local audience and personally invite them to attend the Regional Seminars and Workshop closest to them.
2. Similarly, we need to continue to encourage the DDGMs to appoint three different District Chairmen for Friend to Friend / Mentors, Brother to Brother and Officer Progression in order to continue the promotion of these three programs as complementary, yet separate and distinct programs.
3. The offer of providing our product and services to every District and Lodge from the Regional Seminar and Workshop approach has also been provided for next year given the successes and predicted improvements.
4. Measuring our successes will continue to be a gauge of our resources applied and methodology for a cost benefit analysis.

Before reporting on each of the Teams, a word on one of our successes that also shows how the Grand Lodge committees can work together. In cooperation with the

Carlton Place Ploughing Match Team and the Public Relations Committee, the Membership Resources Committee was able to contact 53 visitors to the Masonic display who requested more information and provide them with a copy of the 'What is Freemasonry?' brochure. Their names and contact information was then provided to the nearest DDGM with instructions to forward the information on to the nearest lodge to the interested visitor. There has been mixed success stories returned to this Committee, but we are aware of several of these visitors who have become Masons as of this date.

Recommendations:

- The Ploughing Match / Public Relations Committee provide interested visitors to the display the opportunity to complete a detailed contact information form if they are interested in receiving more information on Freemasonry.
- That the Membership Resources Committee be dissolved and the four Team Leaders be returned to Special Committee Chairmen status of their respective Teams.

Friend to Friend / Mentors Team Report

Friend to Friend: To expose our craft to men who might consider membership in Masonry as a part of their life's path.

Mentors: To guide the new Mason through the degrees to become a Master Mason and to assist him in his progress and advancement in Masonic knowledge.

In addition to participating in all the Regional Seminars and Workshops sessions, invitations for presentations were also accepted and conducted in Fordwich, Pickering, and Toronto 7 District. These workshops were considered successful in their attendance, interest and enthusiasm. The team recommends that each District should conduct their own seminar annually to re-communicate the importance of the material and to encourage each lodge to use the material that Grand Lodge provides.

The Friend to Friend and Mentors Program material has been converted to floppy disks and compact disks for easier communication. Approximately 75 copies of the program have been distributed to Districts and lodges on request. The "What is Freemasonry?" audio tape is now on compact disk as well.

There have been 35 Friend to Friend nights that received dispensation from Grand Lodge this year. It should be noted that 37 Friend to Friend events out of 621 lodges leaves quite a bit of room for growth in the future. This Committee compliments the Sudbury / Manitoulin District for their activity and successes in using this program. Surveys have been sent out to the respective DDGM's for feedback so that we can assess the format and success of these events.

The Regional Workshops and Seminars format was new and exciting and it worked reasonably well for the Friend to Friend / Mentors teams. The Team looks forward to the expanded format to be introduced next year providing the Team with the time to roll out both programs in their entirety and fashioning the presentation to the intended target audience of Masons who hold responsibility for these programs in their respective lodges or Districts.

There is strong evidence that new members introduced into Masonry under the guidance of the Mentors Program are better informed of our Craft during their infancy in Masonry and are more likely to complete their Masonic journey and stay interested in their lodge.

The Friend to Friend and Mentors programs have a proven history of making lodges and their members successful and the Team encourages all lodges and Districts to become more active in making Masonry stronger by using these tools to support their efforts.

Recommendations:

- To have the Friend to Friend video available on DVD as well as VHS.
- Every District should endeavour to have a Friend to Friend Workshop annually.
- To continue with follow-up surveys of the Friend to Friend events so that progress and successes can be assessed as a measure of the current format.
- That the Friend to Friend / Mentors programs be reunited in one presentation session during each of the revised Regional Seminars and Workshops in the coming year and that the Committee specifically invite their intended target audience who hold responsibility for these programs in their respective lodges or Districts.

Team Leader, R.W. Bro. John C. Green, acknowledges the time and effort put forth by his fellow team members: R.W. Bros. Jeffrey R. Dickson (Secretary), David G. Inglis, Thomas A. Siemiernik, R. Andrew Truan, Herb Visser and Ronald K. Wallace.

Brother to Brother Team Report

Retain – Revitalize – Renew – to bring present members out to lodge and keep them coming back – to transform passive card-carrying members into active, practicing Masons!

The Brother to Brother Program continues to show its worth at the lodge level where the ideas contained in the Toolkit are put to work. It is felt that Brother to Brother, as a Grand Lodge program, still has a very important function to perform. Efforts continue to build on the great work of past Committees, but it would be fair to say that the Program has recently experienced a decline in enthusiasm due to misplaced or lost manuals and the inability to replace them due to cost constraints. As well, the job of keeping track of new Lodge Facilitators and retraining them has become a program in itself. As an overall result, this has been a year of transition for the Brother to Brother program. Our focus has been on overcoming our obstacles, and then getting the good word out. The Toolkit is a veritable library of good ideas that any Lodge can put to good use to help Retain, Revitalize or Renew its membership.

The Toolkit has now been made available to all the Brethren in the Jurisdiction in its entirety by means of the Grand Lodge web site. By simply opening the Brother to Brother Program under the Projects and Programs menu on the Home Page, any Brethren can now view the whole manual. With internet access, individual sections, chapters or the whole manual itself can be printed using a home computer and a printer. This total access was a major shift for the program as previously the manual

was only available to those Lodge Facilitators, who had gone through a 'Train the Trainer' session. It is now fair to say that one of the great secrets of our jurisdiction is now available to all and we thank the Computer Resources Committee, in particular, R.W. Bro. Jim Kirk-White, the Web Master, for all his efforts in making this a reality. Work is continuing on updating the manual, and it is planned to publish Version 4.0 on the Grand Lodge web site in the coming year. The manual revisions will provide new ideas to promote our committee objectives.

To communicate the basics of the Program, the Committee has made full use of the Regional Seminars and Workshops program and made a presentation at each of these sessions. As well, the committee has responded to all requests for assistance and made presentations or provided suggestions for using the program. In the future, the committee looks forward to the proposed changes to the Seminar and Workshop medium and supplement it by building a more in depth Power Point presentation to provide further support to our Regional Coordinators with Feedback Sessions at the same time.

It has been a challenging year, but we hope one that has refocused the Brother to Brother Program with its multitude of good ideas so that every Brother in the Jurisdiction can make use of this tool to Retain, Revitalize and Renew.

Recommendations:

- Communicate to assure that every Mason across the Jurisdiction is aware that the Brother to Brother Toolkit is now available on the Grand Lodge web site.
- Renew the Regional Coordinator concept through Feedback Sessions by participation in the revised Regional Workshops and Seminars sessions with the goal of having every lodge in the Jurisdiction using some aspect of the Toolkit.
- Complete Revision 4.0 of the Brother to Brother Toolkit, deliver to the Grand Lodge web site and communicate the same.
- That the Brother to Brother Team be included on the perspective of each of the revised Regional Seminars and Workshops in the coming year and that the Committee specifically invite their intended target audience who hold responsibility for this program in their respective lodges or Districts.

Team Leader, R.W. Bro. Douglas A. Conway, acknowledges the time and effort put forth by his fellow team members: R.W. Bros. Joseph Dove, Paul G. Farrell, Brian Koivu, Mark D. Stephenson, William M. Watt; V. W. Bro. Donald J. Banks, R. Bruce Dow, Thomas B. Lloyd.

Officer Progression Team Report

The aim of this program has not changed – to enable an Officer to plan and prepare his journey to the Worshipful Master's Chair and the responsibilities of that high office, by developing his management skills and leadership abilities. The program is directed to the benefit of Wardens and Deacons.

For the year 2003/2004, the Team was part of each Regional Seminar and Workshop sessions. The three appropriate topics for presentation in a new Power Point format were Leadership, The Master's Chair and Masonic Protocol and Etiquette. During

the year the Committee was involved in 11 workshops, covering 42 districts throughout our Grand Jurisdiction.

In an effort to measure the level of 'customer satisfaction' after these sessions, the attendees were asked to complete a short survey on the material, delivery and process. The favourable comments received from the Brethren indicated there is still a very definite need for this program, but that it should be extended in time to allow for group discussions and a question and answer period.

The Team looks forward to the expanded Regional Seminars and Workshops format being introduced next year that will provide the Team with more time to spend with the attendees and include break-out sessions, group discussion with plenty of time for questions and answers. The Officer Progression Team will also be targeting their presentation to an intended target audience of Wardens and Deacons.

The Committee also feels that during the Regional Seminars and Workshops, when there is a gathering of interested and enthused Masons who want to learn more of their Craft, the opportunity to sell Grand Lodge publications should be captured. This would be a great asset to the assembled Brethren and provide them with a resource as they proceed through the chairs and beyond.

Recommendations:

- That the Officer Progression Team return to their three hour presentation format providing time for break-out sessions, group discussion and questions and answers as part of the revised Regional Seminars and Workshops format during the next year.
- The Grand Lodge Publications Team of the Masonic Education Committee should seize the opportunity to sell their books during the Regional Seminars and Workshops.

Team Leader, R.W. Bro. Charles H.M. Reid, acknowledges the time and effort put forth by his fellow team members: R.W. Bros. James E. Anderson, Kenneth E. Campbell, Andre A. Cayer, Raymond L. Dobbs, Gregory H. Hazlitt (Secretary), Bruce D. McLennan and W. Bro. Thomas E. Warner.

District Deputy Grand Master Orientation Team Report

The DDGM Orientation Team successfully accomplished all of its objectives and in accordance to the time line set out in the original Action Plan.

On July 24, 2003 'Enrollment Forms' were mailed to 44 of the 46 DDGM's asking them to identify and submit the name of any aspiring DDGM in their District that would be seeking office in July 2004. From this, 72 aspirants were identified and each was mailed a personal invitation to attend a pre-assigned orientation session in his region. Of the 72 aspirants registered only 48 attended their session. Although enrollment increased, actual attendance was lower than previous years. Six aspirants notified the Team to withdraw, however; eighteen others simply did not show up. One District alone had four aspirants enrolled that failed to appear. The Team acknowledges that sometimes aspirants attend sessions two or three years in advance of being elected and excuse themselves from attending another. The Sessions are

tailored to be current and the experiences shared by the panelists are beneficial to the aspirants. The Team believes that aspirants are doing themselves a disservice by not attending a session in the November before they hope to be elected.

Orientation Sessions were held at Hamilton, Mount Forest, Newmarket, Oshawa, Ridgetown, Toledo and Sturgeon Falls. Each Team Member was assigned to champion a session and accepted the responsibilities of handling the presentation as well as arranging for panelists, a co-presenter, a supply of books and reference material from Grand Lodge for the aspirants to purchase and a light lunch for the attendees.

At the conclusion of each session, the feedback received from the aspirants, the DDGM's and PDDGM's was positive and gratifying to the presenters. All seven sessions were considered successful.

The Committee is confident that we were successful in helping those who aspire to the office of District Deputy Grand Master to better prepare themselves for the responsibilities and challenges they will face.

Recommendations:

- Given the value expressed by those who have attended previous sessions as to the great assistance it was to them, the Team recommends that the DDGM Orientation program be continued.
- To help organize the Team and develop conformity at each session, the enrollment process and team member roles were clearly defined. The location of the sessions, and the material presented made for seven successful events and except where changes have been recommended, this format should be repeated next year.
- Emphasize that all Aspirants for office attend one of the Orientation Sessions the year prior to their election, regardless if they have attended previous sessions.
- The Presentation Material and Group Study Exercises be revised and updated to be consistent with the new releases of "The Masonic Manual" and the "Information Booklet for the Prospective District Deputy Grand Master". In order to prepare the curriculum for this Fall's sessions, it is necessary that the DDGM Orientation Team receive copies of the new Masonic Manual and DDGM handbook as soon as possible. It is also crucial that the Team begin working to update their material as soon after the annual communication as possible in order to be ready for the Fall sessions.
- That the "D.D.G.M. Correspondence Course" be actively and vigorously promoted.
- As the DDGM Orientation Sessions evolve from one year to the next, the Team's goal to add value to the sessions has resulted in a list of relevant publications that each attendee receives. The Team recommends that the Aspirants attending the sessions receive the following handouts:
 - The Grand Lodge Strategic Plan.
 - Masonic Foundation "Guidelines for Undertaking a District/Lodge project".
 - Masonic Foundation "ANNUAL REPORT".
 - Masonic Foundation 25-Year History.

- DDGM Correspondence Course Application.
 - Copy of the most recent "DDGM Communiqué".
 - Current List of Grand Lodge Officers produced by Grand Lodge.
- It has become customary to have a script known as the "District Awareness Message" read aloud in each District once every three years. During the Spring of 2002, various members of the Board of General Purposes who were also Past District Deputy Grand Masters were asked, based on their proximity, to attend certain District meetings to read the Awareness Message. Looking ahead, this task is due to be repeated in the Spring of 2005. The Team recommends that the "District Awareness Message" be read at each District's Spring meeting in 2005.

Team Leader, R.W. Bro. Scott R. Drummond, acknowledges the time and effort put forth by his fellow team members: R.W. Bros. Tony Ellison, Cliff Farber, John Harrison (Secretary), John Pollock and Rick Roberts. Also, a special thanks to R.W. Bros. Terry A. McLean and James A. Hughes who assisted at two of the sessions where extra help was needed.

It has been my extreme pleasure to have Chaired a committee of so many dedicated team members and I thank each of them for their dedication and hours of time and travel which have gone into achieving our successes this year. In particular, my special thanks goes to the Membership Resources core team of R.W. Bros. Douglas A. Conway, Scott R. Drummond, John C. Green, Charles H.M. Reid and V.W. Bro. William J. Moore (Secretary) – for without them, none of the above would have been realized.

THOMAS W. HOGEBROOM, Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. G. E. Hinds, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hinds, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Advisory Committee on Lodge Finances, it is my pleasure to submit the following report.

This committee's mandate was to make all lodges in our jurisdiction aware of all available material this committee have developed over the years and approved by the Management Committee, for the intended use by our lodges.

Lodge Finances in recent times have been a concern of many lodges as they struggle through the difficult times of higher rents from Temple Boards, higher insurance premiums, and lower returns on investments, outdated Dues Structure and Life Membership formulas, along with a decline in Craft lodge membership.

In taking a "Pro Active" approach, this committee was committed to be in attendance at the Seminars and Workshop Sessions, to market the products available to the attendees, with a hope of creating awareness to lodges experiencing difficulty in their day-to-day operations.

But, unfortunately, due to the fact that this committee is purely advisory by its structure, can only sit back and await a request for assistance from those lodges that a problem or concern has been voiced, or detected by the Committee on the Condition of Masonry in their analysis of the reports of the District Deputy Grand Masters. This committee, in retrospect, feels that the sense of urgency is missed during this process, and would suggest a revue to attain a more expeditious solution.

One key product, this committee feels, which did not attain the anticipated mileage as expected, is the CD-ROM put out by the Computer Resources Committee, that contains a wealth of information, including "step by step" procedures on the financial administration of a lodge. This was part of the "kit" each D.D.G.M. received at our last Annual Communication. As a follow-up to that action this committee forwarded a copy of its Bulletin "Available Products" to all the D.D.G.M.s so that copies could be made for posting on Lodge Bulletin Boards for all to see. *"WE ARE HERE . . . BECAUSE WE CARE."* In addition, to "trigger" more awareness of "Available Products," this information was placed on the "committee's" web page on the Grand Lodge Web Site. Request was also forwarded to all districts with Web Sites for permission to have the same published there. Only one responded with positive feedback.

Recommendation

This committee recommends that a bulk production of this disk be made, for distribution to all lodges as the first step to standardize reporting of Lodges Financial Status, and the distribution to be handled by this committee, which will give us a "foot in the door" as an introduction as to who we are.

All of which is respectfully submitted on behalf of committee members, R.W. Bros. R. E. Collins, T. E. Lewis, H. E. Standish, C. Latchoo, and W. Bros. H. Jones, P. Piccione. The chairman thanks them for their input and support on financial masonry in Ontario.

Respectfully and fraternally submitted.

GEORGE E. HINDS, Chairman

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by R.W. Bro. D. M. Sheen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sheen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the year 2003-2004 the Committee on Public Relations worked under the following mandate:

"To seek out all media and public relations opportunities and activities at Grand Lodge and District levels with a view to creating a better informed public on the aims and activities of the Masonic Order within our Jurisdiction.

To co-ordinate all internal and external communications of a public relations nature.

To co-ordinate and promote the use of Masonic information booths and displays throughout Ontario. To develop and provide Masonic publications and paraphernalia for use and purchase by the membership."

What follows is a summary of the undertaking of the three teams that form the Public Relations Committee, and any relevant recommendations we feel are of benefit to carry Masonry forward.

External Communications

Display Booths were held in three University/Colleges, with very encouraging results – Mohawk, St. Lawrence and University of Western Ontario. At U.W.O., for instance, 21 young men expressed a further interest in Freemasonry during a four-hour period. This has been followed up by the brethren of the London Districts hosting a Breakfast and Open House for these interested men. Applications have also resulted from this. Subsequent research has proven that a large number of men in university fraternities have great interest in Freemasonry. Hamilton District B has undertaken to do another booth at Mohawk College, and the brethren of London East and West at Fanshawe College.

Recommendations: Conducting University/College Displays be continued and expanded, ownership being given to the districts and means of getting Masonic information into Fraternity Houses be explored.

That we explore the possibility of starting a couple more college/university-based lodges.

Press Releases/Interview Opportunities

The team attempted to capitalize on a large number of the Grand Master's appearances by issuing press releases and actively seeking out media coverage. The results have been extremely encouraging with a large amount of favourable media coverage having been garnered; i.e., Television and print interviews and we invite everyone to drop by the Public Relations Booth at Grand Lodge and see some of the coverage.

Recommendation: Public Relations Committee continue to actively seek opportunities with the Grand Master for media coverage, and districts, as laid down in the Grand Lodge Public Relations Five-Year Prospectus, be trained and encouraged to generate media coverage for their events.

District Public Relations Officers

At the beginning of the year, all of the District Deputy Grand Masters were encouraged to appoint a District Public Relations Officer/Team. This would be the Grand Lodge Team's key contact in the district, and would receive training from the Grand Lodge Team on Media Relations. Unfortunately, a large number of districts do not have a Public Relations Chairman/Team.

Recommendation: Each district appoint a Public Relations Chairman/Team, preferably one that will be in place long-term, to be supported by selected regional personnel.

Remembrance Day Services

Thirteen (13) districts report participation in some manner (either individual lodge/district) in local Remembrance Day Ceremonies. The response to seeing brethren laying wreaths and attending in regalia has been very favourable.

Recommendation: All Districts/Lodges consider participation in local Remembrance Day Ceremonies.

Display Incentive Programme

This programme has now wound up, with 13 districts taking advantage of the opportunity, and Grand Lodge contributing \$13,798.15 to the various districts for display material.

Go-to Documents

The team developed a series of documents/speeches, which could be used by any brother when speaking to an audience outside of Masonic surroundings. These have been distributed to the D.D.G.M.s.

Recommendation: These speeches be included in the Brother to Brother Toolkit for all brethren to access.

Shrine Ceremonials

Masons have, again, been invited to participate in the shrine ceremonial parades. This is an excellent opportunity for us to capitalize on our readily recognizable band (the Shrine) and in doing so, raise awareness of Freemasonry. Everyone knows about the Shriners, but don't know that they are Freemasons.

Recommendation: Masonic participation in shrine events such as parades in regalia be encouraged and continued.

Scrapbook

Everyone is requested to watch for newspaper clippings on any Masonic functions and they are requested to forward them to the Grand Lodge Office, attention R.W. Bro. T. Roy Davies, who again is preparing the scrapbook. Unfortunately, last year at Grand Lodge, a scrapbook went missing – if any brother may have this missing volume, please return it to the Public Relations Booth or the Grand Lodge Office – no questions asked. It is a terrible shame to have lost this part of our history.

Recommendation: All brethren be diligent in sending any clippings they may be able to find to Grand Lodge – this is our most cost-effective method of monitoring Public Relations.

Grand Lodge Seminars

The Team participated in a number of the scheduled sessions, with a tremendous response to our presentation. The presentation forms the basis of a programme to train regional/district Public Relations Representatives. Unfortunately, time restraints prohibit delivering a full programme, and the delivery of the same is an integral component of the Long Range Prospectus as adopted by the Management Committee.

Recommendation: The team undertake, as laid out in the long-range prospectus to train regional/district Public Relations Representatives.

Long Range Prospectus

The L.R.P., as adopted by the Management Committee, has been assessed and updated. Our progress against it is on track, and two new years have been added so that we have maintained a five-year development of our Public Relations objectives.

Recommendation: Future Public Relations Committees continuing working along the Guidelines set out in the L.R.P. and districts align their Public Relations Plan along the lines of the L.R.P.

Other Initiatives

At the time of writing this report, there is a planned Information Booth to be held in the Toronto Path underground. This is in an area which has traffic in excess of 10,000 people per day. As well, the success of the Shrine Ceremonial Parades will occur after this writing.

This Team continues to offer their assistance to any district/lodge planning an Open House.

As we approach the 150th Anniversary of our Grand Lodge, we have a unique opportunity to capitalize on this historic occasion in order to garner media attention of such a significant milestone – the team is ready to do our best to leverage this opportunity.

Internal Communications

Web Site

With the help of W. Bro. Don Reekie of the Computer Resources Committee, the Web Site "What's Happening" section has been updated.

Recommendation: As the Web Site is a great tool for both internal and external communications we recommend that consideration be given to either having the Public Relations Team manage the Web Site, or having a Computer Resources liaison person on the Public Relations Team.

"Personal Touch Vehicles for Communication" has been adopted and will appear in the Membership Resources 'Tool Kit'.

Once again, the team has monitored the improvements in the various lodge summonses and newsletters and with the help of the District Deputy Grand Masters, has awarded the following Communications Awards.

<p>Best Lodge Summons to Corinthian No. 669 Eastern District</p>	<p>Best Lodge Newsletter to Wellington Victory No. 46 Chatham District</p>	<p>Best District Newsletter to "Hand to Hand" Toronto District 7</p>
<p>Merit Award to Muskoka Lodge No. 360 Muskoka P-S District</p>	<p>Merit Award to Manitoba Lodge No. 236 Georgian South District</p>	<p>Merit Award to "The Cornerstone" Toronto District 6</p>
<p>Merit Award to Ashlar Lodge No. 564 Ottawa District 2</p>	<p>Merit Award to Victoria Lodge No. 474 Toronto District 1</p>	<p>Merit Award to Peterborough District Masonic Newsletter</p>

The team would like to reiterate the importance of the lodge summons; it is truly the one vehicle that we have that reaches all of our members and keeps them informed. We are committed to the long-term improvement of lodge summonses and are ready to assist any lodge in achieving the same. The team is currently developing a presentation on improving summonses to be included in the Seminars and Workshops programme next year.

A jurisdictional map, showing lodge locations and district boundaries has been diligently prodded head on. We are now at the stage of addressing the availability issue for all brethren. The team feels that available resources such as the Grand Lodge web site and electronic maps can be utilized.

Recommendation: The Web Page be updated with a listing of lodge building locations, addresses and districts, and appropriate links to electronic maps provided.

Other Content

The team has developed a communications model with the intent of vastly improved communications throughout the jurisdiction. The model is now at the trial stage, and ready to be implemented.

Recommendation: that 3 or 4 trial districts be chosen, and the model applied for six months. The model would then be assessed, and jurisdiction wide roll-out would follow, if proven effective.

The group has successfully worked to help the 150th Anniversary Committee get the message out to the grass-roots level, and help to establish jurisdiction-wide enthusiasm and awareness for this milestone celebration. We are committed to the continual improvement and development of communications tools.

Special Events, Information and Publications

This year, our annual participation in the International Plowing Match was challenged to prove itself viable. Led by an energized local committee and guided by the Special Events Team, the brethren responded in spades. A very successful event was held in Carleton Place, and we offer our congratulations and thanks to R.W. Bro. Paul Todd and his local team. The results and subsequent recommendations form a lengthy report that was presented to Management, and adopted by them – this report has resulted in a change to some aspects of our approach to the Plowing Match, and have been incorporated in our “blueprint” for districts hosting the event.

Recommendation: Grand Lodge involvement in the International Plowing Match be continued with the local committee providing the leadership and this team the support. The budgets of both the local team and Grand Lodge should be combined so as to eliminate confusion and overlap.

As in previous years, we have continued to travel with the Custodian of the Work, in order to get publications into the hands of the brethren. This year has been no less successful than previous ones with in excess of 700 books being sold, and many other information items being distributed.

The team has provided assistance to other districts/lodges in planning and executing such other special events such as parades, fairs and information booths, and is always ready and willing to offer such help.

Conclusion

Communication, whether of an internal or external nature, is hard work! Masonry is not news in this fast paced lifestyle of today, and the vastness of this great jurisdiction present many challenges internally. Fortunately, technology continues to advance, and if grasped, makes the job easier and will ultimately help us to strengthen our communications. Our Grand Master reminds us to “*Let your light so shine before men that they may see your good works*” – it is our perceived goal to help that light shine a little more brightly.

The other fortunate occurrence is that we have a great many brethren who are willing to do the work needed to achieve this end, and I am very proud to present this report on their behalf, and to thank them for their dedication and assistance – it has been my privilege to serve as their chairman.

On behalf of the three Team Leaders – R.W. Bro. James Sercombe (Internal), R.W. Bro. Douglas Angus (External) and R.W. Bro. Carl Miller, I offer our sincere thanks to the following brethren: Internal – R.W. Bros. Al Dvorak, Barry Snider, Reade Spence, Lorne Weaver, and Mike Wellwood; V.W. Bro. Malcolm Woodcock; W. Bro. Gary Gilchrist and Bro. Paul Pinel. External – R.W. Bros. Brian DeLisle, John Hiley, Robert McLeod, Hassan Mohamdee, Lanny Salmon, William Watt, John Woodburn, V.W. Bros. Alan Arbuckle, Larry Carter, W. Bro. Steven Magwood and Bro. Walter Robinson. Special Events – R.W. Bros. Douglas Clouse, Gordon King, Harvey Street; V.W. Bros. Thomas King, John McLaughlin and W. Bros. Don Green and Kelly Holden.

All of which is respectfully submitted on behalf of the Public Relations team.

DAVID SHEEN, Chairman

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. R. S. J. Daniels, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Daniels, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

"Masonry and Education are synonymous terms."

As speculative Masons, we are actively engaged in learning in order to make a daily advancement in Masonic knowledge. From its inception seventy-five years ago, this Standing Committee of the Board of General Purposes has been charged with the responsibility of devising, implementing, encouraging and supporting learning opportunities in all lodges of this Grand Jurisdiction. It is essential to the future health and strength of the Craft, that every Freemason should think more profoundly about the mysteries and appreciate more fully the privileges of Ancient Freemasonry.

Education – the process; **Learning** – the method; **Knowledge** – the product

Our goal: to stimulate, encourage, and assist every Mason in Ontario to read and to study, to consider and discuss, to learn and to know, to understand and appreciate our history, philosophy, and symbolism. The Grand Master has recommended that some form of educational activity be included in every meeting of every lodge. Emphasis is on active participation by all members in open and free discussion of the meaning of the symbols and interpretation of the allegories in our Ritual – *Learning by Degrees*. It is imperative that the Lectures and Charges delivered to the candidates be **explained**. Every member present is encouraged to express his considered opinion, 'under the superintendence of an experienced Master,' to seek satisfactory answers to the most important question in Masonry, **WHY?** Taken seriously and properly considered, Masonry is the largest adult learning centre in the world.

Discuss – Question – Think – Learn – GROW.

Early in the year, *LET'S TALK MASONRY* during MASONIC NIGHTS AT THE ROUND TABLE, was devised by the Curriculum Group to encourage the brethren in every lodge at every meeting to talk about the meaning of Freemasonry, to discuss its mysteries, to learn their Craft. An outline of the programme, including several suggested scenarios, was posted on the Grand Lodge Web Site to stimulate interest and provide practical guidelines to assist all District and Lodge Chairmen of Masonic Education. This, together with the educational component in the Brother to Brother Toolkit (Section 10), also posted on the Web Site, provides a wealth of information for stimulating discussion and interesting evenings in lodge – *Yours to discover!*

Suggestion: Not all learning opportunities need to be formally structured. *"Has any Brother anything to propose ...?"* A free-wheeling discussion of a pertinent topic around the festive board in the banquet hall following the regular meeting may be an ideal time to dispel the notion that philosophy is stuffy and history is dull. Remember the first Grand Lodge was formed in a London alehouse!

It is especially encouraging to hear about the increase in educational activities throughout the districts, particularly in the north, where several learning initiatives were organized by local brethren in Algoma and Sudbury-Manitoulin Districts.

As this work goes forward into the second phase during 2004-2005, the role of the District Education Chairman appointed by the D.D.G.M. will be increased. This appointment should be made with great care. Skill and ability combined with interest and enthusiasm are essential attributes of a good educator. Guidelines to assist him in the duties and responsibilities of this important position as a key player on the educational team have been prepared and will be distributed when 'the changing of the guard' takes place in July. A meeting of all District Education Chairmen with the Chairman of the Committee on Masonic Education will be arranged in August before the new Masonic year begins to coordinate and consolidate definite plans for an effective and productive learning programme in every district.

Members of the committee have participated in eleven workshops presented on Saturday mornings in Athens, Guelph, Niagara Falls, North Bay, Orillia, Oshawa, Sault Ste. Marie, St. Thomas, Toronto, Windsor, and Woodstock. The committee was also commissioned to prepare and present a Workshop, *"The Speculative or Thinking Mason – I can't tell you what to think; I can't tell you how to think; But I can give you something to think about!"* on Tuesday afternoon during the Annual Communication of Grand Lodge.

It has become increasingly obvious that among those now applying for and being accepted as members by Initiation are some highly intelligent, well educated, widely read, young men, eager to explore the deeper mysteries of Masonry. Such men, we believe, hold the key to our future: Modern perspectives on Ancient Freemasonry. An informal colloquium has been arranged under the supervision of R.W. Bro. Wayne Elgie and W. Bro. Iain Mackenzie to bring a representative number of these relatively 'new' Masons together to share their present perspective and future vision. Our role as a committee will be to listen attentively and analyse carefully the ideas and ideals that emerge from these discussions relevant to the Craft in general and Masonic Education in particular.

College of Freemasonry

The work of the College is carried on by a team of dedicated and competent Mentors

under the direction of V.W. Bro. Sydney R. Lowe, Administrator, and V.W. Bro. Gordon S. Walker, Co-Administrator. Their efforts are commended and much appreciated. During the period April 4, 2003, to April 10, 2004, 92 new students enrolled in the Masonic Education Correspondence Course for Master Masons and 45 Achievement Certificates were earned for various portions of the Course. By successfully completing all four sections of the Master Masons Course, the following brethren have achieved distinction as "*Fellow of the College of Freemasonry*" and are congratulated on their accomplishment:

Beatty, Douglas P.	Brotherhood Lodge No. 723	Waterloo District
Brooks, Norman E.	Madawaska Lodge No. 196	Ottawa 2 District
Cook, David M.	Ashlar Lodge No. 701	Wilson South District
Cook, Dennis W.	Ashlar Lodge No. 701	Wilson South District

Diamond, Michael J.	Oakridge Lodge No. 708	London West District
Faul, John	Corona Lodge No. 454	Musk-P. Sound District
Gordon, Robert	Composite Lodge No. 667	Hamilton 'B' District
Hendrie, Gordon	River Park Lodge No. 356	Toronto 1 District
Jamieson, Graham	Renfrew Lodge No. 122	Ottawa 2 District
Joseph, Jacob	Dufferin Lodge No. 570	Toronto 7 District
Kern, Marshall J.	Victoria Lodge No. 56	Sarnia District
Krueger, Glen	St. Alban's Lodge No. 200	Grey District
Orser, C.	Stirling Lodge No. 69	Prince Edward District
Thompson, William	Seven Star Lodge No. 285	Georgian South District

Recommendation: Utilize the skill and ability of these knowledgeable Fellows of the College to assist as resource leaders in your district or lodge educational activities.

In the same period, 63 new entrants enrolled in the Correspondence Course for the District Deputy Grand Master, and 29 Graduation Certificates were earned. It is noted that the guidelines drafted by one District Past Masters' Association "strongly recommend" that the aspirant for election as DDGM enroll in and complete this course of study.

The Newsletter

First published in 1977-78, the Newsletter of the Committee on Masonic Education was edited in the early years by M.W. Bro. David C. Bradley, now honoured as Editor Emeritus. (Articles by this eminent scholar '*To Talk of Many Things*' are regularly featured in *The Ontario Mason*.) The *Newsletter*, in pocket-sized format, is produced quarterly in March, June, September and December. R.W. Bro. Douglas Franklin (Ottawa), Publisher, W. Bro. Michael Jenkyns (Ottawa), Editor, R.W. Bro. D. Garry Dowling, Production and Subscription Manager. R.W. Bro. Michael Woolley, W. Bros. Iain Mackenzie and John Reynolds, and Bros. David Cook and Michael Schwantes, Editorial Board.

Articles written by Ontario Masons for Ontario Masons, with particular relevance to the history and ritual of our Grand Jurisdiction continue to provide a valuable resource of the highest literary standard. Regular features include Questions of the Fraternity (W. Bro. Iain Mackenzie), Custodian's Corner (M.W. Bro. C. Edwin Drew, Custodian of the Work), Book Nook (R.W. Bro. Wallace E. McLeod, Grand Historian.) There are now approximately 620 subscribers. The annual subscription, post-paid, is \$18.00 for four issues.

After four years of outstanding work as Editor, W. Bro. Michael Jenkyns has retired as editor to attend to other pressing duties, both personal and Masonic. He has rendered exemplary service, writing and revising articles, expanding the content and enhancing the format, to establish a new standard of excellence.

Suggestion: Some lodges present a one-year subscription to every newly-raised Master Mason to encourage his further progress in Masonry.

Publications

It has been said that, "*Masons have more need to read than men in almost any other society or organization . . . to pursue Masonic studies for the joy of it, or even for the fun of it.*" With the assistance and cooperation of the staff, a wide selection of books on Freemasonry, including the authorized publications of our Grand Lodge, is available for purchase from the Grand Secretary's Office, and may be ordered through the Secretary of your lodge. In some districts, the District Education Chairman or a member of his committee takes a small selection 'on the road' to every Official Visit and District Meeting as a service to the brethren. A great idea! Books will be on sale at the Education Committee table during the Annual Communication. The revised edition (2004) of the booklet "For the Information of the Prospective D.D.G.M." is now available.

Recommendation: Organize an informal 'Reader's Discussion Group' in your district to review recently published books about Freemasonry. Truly, "*'Tis the good reader makes the good book.*"

BACK TO BASICS – "*The life so short, the Craft so long to learn*" – *BACK TO SCHOOL*

In summary, our efforts have been directed towards encouraging the individual Mason to think about and talk with his fellows about the meaning of Freemasonry, to interpret the significance of our symbols and allegories in terms meaningful to him, to enable him to arrive at a better understanding of its mysteries and a deeper appreciation of its privileges. Experience has proved that exciting educational activities and interesting learning opportunities at every meeting of the lodge will do much to keep those we Initiate, Pass and Raise involved and enthusiastic. We must devise ways and means to kindle the spark that will light the lamp of learning in every lodge, to arouse the curiosity of the brethren to question and discuss, to discover what Freemasonry has to offer, why they belong, and how to derive the most from their membership.

Let your light so shine before men that they may see your good works.

We cannot shine if we have not taken time to fill our lamps.

From a little spark may burst a mighty flame.

The work of this committee was implemented with dedication and diligence by the following members, to each of whom I must pay tribute and express sincere gratitude: Vice Chairman and Coordinator of Regional Resource Officers, R.W. Bro. J. David Bell (Sudbury); Secretary, R.W. Bro. James A. Fisher (Baden); Team Leader, Newsletter, R.W. Bro. Douglas Franklin (Ottawa); Team Leader, College of Freemasonry, V.W. Bro. Sydney R. Lowe (London), Co-administrator, V.W. Bro. Gordon S. Walker (London); Team Leader, Publications and Book Sales, W. Bro. Iain Mackenzie (Burlington).

The team of experienced and competent educators to design curriculum and provide resource materials consisted of: M.W. Bro. David C. Bradley (Toronto), R.W. Bros. Michael J. Diamond (London), Wayne E. Elgie (Burlington), Bruce N. Whitmore (Walton), V.W. Bros. Glen A. Simpson (Ottawa) and William White (London), and W. Bro. Iain Mackenzie (Burlington).

The province was divided into nine geographical regions and a Regional Resource Officer (*Field Representative – On the Spot Man*) was assigned to each: North-Western – R.W. Bro. Alan Tibbetts (Fort Frances) and R.W. Bro. James D. Kingston (Thunder Bay); Northern – R.W. Bro. J. David Bell (Sudbury); Mid-Western – R.W. Bro. Pirie Mitchell (London); Central – R.W. Bro. Respectfully submitted on behalf of the committee.

Most Worshipful Sir and Brethren:

Your committee has received the following eighteen Notices of Motion for consideration.

1. The first proposal deals with amendments that are necessary to allow for a central registry of applications to our Craft. It reads as follows:

[1] THAT: Form 6 [Application for Initiation Section 307] be amended in the following manner:

[A] That the disclaimer, paragraph two, line two be amended by inserting after the word *Lodge* the following *of A.F. & A.M.* and in line two thereafter the word *Ontario* insert the words *and each of its members.*

[C] that paragraph two, line one be amended by adding after the word *I*, (full name).

[2] AND FURTHER THAT: Form 7 [Application for Affiliation Section 358] be amended in the following manner:

[A] That there be added between the line commencing *I am, or was last* and the line commencing *I have resided* the following words *My Grand Lodge Certificate number is:*

[B] That the disclaimer, paragraph two, line two be amended by inserting after the

word *Lodge* the following of *A.F. & A.M.* and in line two thereafter the word *Ontario* insert the words *and each of its members.*

[C] that there be added to the disclaimer the following two paragraphs:

I further agree and consent to the transmission of my name, address, date of birth, occupation and other personal information set out on this form by e-mail or any other electronic means.

I further acknowledge and agree that this application and notice of rejection thereof, if such should occur, may be retained by the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario in a central data base.

[3] AND FURTHER THAT: Section 316 be amended by adding in the first sentence thereof and after the word *submitted* the words *in duplicate.*

[4] AND FURTHER THAT: Section 316 be renumbered *316(a).*

[5] AND FURTHER THAT: There be a new Section 316(b) in the following words:

Upon receipt of the application for initiation the Secretary of the lodge shall send or cause to be sent to the Grand Secretary a duplicate copy of the application. The Grand Secretary shall immediately inform the Secretary of the lodge if the applicant is clear on the Grand Lodge records or has been rejected by a lodge within the last twelve months.

[6] AND FURTHER THAT: Section 317 be amended by adding thereto after the word *lodge* in the second line thereof the following words *and Grand Lodge.*

[7] AND FURTHER THAT: Section 321 be amended by adding thereto in line four after the words *immediate notice* the following words *to the Grand Secretary and.*

[8] AND FURTHER THAT: Section 323(a) be amended by adding after the word *summons* in line six the following words: *and if the Grand Secretary has provided a report that the applicant is clear on the Grand Lodge records.*

[9] AND FURTHER THAT: Section 331 be amended by adding thereto a new Section 331(c) in the following words:

In addition to the requirements of Sections 331(a) and 331(b) the Secretary of each lodge shall immediately report to the Grand Secretary that an application for membership has been rejected either by ballot or by an unfavourable report.

[10] AND FURTHER THAT: Section 334 be renumbered *334(a)* and that there be added a new Section 334(b) in the following words:

In addition to the requirements of Section 334(a) the Secretary of each lodge shall report forthwith to the Grand Secretary the names of applicants who have been rejected either by ballot or by an unfavourable report.

Your committee finds this proposal regular.

2. The second proposal is an attempt to clarify when a Master would become a Past Master and be entitled to a "Past Master's Jewel." In order to prevent any future confusion it is proposed that Section 229 be amended to read as follows:

The current Section 229 shall become Section 229(a) and a new Section 229(b) shall be added to read:

229. (b) A Master of a lodge attains the rank of Past Master ONLY after he has served as Master for a minimum of 12 months (subject to Section 229(a)), AND a successor has been elected and installed in his stead.

Your committee finds this proposal regular.

3. The third recommendation pertains to Section 298(a) Form 4 (Lodge Records, Accounts and Moneys)
Reports of Committees on Applications (Page 184)

change "*a candidate*" to "*an applicant*"

add "*(affiliation)*" after "*initiation*"

Ballot (Page 185)

change "*a candidate*" to "*an applicant*"

change "*candidate*" to "*applicant*"

By way of explanation the proposer pointed out that a person applying for initiation is not "*a candidate*" until a favourable ballot has been taken. Until that time, he is an applicant. The same rules apply to an applicant for affiliation, except that he becomes a "*member*" after a favourable ballot is taken.

Your committee finds this proposal regular.

4. The fourth proposal is that Section 134(k), dealing with the composition of the Management Committee of the Board of General Purposes, be amended by deleting (iii) "*the Grand Secretary (ex officio);*"

Your committee finds this proposal regular.

5. The fifth proposal is that Section 113, dealing with the powers and duties of the Grand Secretary, be amended by adding the words "*and as directed by the Board of General Purposes*" after the word "*office*" at the end of subsection (p).

Your committee finds this proposal regular.

6. The sixth proposal is that Section 136(a), paragraph 7, line 2, be amended by deleting the word "*numbers*" and adding the word "*members*" in its stead.

Your committee finds this proposal regular.

7. The seventh proposal is:

That Section 44(b), dealing with Election and Appointments, be changed to read:

44. (b) The Grand Master and Deputy Grand Master shall be elected on an alternate year from that of the election of the Grand Treasurer and Grand Secretary.

The existing Section 44(b) would become Section 44(c) and the existing Section 44(c) would become Section 44(d).

Your committee finds this proposal regular.

8. The eighth proposal is that the first sentence of Section 270, dealing with Lodge Meetings, be changed to read:

270. A summons shall be sent in a sealed envelope or by secure electronic transmission via e-mail.

The balance of the section shall remain as it now is.

Your committee finds this proposal regular.

9. The ninth proposal is that Section 276, also dealing with Lodge Meetings, be amended to read:

276. No degree shall be conferred or exemplified elsewhere than in a lodge room,

except by dispensation from the Grand Master.

Your committee finds this proposal regular.

10. The tenth proposal deals with amendments to Sections 310, 311 and 383.

The proposal reads that Section 310 be amended by deleting the words *who can comply physically and* after the word applicant in line one:

That Section 311 be deleted and

That Section 383 be deleted.

Your committee finds this proposal regular.

11. The eleventh proposal deals with an amendment to Section 16 of the *Book of Constitution* to read as follows:

THAT: Section 16 of the *Book of Constitution* be amended by deleting in the second line thereof the words *the third Wednesday in July* and substituting therefore the words *Friday, July 22, 2005*. This amendment to be effective for the annual meeting in 2005 only, reverting in 2006 and thereafter to the present wording.

Your committee finds this proposal regular.

12. The twelfth proposal deals with suggested amendments of the Book of Constitution that deal with the surrender of a warrant and amalgamations and reads as follows:

Current Section 179 will change to Section 179 (a), to read:

179. (a) A lodge shall not cease to exist, nor shall its warrant be revoked until the Master, or in his absence the Wardens, have been notified in writing of the reason therefore and have been summoned to show cause to Grand Lodge why such action should not be taken.

The following new Section will be added:

179. (b) Voluntary Return of Warrant

- (i) A lodge may voluntarily return its warrant to Grand Lodge with the approval of the Grand Master.
- (ii) A lodge proposing to return its warrant to Grand Lodge shall adopt a resolution to that effect. The proposed resolution shall be duly given at a regular meeting; the proposed resolution shall be duly entered in the minutes and inserted in the lodge summons for the next regular meeting, at which time the proposed resolution shall come up for discussion.
- (iii) A lodge proposing to voluntarily return its warrant shall appoint a committee of three members to arrange the terms of said return and upon notice of same being received by Grand Lodge, the Grand Master shall appoint a member of Grand Lodge to act as chairman.
- (iv) Where funds are available, and within six months after the date the warrant is returned to Grand Lodge, the lodge shall provide assistance to its members to locate and apply to a new lodge by affiliation and shall pay the affiliation fee and payment of the first year's dues to the chosen lodge.
- (v) At the same time the warrant is returned; all furniture, books and assets of any nature shall be returned to Grand Lodge.
- (vi) Lodge funds remaining after allowing for the payment of affiliation fees and dues shall be distributed to Craft Masonic Charities only, under the direction

of the appointed committee, as stated in subsection 179 (b) (iii), and the Grand Master.

- (vii) The Grand Master, the District Deputy Grand Master, or such other brother as the Grand Master may appoint, shall carry out the "Extinguishing of the Lights Ceremony" by attending at the time and date specified for same.

Section 152 (a) be amended by adding after the word 'warrant' in line 2: "or a permanent name change uniting two or more lodges." Section 152 (a) to read:

152. Fees payable to Grand Lodge shall be as follows:

- (a) Two hundred dollars for a warrant or the replacement of a warrant or a permanent name change uniting two or more lodges.

Section 161 (c) be added to the Constitution.

161. (c) Notwithstanding Section 161 (b) the amalgamated lodge may elect to retain the surrendered warrant for historical, ceremonial or display purposes. Should the lodge so elect then a label, supplied by Grand Lodge, shall be affixed to the warrant indicating, that when the lodge no longer requires the warrant, it shall be returned to Grand Lodge in accordance with Section 161 (b).

Section 164 shall be amended by adding the following sentence at the end of the first sentence: "If a member elects to demit the lodge, assistance shall be provided, if requested, to locate a new lodge and if lodge finances permit his affiliation fee will be paid to the new lodge." Section 164 to read:

164. Every member of the lodges so amalgamated shall be a member of the amalgamated lodge, but a member may obtain a certificate of demission before the amalgamation has been effected. If a member elects to demit the lodge, assistance shall be provided, if requested, to locate a new lodge and if lodge finances permit his affiliation fee will be paid to the new lodge. A demitted member or a member under suspension for any cause shall have the same rights in the amalgamated lodge as he would have had in his own lodge, had the amalgamation not taken place.

Your committee finds this proposal regular.

13. The thirteenth proposal deals with amendments to Section 127 of the Book of Constitution and reads as follows:

Current Section 127 which reads "Fees to commute Grand Lodge dues shall be capitalized and allocated to a separate fund to be invested and the income therefrom together with not more than five percent of the aggregate capital of the fund at the commencement of the fiscal year may be transferred to the General Fund in any year of Grand Lodge, on requisition of the Grand Treasurer."

Be deleted in its entirety and amended to read as follows:

127. (a) Fees to commute Grand Lodge dues shall be capitalized and allocated to a separate Commutation Fund to be invested and the resulting investment earnings [consisting of the net total of interest, dividends, realized capital gains, realized capital losses and management funds resulting from the investments of the Fund] together with a portion of the capital of the fund at the commencement of the fiscal year, may be transferred to the General Fund in any year of Grand Lodge, on requisition of the Grand Treasurer, in accordance with the following.

- (b) As at May 1 of each year, the following two amounts will be identified in the balance of the Commutation Fund:

- (i) Net investment earnings credited to the fund during the prior fiscal year, identified as Earnings.
- (ii) Difference between the above Earnings and the balance of the fund, identified as Capital.

(c) Each year, after receipt of the lodge July returns referred to in Section 300, and after recording the life membership changes reported therein that are applicable prior to May 1, the balance of the fund as at May 1, will be evaluated by the evaluation calculation described under the Regulations Governing Life Membership Trust Funds and using the current ages of the commuted brethren and the current-year Grand Lodge fee described in Subsection 152 (m).

(d) If the balance of the Commutation Fund, as at May 1, is less than the amount of the evaluation calculated in (c), the investment Earnings of the fund in the prior fiscal year, up to the amount of the current-year Grand Lodge fees only, may be transferred to the General Fund, on requisition of the Grand Treasurer.

(e) If the balance of the Commutation Fund, as at May 1, equals or exceeds the amount of the evaluation calculated in (c), the current-year Grand Lodge fees for the commuted brethren may be transferred to the General Fund, on requisition of the Grand Treasurer.

(f) If, after the transfer of the fees described in (e), there is still a surplus of the balance of the Commutation Fund over the evaluation, a portion of the surplus equal to the excess of the prior year investment Earnings over the Grand Lodge fees transferred and up to 5% of the Capital portion of the fund identified in (bii), may be transferred to the General Fund of Grand Lodge, on the requisition of the Grand Treasurer.

Your committee finds this proposal regular.

14. The fourteenth proposal deals with "Regulations Governing Life Membership Trust Funds" that was adopted July 17, 1997, be amended as follows:

Regulation No. 1

Under "Amounts to be set aside in Sinking Fund for each \$1 of annual dues per member for LIFE MEMBERSHIP," amend four amounts as follows:

Opposite ages "50 - 54," amend Column B from 7.78 to 7.66

Opposite ages "55 - 59," amend Column A from 16.02 to 16.03

Opposite ages "60 - 64," amend Column B from "----" to 11.05

Opposite ages "90 >," amend Column A from 3.50 to 3.48

15. The fifteenth proposal deals with the wearing of Masonic Regalia and the proposal reads as follows:

Section 143 be amended by adding the following subsection:

It shall be the duty of the District Chairman to review, with the respective lodge, the circumstances of the grant recipient and determine if an application on the prescribed form should be resubmitted. (Refer to Sections 428, 429, 430)

Your committee finds this proposal regular.

17. The seventeenth proposal requests that Section 391 be amended by adding a new sub-section (e) that would read as follows:

[5] AND FURTHER THAT: Section 202 [c] be amended by deleting in the last line the words *having concurrent jurisdiction* and substituting the words *in the district*.

[6] AND FURTHER THAT: Section 219 be amended by deleting in line one the words *outside the jurisdiction of the lodge and*.

[7] AND FURTHER THAT: Section 247 be amended by deleting the words *the jurisdiction of the lodge* and substituting the words *the district in which the lodge is located*.

[10] AND FURTHER THAT: Section 324 be deleted in its entirety and substitute the following: *Any district or districts may, by a majority vote of the lodges in the district or districts, establish a Masonic Bureau. Those Masonic Bureaus in existence as at the 22nd day of July 2004 shall continue.*

[11] AND FURTHER THAT: Section 325 be amended by deleting in line two the words *an area* and substituting the words *a district or districts* and in line two by deleting the words *area having concurrent jurisdiction* and substituting the words *district or districts*.

[12] AND FURTHER THAT: Section 331 [a] be amended by deleting in line two the words *an area* and substituting the words *a district or districts* and by deleting in line two the words *having concurrent jurisdiction in that area* and substituting the words *in the district or districts*.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. C. E. Drew, seconded by M.W. Bro. R. E. Groshaw, and adopted.

To the Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my pleasure and honour, on behalf of the committee, which is composed of all of the Past Grand Masters, to present the report on the Grand Master's Address.

The gracious welcome to our guests and members, and the tribute paid to those of our dear brethren who have laid down their working tools, is heartily endorsed by the committee.

With great pleasure the committee recognizes the three deserving recipients of the William Mercer Wilson Medal, and joins with the Grand Master in extending congratulations, sincere thanks and best wishes to each of these distinguished brethren, who each personify the ideal mason, so eloquently described by M.W. Bro. Otto Klotz, and delineated in the General Charge.

The committee concurs with the recommendation of Past Rank on the brethren so named; and likewise with the recommendation of appointments to honorary membership on the Board of General Purposes.

The committee is pleased to endorse the recognition given by the Grand Master for the service on the Board of General Purposes, of R.W. Bro. Robert T. Runciman and R.W. Bro. Robert S. Whitmore; and the gracious acknowledgment of the Grand Director of Ceremonies, the Assistant Grand Director of Ceremonies, and their wives, together with the contribution of the Grand Chaplain.

The committee add their congratulations to the three brethren named by the Grand Master to receive the Meritorious Service Award; and to the six brethren recommended by the Grand Master to act as Grand Representatives.

The Past Grand Masters are appreciative of the gracious recognition of their contributions, and join with the Grand Master in acknowledging the dedicated service of the Grand Lodge Officers and the office staff.

The Grand Master has consistently provided leadership by example, redirecting attention to our existing programmes, with special emphasis on Masonic Education and Public Relations.

Our jurisdiction was particularly honoured when our Grand Master was elected Vice-Chairman of the North American Conference of Grand Masters, to be held in Calgary, Alberta, in February 2005, a fitting recognition of the esteem in which he is held beyond our borders.

The Grand Master concludes with a fitting tribute to his lovely wife Marion, together they have carried the heavy burden of office with grace and distinction, carrying into active operation their favourite quotation from Matthew 5:16. For all of their efforts, on behalf of all of the members who have been the beneficiaries, we express a sincere thank you.

Respectfully and fraternally submitted on behalf of the committee.

C. Edwin Drew, Chairman

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. M. Lee Shea, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Shea, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to be able to present this report on behalf of the members of the Blood Donors' Committee: R.W. Bros. William Henshall (Vice-chairman), E. Roy Harrison (Secretary), Terry Pachal, Gary Bloomfield, John Hunter, and Fred Collins; V.W. Bros. Jim Abrams, Arthur Stokes and David McCallum; and W. Bros. Terry Henderson, Lionel Rudd and Richard Hewitt.

On behalf of all of the members of the Blood Donors' Committee, I would like to express our sincere appreciation to the many enthusiastic District and Lodge Blood Donor Chairmen who continue to devote a great deal of their time and energy to promote and encourage their brethren, families, and friends to give the "Gift of Life."

We would also especially like to show our appreciation to all those individuals who donate blood on behalf of the various lodges. Individuals such as: Ms. Linda Duguay (57 on behalf of The Tuscan No. 195, London W), Ms. Lisa Campbell (25 on behalf of Doric No. 289, London W), Mrs. Anne Walker (489 on behalf of Delaware Valley No. 358, London W), Mrs. Joan Kirk (31 on behalf of Ashlar No. 610, London W), Mr. James Henderson (on behalf of Moffat No. 399, London E), Mr. Jim Hunter (on

behalf of London Daylight No. 735, London E), and Mr. Ray Davies (on behalf of Mt. Olivet No. 300, London E), Mr. George Finch (on behalf of Sarnia District), and Mr. Murray Finch (on behalf of South Huron District), just to name a few.

Some of the key objectives of this committee for the year were as follows:

Certificates – The committee will continue to produce computer generated certificates that recognize milestone donations. We will recognize milestones beginning at the 25 donation mark and at multiples of 25 up to 100, and at multiples of 50 thereafter. These certificates to be signed by our Grand Master. Appropriate certificates have been presented as reported for this Masonic year and continue to be distributed.

Recognition – The committee agreed to recognize the District with the highest number of donations for the year, the District with the greatest per capita donations, and the most improved District. I am most pleased to report the following recognitions:

- Most Donations – Algoma District
- Highest Per Capita Donations – Algoma District
- Most Improved District – Brant District

International Plowing Match – Although the booth from the Canadian Blood Services was not available this year for the plowing match, in Carleton Place, the Masonic Tent was well attended by many. This committee certainly appreciated the work of our member, R.W. Bro. John Hunter. The C.B.S. booth has been booked for the display at the International Plowing Match being held in Grey County, near Meaford, from September 22 to 26, 2004.

Masonic Blood Donor Pins – Masonic Blood Donor pins have been distributed for "First" time Masonic donors. Also, if a recipient of a milestone donation certificate doesn't have a pin, it was considered appropriate that he also should receive one. A new supply of pins will be required in 2005.

Ontario Mason Magazine – Two articles have been submitted to the Ontario Mason magazine for future editions. These pertain to special presentations made to two Masonic brethren. R.W. Bro. Gary Bloomfield of Algoma District who was recognized by C.B.S. as one of sixteen Canadians whose generosity saves lives by their countless whole blood, plasma, platelet, and bone marrow donations, and R.W. Bro. Clare Hatt who was recognized by C.B.S. and our own Blood Donors' Committee for his outstanding support of the Blood and Plasma donor programme. Clare has made 700 donations and was recognized as the top Blood and Plasma Donor in the country.

Communications – As many of this committee's members are spread across the province, from Thunder Bay in the North-West to Spencerville in the South-East, attending meetings becomes very difficult. Thus, e-mail communication becomes very important. As each committee member serves as a regional chairman, each being assigned a group of districts (3–6), they then become the link for communication between this committee and the 46 District Blood Donor Chairmen. Likewise, communication from the districts and lodges, returns to this committee through these regional chairmen.

Unrelated Bone Marrow Registry – As a part of the mandate of the Blood Donors' Committee, we are: "To raise the awareness of and encourage the brethren, their families, and friends, to consider participation in the Unrelated Bone Marrow Donor Registry."

Listed below are the numbers of plasma, platelet, and whole blood donations by district to March 31, 2004, our year end.

Conclusion – Many changes have taken place in the Blood Donor programme since it was instituted by the late M.W. Bro. Harry L. Martyn in 1958. Although our mandate has changed somewhat, the original terms of reference are still applicable today – "to assist agencies working in this field and to keep identified with their wonderful work." The need for blood and blood products continues to grow. This is due in part to:

- a) more complex surgeries
- b) more organ transplants
- c) more aggressive treatment of cancer and heart problems
- d) an aging population

Canadian Blood Services are promoting a "Donors for Life" programme in an effort to try to keep up with the demand for blood products. It is simply a programme made up of thousands of Canadians like you, willing to make the commitment to give blood, plasma, or platelets regularly, at least four times a year. You can join by simply speaking to a C.B.S. representative at your next local Blood Donors' clinic.

The Appointment System also continues to be promoted by C.B.S. and is gaining in popularity. The main advantage for making an appointment seems to be "time." According to a satisfied donor, "I like the appointment system—much more efficient use of my time." However, it is also still important that walk-in's be accommodated as quickly as possible. We do not want any hopeful donor to be turned away because he does not have an appointment.

Everyone is not able to donate blood due to so many restrictions. Yet, Masons, their families, friends, and neighbours, continue to generously support in other ways and ensure that the supply of the "Gift of Life" is there when needed.

Finally, the committee wishes to thank all those who contribute to the Masonic Blood Donor programme – donors, phone and clinic volunteers, lodge and district blood donor chairmen, and the D.D.G.M.s. Their contributions are important to the success of this programme. The need for blood and blood products is greater than ever now and we pledge our support to maintain that the "Gift of Life" is there when the need arises. Special thanks to Janine Smith, Clinic Recruitment Co-ordinator, and the C.B.S. staff across the province for their continued support and assistance. If you knew you could save a life – would you? Give the "Gift of Life."

Respectfully submitted on behalf of the Blood Donors' Committee.

M. LEE SHEA, Chairman

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. R. S. Whitmore, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Whitmore, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is the role of the Discipline Committee to oversee matters and procedures pertaining to Masonic discipline as defined and set out in our Constitution. As such, we are called upon to advise the Grand Master and also to review recommendations made by a Board of Appeal, review verdicts and punishments imposed by any Trial Commission and to review any application for restoration.

This has been a relatively quiet year for our committee and there have not been any Masonic trials conducted during the past twelve months. Accordingly, we have not been called upon to review any verdicts or punishments nor have there been any decisions made by any Board of Appeal or any applications to a lodge for restoration.

We are pleased that there have been no Masonic trials this year. Such matters are very serious and, as has been stressed in many earlier reports, are to occur only in appropriate circumstances. To that end amendments were passed by this Grand Lodge in 2001 specifically to empower the Grand Master to direct attempts to mediate, reconcile and adjust disputes that arise from time to time which, although not appropriate for invoking the full, formal discipline procedure leading to a Masonic trial, certainly fester among the brethren involved and result in disruption and a breakdown in the harmony of the lodge involved.

Although there were no actual Masonic trials, we do advise that since our report to you last July there were two situations where Masonic complaints were laid and were referred to Reviewing Committees established pursuant to our Constitution. In both cases, the Reviewing Committees determined that there were no reasonable grounds to support the complaints and accordingly these matters stand dismissed and the details remain confidential.

One request was received for a Certificate of Severance and this was granted. Doing so saved both the man making the request and the lodge the disruption and stresses of conducting a Masonic trial and we applaud the practical and realistic approach taken by all concerned in adopting this very useful procedure as set out in our Constitution for such circumstances.

Finally, I report to you that there was one instance where the Grand Master decided, pursuant to the Constitution and after full investigation and taking steps to encourage a reconciliation, that the matter had been a private pique and quarrel and further action was not required.

In closing, I wish to express my personal thanks for the guidance, wisdom and generous assistance provided to me by our Grand Master, M.W. Bro. Donald H. Mumby, the Grand Lodge staff, our Grand Secretary, M.W. Bro. Robert J. McKibbin prior to his death, our Interim Grand Secretary, M.W. Bro. Terence Shand, and all other members of the committee, namely; M.W. Bros. R. E. Davies, N. Richard Richards, Ronald E. Groshaw, William R. Pellow, David C. Bradley, N. E. Byrne, C. Edwin Drew, Durward I. Greenwood; R.W. Bros. R. T. Runciman, J. W. Lidstone, Dale Olm, and V.W. Bro. F. Halpern. Their contribution has been invaluable and I extend my sincere personal thanks to each of them.

All of which is respectfully submitted.

ROBERT S. WHITMORE, Chairman

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It was my privilege yesterday morning, July 20, 2004, to report on behalf of the Board of Directors to the Forty-first Annual Meeting of the Masonic Foundation of Ontario, held at the Fairmont Royal York Hotel, Toronto, Ontario.

The charitable support provided through the Masonic Foundation this past year made a significant difference in the lives of many members of our community who required that small boost to lift them over a bump on their road of life – that simple, but significant, act of charity. Highlights of activities have been provided by the responsible program chairmen and form a part of the Annual Report.

Whether it is in lodge or the business world, good communication is the key to success – a point that has long been recognized by the Masonic Foundation. Several new initiatives were launched this year to reach our donor audience, including an independent Web site dedicated to the Foundation and a new brochure. These initiatives describe what the Foundation is and the charitable programs that it supports. Of course, the best of plans, the finest of programs, or the flashiest of advertising would be of little avail if there were not the means for putting them into action. The Masonic Foundation was fortunate to have a cadre of Directors and Committee Chairmen who gave unstintingly of their time and talent over the past year to ensure that its various programs were advanced to the benefit of the recipients. The personal commitment of the Directors to all aspects of the Foundation, coupled with their individual professionalism, have contributed significantly to a successful year.

The Foundation continues to enjoy a close and cordial relationship with Grand Lodge. In his travels, M.W. Bro Donald H. Mumby, Grand Master, has personified this rapport by promoting the programs of the Foundation and the need for Masons to practise charity in all of its various forms.

For the past number of years, Grand Lodge has allowed the Foundation to operate as a subsidiary to its Web site. This enabled the Foundation's work to gain wide exposure to the point where it was decided to establish an independent Web site. The Board of Directors expresses its sincere appreciation to Grand Lodge for extending this courtesy.

The Foundation's charitable programs are directed outward to the community at large. Much of that support is aimed at helping the youth of Ontario to become the best that they can be through bursaries to senior university and college students, hearing research, drug and substance abuse education in the school systems, assisting hearing impaired and autistic children and supporting organizations that help our youth prepare to become the leaders of tomorrow.

Two years ago, the Foundation developed a Strategic Framework to assist in guiding its management with a focused purpose over the years – a seamless flow from one year to the next. The Directors have been diligent in following and revising this plan; a number of identified targets were achieved this past year, including: updating the brochure; promoting the Sesquicentennial Program; creating an independent Web site; initiating an "Ask the President" section on the Web site to promote dialogue with our donor base; conducting a workshop in Orillia for interested Masons; and publishing Foundation articles in *the Ontario Mason*.

When the Project H.E.L.P. Campaign ended 25 years ago, a long-standing tradition was started: financial support of hearing research. Research is a methodical process; quick successes are a rarity. Support must be viewed as a long-term investment.

Support of hearing research now accounts for 40% of annual donations. We can be proud of the medical progress that our support has helped to create. The ultimate goal, of course, is to learn how to reverse the cause of deafness in babies and young children. While that secret remains to be unlocked, steady progress has been, and continues to be made in helping hearing-impaired children to cope with their affliction in everyday life. In February, the third annual payments of \$35,000 each were made

to the research projects supported by HELP-2-HEAR: at the University of Western Ontario, to develop state-of-the-art methods for assessing hearing loss in infants and methods/protocols for the prescription, fitting and verification of hearing aids for small ears; at the Hospital for Sick Children, to conduct neuro-imaging studies in children with hearing loss; and at the University of Ottawa, to undertake a longitudinal study investigating the impact of hearing screening on the functional status of hearing-impaired children.

Unrestricted net assets at March 31, 2004, amounted to \$7,729,487, an increase of \$325,050, or 4.4%, over the March 31, 2003 balance. Income earned on the capital during the year amounted to \$426,210. Total donations received through the Yellow Envelope continue to remain constant, but are still only 45% of annual returns prior to the HELP-2-HEAR Project. Yellow Envelopes brought in \$32,411, while other member and lodge contributions amounted to \$31,430. A number of lodges use the Grey Memorial Envelope to promote memorial donations in memory of departed brethren; an additional \$19,250 was donated in this manner. Bequests received from ten estates contributed a further \$233,771.

Foundation-supported programs received grants of \$383,445 during the past year. In addition to \$155,000 for hearing research, major recipients included: 127 bursaries totaling \$98,710; Nip Drugs Peer Education through CODA and PAD, \$75,000; Kerry's Place-Autism and VOICE for Hearing Impaired Children, \$13,500 each; and youth organizations, \$7,000. In addition, several Districts partnered with the Foundation to undertake local projects, contributing \$175,223 to assist such diverse causes as: a capsule endoscopy program (a pill-sized camera swallowed by the patient); visually impaired children; colon/prostate/breast cancer research; pediatric diabetes research; pediatric cancer research; and Wegner's Disease.

Notwithstanding the exceptional financial support received over the years, a general lack of knowledge about the Foundation and the programs that it supports seems to persist among both the general public and our own Masonic membership. The Foundation has made good progress this past year in getting its story out to those who are interested through the new brochure and dedicated Web site. Communicating with the potential donor base, however, must continue to be a high priority in the coming years. It is essential that donors be kept informed of the work and needs of the Foundation, so as to continue to warrant the Foundation being a Mason's "Charity of Choice", and to raise general donations back up to, and beyond, the pre-HELP-2-HEAR level.

An excellent chance to bring Masonic Charity to public notice will be through District projects carried out over this coming year under the Foundation's Sesquicentennial Program to celebrate the 150th Anniversary of our Grand Lodge. The \$150,000 available from the Foundation (up to a maximum of \$3,500 per District) is earmarked as a catalyst to stimulate these local projects to financially assist a District-identified need from which the community will benefit.

The Sesquicentennial Program promises to be exciting; however, we must not lose sight of the other good work done by the Masonic Foundation. We must continue to promote personal contributions, such as those via the Yellow Envelope and Planned Giving, to replenish the Capital and enable continued support of existing programs without diminishing their beneficial effect on the community.

While the Board of Directors steers the Foundation's course, it is the Masons of Ontario who provide the motivation and the financial means to achieve its destination. During the forty years of its existence, the capital assets of the Foundation have grown

from \$160,000 to \$8 million, enabling the Foundation to contribute \$6.5 million over that period to worthy causes throughout Ontario. The many successes achieved by the Masonic Foundation of Ontario are yours to enjoy, for it has been the individual Mason personally supporting the work of the Foundation who has made it happen. Take personal pride in what you have helped to accomplish.

Charity is a cornerstone of Freemasonry. For the past forty years, the Masonic Foundation has been the vehicle for carrying charity to those in our community who need a helping hand. As Masons, our duty is to expand the Foundation's ability to assist neighbours in need – our reward is to experience the pride of doing the good act, not for ourselves, but *for the cause of good*.

It has been my privilege to preside over the Foundation for the past five years as custodian on your behalf, as it is:

Your Masonic Foundation of Ontario...

Your legacy for the betterment of future generations.

Respectfully submitted on behalf of the Board of Directors and Officers of the Masonic Foundation of Ontario.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. B. J. Hutton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hutton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The committee has reviewed the reports of all District Deputy Grand Masters for 2002–2003 and presents the following observations and recommendations:

Membership

Membership continues stable with almost half of the lodges reporting steady membership. Thirty-seven percent reported declining numbers with the balance increasing. Some of the increases can be attributed to the fact that the total number of lodges continued to decline (from 639 for 2001–2002 to 621 for this reported year) and many of the members from those lodges are hopefully affiliating with other lodges. Many lodges show Past Masters in some of the progressive chairs. This may be due to newer members not prepared to commit as an officer or Past Masters stepping in to give junior officers an opportunity to grow in their chairs. While almost 80% of the

lodges indicate the use of the Mentor programme and 60% of the lodges indicate the use of the Brother-to-Brother plus Friend-to-Friend Grand Lodge programmes, the committee questions the level of commitment to those programmes. The new reporting forms being used for this Masonic year should provide greater information on some of these questions.

Recommendations

- *Promote education and training of officers and committee members.*
- *Promote assistance and guidance for succession planning.*
- *Promote long range planning.*
- *Encourage newer members to bring forth their ideas. "Think outside of the Box."*

Special Events

It appears that the lodges that are actively involved in lodge visitations (66%), Masonic education (55%) and community projects (23%) are healthier lodges. Those that do not take advantage of these opportunities appear to be struggling. The "checklist" format makes it difficult to determine more specific results of these events. Once again, the new format should offer a better analysis.

Recommendations

- *Promote involvement of the lodge in visitation.*
- *Promote Masonry through community involvement by the local lodges, a win-win situation.*
- *Promote involvement by all members in lodge activities.*
- *"What you have seen praiseworthy in others, it is expected you will carefully imitate."*

Requests for Assistance

The committee reports very similar results as for past years. This section is usually left blank, even in those lodges that appear to be struggling. Those reports in which assistance was requested rarely indicated the steps taken or the results.

Suggestions have been made by the D.D.G.M.s that lodges consider amalgamation. It is important that any such approach follow a proper process to insure that every member has an opportunity to decide on the lodge's future.

Recommendations

- *Institute a formal process, made clear to all lodges, to encourage them to request assistance.*
- *All requests for assistance to be directed through the D.D.G.M. who will insure that they are addressed in a timely manner.*

Finances

The reports show that over 7% of the lodges acknowledge that they are experiencing difficulty in their finances. Only 54% of all lodges prepare an annual budget and just 36% have developed a long-range plan. Over 65% of the lodges continue with a life member programme but many of those do not keep a separate Life Member Account in accordance with the Constitution. The financial records submitted make it difficult to properly analyse the financial stability of the lodge. Increased operating costs combined with lower return on investments make financial planning a key issue. Sound financial management is increasingly important and the advisory committee on Lodge Finances is available to provide assistance, but they can only assist when they are aware of a concern.

Recommendations

- *Promote the necessity for a sound financial budget, planning and reporting.*
- *Promote the use of the financial package format developed by the Grand Lodge committee on Lodge Finances.*

Lodge Records

The reports indicate that over 60% of the lodge Secretaries are now using electronic processes to record the proceedings of the lodge and almost 40% of the Treasurers are doing the same. Also, it appears that both back-up and hard copies of these documents are becoming a permanent part of the lodge records.

Recommendations

- *Guidelines must exist for the maintenance of official lodge records. If lodge records are computerized these guidelines must address issues such as ownership of the computer hardware, back-up and recovery, off-site storage, security, compatibility of software, durability of the hard copies, etc.*
- *Continue with the assistance provided by the Computer Resource Committee.*

Lodge Buildings and Chattels

60% of the lodges report they are administered by a corporation. Although the reports indicate that very few of the lodges require assistance in this area, those that do, have found themselves in a difficult financial position if they had not foreseen these necessary expenditures.

Recommendations

- *Encourage lodges to investigate the benefits of incorporation.*
- *Encourage maintenance and appearance of our lodge buildings.*

Work in the Lodge

As this section is subjective, the committee must rely on the DDGM to reflect their feelings on proper presentation. Although the reports have shown that most lodges proudly present the work, protocol and fellowship in the lodge and during the banquet time, concerns have been indicated in the following areas:

1. Almost 10% of the work in the lodge is less than sufficient.
2. Almost 12% of the lodges appear to show a lack of planning with both the lodge work and at the banquet festivities.
3. Almost 15% of the lodges are less than sufficient with proper protocol.
4. And very importantly, over 10% of the lodges provide an atmosphere that is less than sufficient.

Recommendations

- *Continue to enforce the pride that comes with the quality of our work and protocol that differentiates our fraternity.*
- *Continue to promote the programmes offered by the Masonic Education committee and the Membership Resources committee, including Mentors, Friend-to-Friend, Brother-to-Brother and Officer Progression.*
- *Encourage line officers to participate in workshops and Lodges of Instruction.*
- *To maintain the time honoured traditions of our protocol it is recommended all officers be encouraged to read and use "Meeting the Challenge," "The Masonic Manual" plus "Good Manners, Customs and Proper Usage" as promoted through the Lodge of Instruction.*

- *Consider a programme for Past Masters and Past Grand Lodge officers to promote and assist line officers in the discharge of their duties as well as the presentation of these programmes.*

Lodge Summons

A few of the lodges are still missing information on required Grand Lodge and District officers that the Brethren should be aware of. It was felt by the previous committee that the Grand Lodge Public Relations Committee would be in a better position to review this information on an ongoing basis and therefore the revised forms do not address this issue.

Recommendation

- *Request that each lodge forward a copy of their summons to the Grand Lodge Public Relations Committee for review.*

General

Revised forms have been provided to this year's D.D.G.M.s, which will hopefully provide more information for this committee to properly evaluate and assist all lodges in this jurisdiction. It is important that these forms be passed on to the respective lodges well in advance of the visitation of the D.D.G.M. so that the lodge secretary has ample time to properly complete the information. District Secretaries should be reminded of the importance of having accurate and truthful information to accurately evaluate the condition of Masonry throughout our jurisdiction.

The committee wishes to acknowledge the efforts of our Lodge Secretaries, District Secretaries and D.D.G.M.s in the completion of these reports. The information gathered is so valuable in helping set the future direction of the Grand Lodge programmes. The committee is also grateful to the Grand Secretary and the staff at our Grand Lodge office for their assistance throughout the year.

All of which is respectfully submitted on behalf of the committee members: V.W. Bros. Keith Anderson, Ian Dale; R.W. Bros. Paul James, George McCowan, Robert McKee, Edward (Ted) Rutter and Robert (Bob) Taylor.

The attendance has been excellent. A database of the attendees names and lodges is updated after each seminar, so that we have a record of those lodges which are eligible to use the system. The average attendance from each lodge was 2.3 members, with the Secretary being in the majority.

In each of the seminars, it is strongly noted that the Grand Secretary, Grand Master and D.D.G.M. MUST receive their summons in printed form and delivered by regular surface post.

Roadshow Seminars

The committee was asked to and did participate at each of the "Roadshow Series" of seminars conducted by the Seminars and Workshops Committee during the Fall of 2003, as well as four of the Winter and Spring sessions in 2004. Our thanks to R.W. Bro. William Thompson, Chairman, for including us in these presentations.

During the Annual Communication in July 2004, this committee will conduct 3 seminars on Tuesday, July 20th, in order to let those lodges which missed the seminar and are present at the Annual Communication to attend and qualify to use the system.

In conjunction with R.W. Bro. Barry Hutton, the D.D.G.M. Reporting Forms have been converted by this committee so that they can be filled in on a computer and printed. These computer files were placed on CD's and introduced to the D.D.G.M.s at their meeting with the Grand Master on January 10, 2004. The files are also included in the CD which is now used at the E-mail Seminars. A number of Secretaries have expressed their appreciation.

Also, the Report of Officers, used after Installation, is included on the CD and is used in the same way.

The conversion of the Semi-Annual Return for computer use is in progress and will be available for distribution in the early Fall of 2004.

Update for our blind brethren

The new CD for our blind brethren is now ready. It has been revised to contain the complete contents of the following books: "Meeting the Challenge" and "Mechanics of the Work and Guidelines for Lodge Officers." Remember that this CD is available only by request from the lodge, signed and sealed, approved by the D.D.G.M. and forwarded to Grand Lodge.

Privacy Policy

The Privacy Policy for the Grand Lodge Web Site (www.grandlodge.on.ca) is now in place on the site. This was a co-operative effort and many thanks are due to R.W. Bro. Runciman, V.W. Bro. Halpern, R.W. Bro. Whitmore and M.W. Bro. Byrne for their unstinting support and assistance. For the record, much research and comparison of existing Privacy Policies which were available in print and on the net was conducted. It is hoped and expected that the individual lodge and district Web Sites will follow our lead and adopt the principals contained in our displayed policy.

A Privacy Policy for Grand Lodge is in progress, following the general outlines of the Privacy Policy for the Grand Lodge Web Site.

Proceedings

The Proceedings for 2003 are now in CD format and copies have been provided to Grand Lodge for approval. The use of this medium should result in considerable cost savings in the delivery of our Proceedings to foreign jurisdictions.

Registration

The electronic registration process is now an ingrained fact in the life of our Grand Lodge. The work that goes on behind the scenes in the preparation of the software, hardware and database files that makes this possible is largely conducted by W. Bro.

Kris Nickerson, P.M. of The Barton Lodge No. 6 in Hamilton District A and the staff at Grand Lodge. Our thanks are cordially extended to all of them and the Grand Secretary for their assistance and dedication.

Grand Lodge Web Site

R.W. Bro. James Kirk-White was elected in July 2003 as the District Deputy Grand Master of Muskoka-Parry Sound District. He has conducted his duties as District Representative of the Grand Master with distinction and honour and, while performing that herculean task, he occasionally changed hats and kept our Grand Lodge Web Site current and vibrant. Congratulations, R.W. Sir.

Miscellaneous

The purchase of two additional computer projectors and the appropriate laptop computers has been completed. These have been in constant use by the Grand Lodge committees since purchase and have greatly enhanced the effectiveness of their presentations.

The process of upgrading the computer programming for our Grand Lodge Office is in progress. The selection of newer software is necessary in order to better handle the demands of the future.

The members of the Computer Resources Committee, W. Bro. Donald Reekie, R.W. Bro. Peter Irwin, W. Bro. Kris Nickerson, V.W. Bro. Peter Scott, R.W. Bro. James Kirk-White (Web Master), R.W. Bro. Robert Manz and the District Representatives are all responsible for the successes of this committee. A special thanks to the Grand Secretary and his staff for their input and assistance throughout the past year.

Respectfully submitted on behalf of the committee.

BRIAN BOND, Chairman

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. P. E. Todd, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Todd, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is the report of the Long Range Planning Committee and it is given on behalf of the following team members: R.W. Bro. Frank M. Wilson, Vice-Chairman/Secretary, R.W. Bros. John S. Ault, John Hough, Rudy Mulack, James Oliver, David Slater; V.W. Bro. Garry Fitzpatrick, and W. Bro. Ben Palmer.

On behalf of the Long Range Planning Team, I would like to express our sincere thanks to all District and Lodge Chairmen of Long Range Planning who expended a great deal of time and energy in promoting Long Range Planning in their district and lodges.

WINS Chart of the Strategic Plan

In August of 2003, the Long Range Planning Committee prepared the WINS chart, which is the measuring component of the Grand Lodge Strategic Plan 2003-2008.

The Deputy Grand Master, R.W. Bro. Gary L. Atkinson, required each Grand Lodge committee chairman to set out their initiatives for the Masonic year 2003–2004, under the following Key Result Areas of the Strategic Plan: Fraternal Environment, Leadership Development, and Communications.

To further assist the Grand Lodge chairmen in setting their initiatives, the following questions also had to be answered in the positive.

1. *Will this initiative advance the Strategic Plan, Key Result Area?*
2. *Will this initiative grow Freemasonry in Ontario?*
3. *Will this initiative identify the product/service your committee provides?*

The President of the Board of General Purposes approved 188 initiatives for the 30 committees/sub-committees. This was a 26.38 percent increase over the previous year. At regular intervals during this Masonic year, Grand Lodge committee chairmen reported to the Deputy Grand Master and the Advisory Committee the progress their committees were making as it relates to their initiatives set forth in August.

The progress was tracked on a coloured spread sheet using a simple formula of: green – initiative completed, yellow – initiative with some activity, red – no activity yet! Using last year's (2002–2003) 97 percent success rate of completion as a target, the committees of your Grand Lodge hope to improve the completion percentage this year.

Recommendation

The continued use of the WINS chart would be greatly aided by the inclusion of the Key Results Areas of the Strategic Plan, along with the three questions to be answered, in the information package, which is given to each Grand Lodge chairman when he receives his assigned committee.

Long Range Planning Committee Meetings

Due to the diversity of the geographical location of the committee members, the committee meetings were held in different Masonic Centres in Ontario to lessen the burden of travel. The first and second meetings were held in the Barrie Masonic Centre, on October 18, 2003, and January 31, 2004. The third and final meeting was held in North Bay on May 15, 2004.

The following are some of the items, although not all of the items discussed at these meetings, some with recommendations to the Board of General Purposes for the long-term benefit of the Craft and others still on going.

- (a) Evaluate the appeal of Masonry to different cultures. Does our membership reflect the diversity of the population?
- (b) Promote the Long Range Strategic Plan at the District level first, using the Grand Lodge Plan as a template.
- (c) Review the District Deputy Grand Master's feedback session at Grand Lodge in July 2003 and make recommendations to the Board of General Purposes.
- (d) On going discussion regarding amalgamations, as it relates to assisting lodges in making the decision to investigate the pros and cons of starting the amalgamation proceedings.
- (e) Development of a presentation programme for the Regional Seminars and Workshops, also the seminar at Grand Lodge.
- (f) Discussion on concepts, as it relates to the election of the District Deputy Grand Masters for Districts not using a rotation method.

Recommendation

To continue the rotation of committee meetings into different Masonic Centres, along with the competition of outstanding items listed above, with either recommendations or more research and development on items not completed.

Seminars and Workshops

This year, the Seminars and Workshops Committee took their "Road Show" to eleven different cities and towns, and Long Range Planning participated in all events. The committee developed a presentation both in Power Point and overhead slides, which was presented in a one-hour format. The presentations encouraged districts to develop their own Long Range Plan, using the following components of the Grand Lodge Strategic plan as a template: Vision Statement, Mission Statement, Key Result Areas, Strategies, Initiatives, and a Measuring Component.

The committee was invited back to several districts, notably St. Lawrence, Ottawa 1, Peterborough, to give a more in-depth presentation, to assist these districts in developing their District Long Range Plan.

Recommendation

During the Masonic year, the Long Range Planning Committee, along with other committees of Grand Lodge, made several suggestions to the Workshop and Seminars Committee for small changes to be made to the "Traveling Road Show."

The committee also made a request to Grand Lodge that the Long Range Planning Committee be increased in membership. A larger committee from all parts of the Province would allow the committee not only to participate in the "Traveling Road Show" but also to give more "personal attention" to all districts with the development of their Long Range Planning. These suggestions have been taken under advisement by the authorities having jurisdiction.

Other Tasks

The Membership Resources Committee request that a Long Range Planning section be prepared for inclusion into the Brother to Brother Tool Kit; this task was completed by Vice-Chairman R.W. Bro. Frank Wilson and sent to the Membership Resources Committee for review.

The committee also revised the "Masonic Score Sheet," which can be used by individual lodges to self-evaluate themselves, using ten sections, with a perfect score of ten for each section.

Sections included: Candidates, Membership Attendance, Social Activities, Business Operations, Lodge Work, Esprit de Corps, Grand Lodge Programmes, Attendance at District Events, Banquet Hour, Past Master in Line Chairs.

With the assistance of the Computer Resources Chairman, R.W. Bro. Brian Bond, and the Grand Lodge Web Master, R.W. Bro. James F. Kirk-White, the Long Range Planning Committee became part of the resource area of the Grand Lodge Web Site.

Included in the presentation is a explanation of the committee's work, along with the committee chairman's contact numbers. A visitor to the site can also download for printing, the Strategic Plan 2003–2008 of our Grand Lodge and the WINS tracking score card which lists the initiatives of all Grand Lodge committees along with their up-to-date score.

The ABC Desk Reference Booklet, developed by R.W. Bro. Frank Wilson is a resource booklet of ideas to help lodges improve attendance, membership, and business practices along with community visibility. It also contained suggestions of social events

for members and non-members. The booklet was included in all District Deputy Grand Master handouts at the start of their Masonic year. A limited number of copies were also available for handout at the Seminars and Workshops presentations.

The Chairman of Long Range Planning presented a paper titled "Welcome to the Last Two Decades of Masonry" to the District Deputy Grand Masters at their mid-winter meeting held at the Scarborough Masonic Centre. The paper proposed that without a Long Range Plan, and with continued declining membership, we might well be into our last two decades of Masonry in Ontario; however, most District Deputy Grand Masters reported that Long Range Planning was a priority in their District giving one hope that this prediction will never come true.

The Committee's Long Range Plan

- To continue the work begun at the committee level, with recommendations to the Board of General Purposes
- To participate in the revised "Traveling Road Show" of the Seminars and Workshops Committee
- To monitor and assist districts in developing their Long Range Plans
- To participate in the seminars at the 2004 Annual Communication of Grand Lodge
- To continue development of the Grand Lodge Web Site resource area as it relates to Long Range Planning
- To carry out the updating of the Strategic Plan of our Grand Lodge
- To participate in the District Deputy Grand Master "feedback" session at this Annual Communication

In conclusion, I would like to commend the dedication and commitment of each committee member in promoting Long Range Planning in this Grand Jurisdiction.

On a more specific note, I would like to personally thank R.W. Bro. Frank Wilson, Vice-Chairman, who deserves a "*that a boy*" award for going above and beyond the call of duty. He was, and is, the cornerstone of this committee.

Respectfully submitted on behalf of all Team members.

PAUL E. TODD, Chairman

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. W. J. Matyczuk, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Matyczuk, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Benevolence Committee is pleased to report that during the year ending April 30, 2004, there was disbursed, in the interest of benevolence, 12 grants and Christmas gratuities from the Memorial Fund totaling \$31,729.00. In addition, \$11,000.00 was paid for services provided by our Grand Lodge staff and \$8,384.74 was paid to the investment firm of Scotia Cassels Investment Counsel Limited for investment management fees. Total expenditures were \$51,113.74. Income on investments was \$53,177.27, and bequests and donations of \$905.00 were received. Hence, a net profit/loss resulted of \$2,968.53.

Benevolence Report

The annual meeting of this committee was held on April 15, 2004, in the Board Room of the Grand Lodge Memorial Building, Hamilton, Ontario, and 16 applications were reviewed. We express our appreciation to the District Deputy Grand Masters, their District Benevolence Chairmen and the many lodges for their ongoing diligence and care in monitoring the requirements for assistance in their areas. We also commend those districts for the reappointment of their District and Lodge Chairmen of Benevolence, thereby providing continuity, experience and knowledge to the benevolent process which is essential to our collective responsibility in fulfilling the mandate of providing care for our members and their dependents who require assistance.

Early in the year your committee developed a power-point presentation re "Lodge and Grand Lodge Benevolence" designed for a workshop/seminar setting. Copies of this programme, complete with script and disk, were made available in (9) areas throughout our jurisdiction for District Chairmen to utilize. Members of the committee are prepared to act as a resource.

During the past year, the committee made presentations of this programme in 10 locations from Fort Frances to Ottawa and points in between.

The committee has received completed "Lodge-District Benevolence Questionnaires" from a good number of districts as a result of a package sent out in the early fall of 2003. A summarized analysis of this questionnaire will be presented to the Board at our Annual Communication in July.

Your Benevolence Committee extends sincere appreciation to the Grand Secretary, M.W. Bro. T. Shand, for his counsel and guidance and to the Grand Lodge staff, Mrs. Dorothy Chalmers and Mrs. Stacey Birks for their dedicated efforts and continued assistance.

Respectfully submitted on behalf of the committee: R.W. Bros. T. R. Davies, P. J. Mullen, K. L. Whiting, G. W. Nelson, E. G. Finkbeiner, L. W. Hammell, R. C. James, R. E. Kerr, J. Trousdale, J. W. Murphy, D. K. Bromley, J. A. R. Keith and D. A. West.

WALTER MATYCZUK, Chairman

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. E. Lewis, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Lewis, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The duties and responsibilities of the Committee on Audit and Finance of Grand Lodge are set forth in the Book of Constitution in subsection 136(a) and the committee now reports to Grand Lodge on the discharge of these several duties and responsibilities.

Activities

Again, the Committee on Audit and Finance continues to review the monthly financial statements as prepared by the Grand Lodge office and compares the results of operations and financial position of Grand Lodge to budget. The results of operations and financial position compared favorably to the budget adopted last year for fiscal

2004 for the General Fund. As indicated in the audited financial statements, the statement of operations for the General Fund resulted in a deficiency of \$42,656 as compared to a budgeted deficit of \$77,300. The improvement from the budget was basically as a result of the decision by the Grand Treasurer and in concert with the Audit and Finance Committee to exercise his authority pursuant to Section 127 of the Book of Constitution to transfer an additional \$33,700 from the Commutation Fund to the General Fund, given that there was a surplus in the Commutation Fund.

The committee has once again reviewed and considered the Annual Reports of the Grand Secretary, Grand Treasurer and the Auditors' as referred to in these annual proceedings. These reports were found to be most informative and complete in all material respects. Accordingly, the committee recommends the adoption of these reports.

Last autumn, your chairman and members of the Audit and Finance Committee assisted the Grand Lodge office during the illness and subsequent death of our former Grand Secretary, M.W. Bro. R. J. McKibbin. On the appointment of M.W. Bro. T. Shand, as Grand Secretary, we assisted him in the transition.

Due to the cancellation of a portion of the Grand Lodge insurance coverage when the new policy took effect last year, the committee with the assistance of R.W. Bro. J. Sutherland undertook a comprehensive review of the overall insurance coverage maintained by Grand Lodge. We are pleased to report that we have changed carriers and the lost coverage will be reinstated with the renewal of the former policy this September.

Concerned with the continual decline in membership and the related financial impact that this fact has on our Grand Lodge's financial operations, your committee undertook a review of the membership statistics from 1990 to 2003. This review disclosed that our Grand Lodge on an average is experiencing an annual net decline of membership in the amount of 2,234 members. These statistics, together with the supporting schedule, were reviewed in detail by the committee and in turn were submitted to the Management Committee for consideration and action.

Likewise, a concern with respect to the Programme Fund and the decline in contributions, which ultimately will impact the projects funded through this programme, resulted in your committee doing an analysis of the history of this fund and provided for projections for fiscal 2004 and 2005. The seriousness of the decline in the revenue received and the ultimate future of the Fund prompted your committee to submit their findings to the Management Committee for consideration, with the result that disbursements from this fund have been greatly reduced. The Grand Master ordered that an ad hoc committee be formed to determine ways and means to rejuvenate the fund and report back to him.

As indicated in last year's report of the Audit and Finance Committee, the committee undertook a comprehensive review of the Commutation Fund and the regulations governing the fund as outlined in the Book of Constitution. Appropriate amendments to the regulations have been submitted for your consideration.

An ad hoc committee was formed to establish a set of guidelines and review committee expenses that are eligible for reimbursement. The findings of this ad hoc committee have been received by the Audit and Finance Committee and in turn have been forwarded to the Management Committee for consideration.

INVESTMENT PORTFOLIO

The Grand Treasurer, in his report, reviewed the status of the Grand Lodge Investment Portfolio. We are pleased to report that there has been significant

improvements in the performance of our investments and the fund now stands with a market value of approximately \$4,315,000 as compared to \$4,148,000 at April 30, 2003. Generating investment income continues to be a challenge, given the historic low investment returns on fixed income securities and given that by mandate 70% of our portfolio is invested in fixed income securities. Nevertheless, our portfolio is performing as well as can be expected.

During the past year, at the request of the Grand Treasurer and in concert with the Audit and Finance Committee, we recommended to the Management Committee the engagement of R. S. K. Bell & Associates, an independent organization, to review the composition of the portfolio and the performance of the portfolio as administered by our investment portfolio managers Scotia Cassels Investment Counsel Limited. This review commenced from 1990 to date. We are pleased to report that we received a favorable report on the overall performance of the investments over the years and this report was reviewed by the Audit and Finance Committee and subsequently submitted to the Management Committee for consideration.

Accordingly, we would recommend that Scotia Cassels Investment Counsel Limited continue to be engaged as the Grand Lodge portfolio managers and that the Investment Plan remain the same in that our investment asset mix stay at 70% debt securities and 30% equity investments.

FINANCIAL STATEMENTS

The audited financial statements for Grand lodge for the year ended April 30, 2004, were reviewed and discussed in detail with our auditors, Grant Thornton, L.L.P., Chartered Accountants at a recent meeting of the Audit and Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2004, your Grand Lodge experienced a consolidated net loss of \$110,021, which includes an extraordinary expense in the amount of \$20,555, which relates to the 150th Anniversary Celebrations. Adjusting for the foregoing, we in fact incurred a consolidated net loss of \$89,466.

Although our Grand Lodge is in a strong financial position, we continue to struggle with increasing costs, reduced investment income and declining revenue, particularly from per capita assessment due to the declining membership in our Grand Jurisdiction. We can no longer continue to have deficit financing, which impacts our investment portfolio by drawing down on our investments. Accordingly, we see no alternative than to recommend that our per capita assessment be significantly increased, with the possibility that it will continue to increase in the future for some time. Likewise, it will be necessary to review all expenditures to determine value received with a view of trimming or eliminating current expenses and financial commitments.

We, again, congratulate the Grand Treasurer, the Grand Secretary, the Grand Master, the Chairman of the Management Committee and the members of the various Grand Lodge committees for the efficient manner in which they have managed the financial resources of our Grand Lodge.

Accordingly, the committee recommends that the audited financial statements for the year ended April 30, 2004, be adopted as submitted. We also continue to recommend the engagement of Grant Thornton, L.L.P., Chartered Accountants as our auditors.

A special thanks to our auditors, Grant Thornton, L. L. P., Chartered Accountants and in particular, Mr. George Benton, C. A., for their overall assistance and interest during the year.

BUDGET 2004-2005

The Audit and Finance Committee received from the Management Committee the budgetary requirements of all the Grand Lodge committees for the ensuing year, which were carefully considered in preparing the annual budget for the Grand Lodge for the year ended April 30, 2005. These amounts aggregated \$11,125 together with allocations made from the Programme Fund.

The budget for the General Fund for the ensuing year is set out in the appendix to this report, which reflects anticipated revenue of \$578,500 and expenses of \$682,625 resulting in a budget deficit of \$104,125.

As in prior years, a budget for the Special Programme Fund has been prepared, which is set out in the appendix attached to this report and reflects budgetary expenses of \$102,255.

In addition to the foregoing, set out in the appendix to this report is a budget for the 150th Anniversary Committee for the year ended April 30, 2005, of \$44,599 (net). Funds for this anniversary event have been set aside from the General Fund for a number of years and we would refer you to the audited financial statements.

The operational and Special Programme budgets were prepared on a line by line examination based on the actual results of the previous year and giving consideration to the needs of Grand Lodge to facilitate desirable and meaningful programmes. The 150th Anniversary Fund budget was the actual budgetary request received from the 150th Anniversary Committee.

In accordance with subsection 134(c) of the Book of Constitution, your committee submits for consideration and approval, as set out below, an estimate of the revenues and expenses as they relate to the General Fund for the year ended April 30, 2005. Your committee believes that the budget set out in this report is realistic and provides for items which can reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current fiscal year.

CHARITABLE DONATIONS

The Committee on Audit and Finance has also reviewed the donations made by the Grand Master on behalf of Grand Lodge. The donations aggregated \$4,300 and were made to the M. S. A. Disaster Relief in connection with Tornadoes in Missouri, Tennessee and Kansas, the Hurricane in North Carolina and Virginia, and the Wildfires in California. As such, we recommend the approval of the same.

GENERAL

In conclusion, as Chairman of the Audit and Finance Committee, I particularly wish to express my thanks and appreciation to the Grand Treasurer, R.W. Bro. T. R. Davies for all his efforts and work in connection with Masonry in general and the financial affairs of this Grand Lodge in particular.

I also wish to express my appreciation to the members of the committee for their interest and involvement in the management of the financial affairs of this Grand Lodge, in the persons of M.W. Bros. D. H. Mumby, T. Shand; R.W. Bros. G. L. Atkinson, T. R. Davies, R. G. Wands, J. C. Sutherland, S. H. Cohen, Wm. Shields, E. Standish, and P. McGrener. And a very special thanks to the Grand Lodge staff for their assistance and guidance during and throughout the year.

Respectfully and fraternally submitted on behalf of the committee.

THOMAS E. LEWIS, Chairman

REPORT OF THE ONTARIO MASON COMMITTEE

This Report was presented by R.W. Bro. D. Dainard, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Dainard, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the following report which highlights the activities of the *Ontario Mason Magazine* for 2003 – 2004.

Over the last several years this committee has received requests to provide a subscription service for those who are not members of the jurisdiction and indicate an interest in receiving the magazine. Further to this end, discussions were held with the Grand Secretary, M.W. Bro. Terry Shand, with a view of establishing a Subscribers Data Base and the monitoring process of any subscription requests. As a result of those discussions a form was designed; this meets the criteria of the Grand Office, in the set up and processing of subscription data information. The Subscription Form was submitted to the Chairman of the Computer Resources Committee, R.W. Bro. Brian Bond, with the aim of his committee providing a printable/mail in form on the Grand Lodge Web Site for which I expressed my appreciation.

In addition, a letter was sent to the District Deputy Grand Masters of the jurisdiction outlining the recommendations of the committee with respect to their members receipt of the *Ontario Mason* magazine in the constituent lodges of their districts. As well, the process of providing lodge membership mailing information changes with the monthly summons remittance to the Grand Office was also addressed.

It is also noted in this report that the Regional Grand Lodge of Western India, in the January 2004 issue of their magazine the *Ashlar*, which is published quarterly, reproduced the fall 2003 *Ontario Mason* cover photograph and accompanying story. This is particularly heartwarming to me as chairman to have our magazine recognized in the 'World of Masonry' as a premier publication amongst Grand Lodge publications.

The "Proofing Process," has been refined with the addition of the online 'In Site' proofing procedure, which is a free service to the committee. The advantage of this process is that the previous turnaround time for the proofing procedure has been eliminated and works very well. An added bonus of the utilization of the process is a production cost savings of \$1,190.00 from the old proofing system per issue.

In addition, there was an advance budget request presented to the Management Committee at the meeting on September 23, 2003, for costing consideration for expansion to the page counts to the magazine for the 10th Anniversary Issue, which would be published in the fall of 2004 and the Sesquicentennial Issue, for publication in the fall of 2005. The increases in cost would be \$6,008.00 and \$8,957.00 respectively. The committee has recommended a 25 percent increase in the availability of advertising space for both issues.

The committee members continue to assume more of the element processing duties for the compilation of the magazine, which provides a considerable cost savings production process. Duties which are above and beyond what may be considered the call of duty and I wish to acknowledge the contribution of time, talent and effort that each member of the *Ontario Mason* lends to the production values of the magazine.

It is also noted that the *Ontario Mason* magazine is funded through the Grand Lodge Special Projects Fund which is driven by the Calendar Programme offered yearly, and as the capital for this fund is not being topped up from the calendar offering, the future of the *Ontario Mason* magazine may be in question, and your committee is reviewing funding alternatives for presentation to the Management Committee and Board of General Purposes.

The committee participated in the Grand Lodge Seminars and Road Show where a Power Point presentation was presented, and included in the handout. This provided those attending with a fuller understanding of the mandate, objectives and workings of the committee.

I would be remiss if I did not recognize the tremendous contributions of time by the forty-six (46) District Field Representatives of the *Ontario Mason* magazine and

the timely manner in which they submitted the material for publication consideration in the magazine.

I am also indebted to the Grand Secretary, M.W. Bro. Terry Shand, and the Office Staff of Grand Lodge, for their untiring support and assistance.

It has been an honour and my great pleasure to serve as Chairman and Editor of the *Ontario Mason* magazine, and I am truly thankful for having such a dedicated and devoted team in the persons of M.W. Bro. David C. Bradley, P.G.M.; R.W. Bros. William Thompson, Vice-Chairman, William Reiach, Joseph Chamberlain, Robert Beckett, Paul Farrell; V.W. Bro. Michael McEachern, and W. Bros. Dushan Surovy, Will Holden and Robert McBride.

"Remember - This is your magazine - enjoy and contribute to it!"

All of which is respectfully submitted on behalf of the *Ontario Mason* Magazine Committee.

DAVID R. DAINARD, Chairman

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. R. E. Davies, Chairman, seconded by the Deputy Grand Master, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

At the outset of this brief report we hasten to acknowledge with deep regret the untimely passing of our former chairman and Past Grand Master, M.W. Bro. Howard O. Polk. M.W. Bro. Polk was a truly dedicated Mason and his many contributions to our gentle Craft in general and to this Awards Committee in particular will not soon be forgotten.

During this past year several applications have been received and your committee is pleased to congratulate the three worthy recipients whose names are officially recorded in the Grand Master's Address.

This committee also extends its deep appreciation to the Grand Lodge office staff for their prompt and efficient service in the handling and disposition of each application received for consideration for this Meritorious Service Award, the William Mercer Wilson Medal

Respectfully submitted.

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. Wallace McLeod, Grand Historian, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

From time to time, as you wander about in various cities, you may encounter old buildings that have some Masonic symbols on their exterior. One might naturally assume that these structures were once Masonic Halls or Temples; but a few of them clearly were not. One of the latter is St Andrew's Presbyterian Church, in Toronto, at the south-east corner of King and Simcoe Streets. (I should remind you that next year the Seven Toronto Districts will be holding a Divine Service in this Church on April 3, 2005, to celebrate the 150th Anniversary of our Grand Lodge.) St Andrew's is an immense and impressive building; and on the east and west exterior walls, just up under the eaves, are a series of more than seventy sculptured stone corbels or brackets, bearing various images—such things as gargoyles, human faces, animal heads, stars, hearts, ladders, setting mauls, letters, and numbers. And five of them have the Square and Compasses. One cannot help wondering what they are doing there.

Outside the church stands an historic plaque, which was set up by the Ontario Heritage Foundation of the Ministry of Culture and Recreation. It has the following text:

ST. ANDREW'S CHURCH

St. Andrew's was begun in 1874 to serve a church congregation organized in 1830. An outstanding example of Romanesque Revival architecture, this massive church was designed by William Storm (1826–92), a noted Toronto architect. The style was associated with medieval architecture in Scotland, and the distinctively Scottish flank tower turrets further emphasized this significant connection. Constructed largely of Georgetown sandstone, St. Andrew's was dedicated on February 13, 1876, and later enlarged by the elaborate chancel addition. Under the vigorous leadership of its first minister, the Reverend D. J. Macdonnell (1843–96), an outspoken theologian, St. Andrew's rapidly became one of the most influential Presbyterian churches in Canada, and in 1890 it established St. Andrew's Institute, a pioneer centre for social work in Toronto.

The inscription tells us that the church is "an outstanding example of Romanesque Revival architecture." I am not an architectural historian, but the standard authorities tell us that this style was very popular in North America during the last third of the nineteenth century (1870–1900). It is also known as "Richardsonian Romanesque," named for the Boston architect Henry Hobson Richardson (1838–1886). We are told that buildings of this type have a number of recurrent characteristics: massive stone walls and towers, deeply recessed doors and windows with bold heavy arches over them, short heavy columns, and usually an asymmetrical plan.

We might look at the life of the man who designed this church. William George Storm was born on October 29, 1826, at Burton-upon-Stather, in Lincolnshire, England, where his father, Thomas Storm (who lived 1801–1871), was a builder. In 1830 the family moved to York (now Toronto), in Canada. His parents, who were

devout Methodists, soon sent young William to Cobourg, sixty miles east, to be educated at Upper Canada Academy, which was founded by the Methodists in 1836. In 1838 the senior Storm actually erected the scaffold on which Samuel Lount and Peter Matthews, two of the men condemned to death for their part in the Upper Canada Rebellion of 1837, were hanged. When William returned home, he began to work with his father, and in 1845 he was badly hurt in a scaffolding accident, which claimed the life of his father's partner, Sheldon Ward. But young William was able to serve his apprenticeship as an architect, and in 1848 or 1849 he was given a job in the office of Frederic William Cumberland (1820-1881), possibly preparing the drawings for the Cathedral Church of St. James, at the corner of King and Church Streets in Toronto.

Then in July 1852 his employer took him on as a partner, and over the next eleven years Cumberland and Storm collaborated in a number of major projects, buildings that (by some strange oversight) are still standing. The Post Office they built on Toronto Street (1853) is now the headquarters of the giant Argus Corporation. Probably their masterpiece was University College, on the campus of the University of Toronto (1856-1859). Cumberland and Storm also carried out the alterations in Osgoode Hall, including the splendid Great Library (1857), and built the Chapel of St. James the Less on Parliament Street (1860).

The senior partner usually gets the credit for them, but according to one authority (in the *Dictionary of Canadian Biography*), "Storm played an increasing part in the construction of these buildings." He was a superb architectural artist, and many of his paintings and drawings are preserved in the Ontario Archives, in what is known as the Horwood Collection; it was donated in 1979 by another notable architect, our own R.W. Bro. Eric Crompton Horwood (1900-1984).

In 1859 Fred Cumberland was chosen as Managing Director of the Northern Railway Company, and gradually steam locomotion came to demand more and more of his time. His interest in trains took him into politics, and he represented Algoma (in northern Ontario) in both the Provincial Legislature (1867-1875) and the Federal House of Commons (1871-1872). He was also a Lieutenant Colonel in the Militia, and in 1849 he helped to found the Canadian Institute (now the Royal Canadian Institute), the oldest scientific society in Canada.

After Cumberland turned his attention to trains and politics, the partnership was terminated in 1863, and Storm continued his architectural career (with distinction) on his own. He actually was chosen as the first President of the Ontario Association of Architects in 1889. Two of his more striking commissions from this period are St Andrew's Church, on King Street (1875), which started us on our quest, and Victoria College, on the campus of the University of Toronto (1892)-which is built in the same Romanesque Revival style. Let us take a moment to consider the latter building. Upper Canada Academy in Cobourg (where W. G. Storm had gone to school) received a Royal Charter as Victoria College on August 27, 1841, and on October 1, 1845, it conferred the first Arts Degree that was earned by study at an Ontario institution of higher learning. It entered into federation with the University of Toronto in 1890, and decided to move to the Provincial capital. Storm was selected as the architect of the new building. The cornerstone of the college was laid on June 15, 1891, but Storm died on August 8, 1892, just before the building was completed. The college was formally opened two and a half months after his death, on October 25, 1892. One authority (Shirley G. Morriss), in appreciation of the structure writes, "If the interior disappoints, the exterior is an assured, astutely scaled composition that conveys an

enduring presence. Its balance of horizontals with verticals, of massive towers with ample porches, provides the campus with one of its finest and most imposing structures."

But why talk about this architect in a Masonic context? Why are the Square and Compasses carved into the corbels of St Andrew's Church? William George Storm was initiated into Freemasonry in St Andrew's Lodge, No. 1 (now No. 16), Toronto, on June 11, 1850, at the age of twenty-three. Only one year after he became a member of the firm of Cumberland and Storm in 1852, his senior partner, Frederic W. Cumberland, was initiated in the same lodge, on August 16, 1853, at the age of thirty-three. Both of them were active in the lodge. Cumberland was elected Master for 1857, and Storm served as his successor in 1858 and again in 1859. Cumberland became D.D.G.M. of Toronto District in 1858. Storm was appointed Grand Superintendent of Work in 1859, and was elected as District Deputy Grand Master of Toronto in 1861. His report as D.D.G.M. includes one paragraph outlining a problem that had come to his attention.

COLORED MASONS

Difficulties having arisen within this district during the past year, in regard to the admission or rejection of colored persons claiming entrance to the lodges. I respectfully submit the question to the consideration of Grand Lodge, as one entitled to and worthy of authoritative decision. I cannot think that the color of the man, can in any degree impair the claims and privileges of the Mason, and yet it is essential that the law by which the admission of visiting brethren is restricted to those hailing from lodges duly recognized, should be carefully adhered to, exceptional cases of injustice may nevertheless occur, and thus it would seem that the general question should be enquired into, with a view to a settlement by the Grand Lodge of any doubts now existing in relation to it.

The text is a little bit pompous and obscure, and even grammatically incorrect. (Storm was an artist, not a writer.) But it clearly alludes not to initiation into Masonry, but to the admission of visiting brethren. Evidently African Canadians had attempted to visit one or more of the Toronto lodges, but had been excluded from admission because they came from unrecognized lodges. Storm explicitly requests that the question of recognition should be dealt with officially, in order to avoid unjust discrimination. Presumably he is referring to members of the Widow's Son Grand Lodge of Free and Accepted Ancient York Masons (the original name of what is now the Prince Hall Grand Lodge of Ontario and Jurisdiction), which had been Regularly constituted in Hamilton on August 25, 1856. It also had lodges in St. Catharines and in Western Ontario, and possibly one in Toronto (King Hiram, No. 4). Storm's request for an official review was timely and appropriate.

Storm was made an honorary member of St. Andrew's Lodge on April 13, 1886, after nearly thirty-six years in the Craft, and six years before his death. In the Grand Lodge Proceedings for 1893, the District Deputy Grand Master of Toronto District 11, in reporting Storm's passing, said that he "was a devoted member of the Craft, and to his death continued in active connection."

After Victoria College moved to its new location in Toronto, three of its professors who were Freemasons affiliated with St Andrew's Lodge, No 16. One might be tempted to conclude that they did so because they admired the new building, and wished to show their admiration for its late architect by joining his lodge. They were: Alfréd Henry Reynar (1840–1921), Dean of the Faculty of Arts, and Professor of

Modern Languages and English Literature, who affiliated from Shawenegan Lodge, No. 49, in Three Rivers, Quebec, on October 11, 1892, and served as Master of the lodge in 1899; John Burwash (1842–1913), Professor of Homiletics and Pastoral Theology, who affiliated from Victoria Lodge, No. 2, in Charlottetown, P.E.I., on March 13, 1894, and served as Master of the lodge in 1905; and Lewis Emerson Horning (1858–1925), Professor of German and Old English, who affiliated from St John's Lodge, No. 17, Cobourg, Ontario, on January 14, 1896.

In summary, W. G. Storm was a notable architect, and some of his monuments are still standing. He was also a devoted Freemason, who actually had Masonic symbols engraved on at least one of his non-Masonic buildings, and he may have been responsible for bringing several distinguished members into his lodge. And he apparently recognized the paradox of not permitting visitation by Masons of a separate jurisdiction that was Regularly constituted but not recognized.

All of which is respectfully and fraternally submitted.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is an honour and privilege, on behalf of this committee, to present the report or foreword to the following forty-one Reviews of the Annual Proceedings of our sister Grand Lodges received during the past year. R.W. Bro. Frederic R. Branscombe has, in his wisdom, once again carefully selected interesting items and topics and spent many countless hours in the preparation of these Reviews for the interest of the brethren. Sincere thanks and gratitude must be extended to him. Special thanks are directed to Mrs. Lucy Vera, Englehart, Ontario, for her kind assistance in translating the Proceedings of the Grand Lodge of Peru. Each year has seen an increase in the number of Proceedings received on computer disk thereby requiring downloading, for which thanks are extended to R.W. Bro. Peter Matijek, Kirkland Lake, Ontario, for arranging this.

The intent of these Reviews is to inform the membership of the activities and conditions throughout the Masonic world. The brethren will find these Reviews useful for topics, quotations and information when involved in Masonic Education, Masonic Toasts, and speech making. Many of the items herein contained are familiar, along with new and thought-provoking topics and ideas.

Many Grand Lodges continue to address the **MEMBERSHIP** situation in their jurisdictions. Positive steps such as mentorship programmes, renewed emphasis on the virtues that Masonry reveres, programmes with older and younger members working in pairs, Friend to Friend nights, and lodges with active programmes have generated good results. The Membership Committee of South Dakota observed that, "The active lodges are the ones that are having the best results. Activity promotes membership and ultimately growth."

YOUTH PROGRAMMES continue to be supported by many jurisdictions with financial assistance and volunteers to Masonic Youth groups such as the DeMolay, Job's Daughters, and Rainbow Girls. The Grand Lodge Youth Committee of Ohio emphasized, "In addition to the financial support, what is desperately needed is the commitment and dedicated personal involvement of human resources. With an actively involved adult advisory committee to help supervise our Masonic Youth Groups can better implement membership development and retention programmes."

Some jurisdictions have addressed the need for **CHANGE** in order to maintain not only the status quo, but also the future of the Fraternity. Restructuring of Grand Lodge committees, the conducting of business, and better public relations are but a few that have been mentioned. The Grand Master of Vermont, M.W. Bro. Theodore C. Corsones added to a quote from a Greek philosopher, "Those who do not change at best are out of step, at worst are out of existence."

COMMUNITY INVOLVEMENT and **PUBLIC RELATIONS** continue to be evident throughout many jurisdictions as a valuable means of transmitting the Masonic message of who and what we are in an attempt to educate the public and attract new members. Press Releases, Fishing Derbies for Kids, Child Identification Programmes, Disaster Relief Funds, Masonic Model Student Assistance Programmes, Special Olympics, Habitat for Humanity, Masonic Learning Centres, Children's Camps, charitable contributions, and drug and alcohol abuse programmes are but a few which have garnered much positive reaction. M.W. Bro. Clifford Alan Parker, Grand Master, Texas, stated, "that we must attempt some type

of outreach programme to remind our communities, and the world, of the excellent teachings Freemasonry has to offer. By becoming an active partner with community involvement, we will once again become the type of organization to which men of honesty and integrity will want to belong and in which they will want to participate.”

MASONIC RENEWAL PROGRAMMES have stimulated increased lodge activities in some jurisdictions. Grand Lodges have developed Vision and Mission Statements, Masonic Education Programmes and Seminars, and Long Range Planning in an attempt to focus on what we are about and where we are going. M.W. Bro. David R. Bedwell, Grand Master, Michigan, observed that Masonry must have something to offer that potential members want. A survey conducted showed that a man in today’s world demands five things in any organization which he would consider joining: **Friendship, Fellowship, Involvement with his family, Involvement with his community, and Opportunity to lead.**

FRATERNAL RELATIONS between jurisdictions and also with Prince Hall Lodges are on-going with full recognition and visitation.

The use of **COMPUTERS** and the **INTERNET** has become a valuable tool of communication and compilation of Lodge and Grand Lodges records. Many Grand Lodges have their own Web Sites in order to show Freemasonry in its best light to members and visitors who seek information about our Fraternity. Strict caution has been taken to protect the privacy of the membership and other valuable information.

Many jurisdictions have emphasized the need for **MASONIC EDUCATION** to preserve the teachings of the **RITUAL** and to ensure that short cuts do not occur in the processing of candidates. The preserving of lodge records through historians and libraries has been addressed by some Grand Lodges in order that the future members may know and appreciate the past.

The foregoing is a brief overview of some of the topics contained in the following Reviews. It is the hope and wish of this committee that you read the Reviews in their entirety and that each lodge inform the brethren through **Summonses, Newsletters, Masonic Education and at stated meetings** the contents therein contained. The Reviews are time consuming to produce, but time saving for resource.

Sincere thanks are extended to the office of the Grand Secretary and others who assisted in obtaining Proceedings from our sister Grand Lodges in order to make this report possible.

Respectfully and fraternally submitted.

G. WAYNE NELSON, Chairman

ALBERTA

*98th Annual Communication**Red Deer, Alberta, June, 2003*

In his Address as Grand Master, M.W. Bro. Terrence A. Dolet reported that as the Centennial in 2005 of the Grand Lodge of Alberta drew near, a number of special events were occurring to celebrate anniversaries in various lodges. One such event, was the combination with the 75th Anniversary of an individual lodge a joint Installation of all the lodges in the Mighty Peace District.

"The highlight of the year," said M.W. Bro. Dolet, "was an Alaskan Cruise aboard the Holland America ship MS Zaandam. The cruise was entitled *Grand Master's Lodge at Sea*. A total party of 78 was made up of 32 Masons, their family members and friends. Prior to embarking on the cruise, the brethren of the party paid a fraternal visit to Lodge Southern Cross, No. 44 GRBC & Yukon. This Lodge practices the Australian ritual. We were privileged to be received by M.W. Bro. William Walls, Grand Master of B.C. & Yukon along with several members of that Grand Lodge."

The Grand Master referred to the proposal of a One-Day Class, whereby a candidate would receive the three degrees of Masonry on one occasion. He stated that, as this is not permitted under the Constitution and Regulations of the Grand Lodge of Alberta, before a lodge could hold such a ceremony it would be necessary for Grand Lodge to amend the Constitution. On a personal note, he said that he had serious concerns about the proposal, because it simply is not enough only to confer the degrees. He asked his brethren, "Is our goal simply to 'process Masons' or to make Masons? What is the retention rate? Whether we make Masons in the traditional method, or have one-day classes, we must make a greater effort to educate them. We must teach them Masonry, what the teachings mean, how we use Masonry in our lives. Thus before we even consider having one-day classes, we must establish an intensive education process to go along with the ritual."

The Report on the Condition of Masonry stated that poor attendance is not, in itself, a valid reason for granting a demit or issuing a suspension. The report emphasized that such action should not be taken "without a personal enquiry as to the reasons." Much can be learned," the report pointed out, "about the failings of a lodge from those who do not turn out. There are often very good reasons for low attendance and they should be sought after by caring brethren who should be anxious to offer support to failing brothers. A buddy system will help. It is important that we are in communication with the absent friend who may require our help and assistance."

BRITISH COLUMBIA AND YUKON

*132nd Annual Communication**Dawson Creek, British Columbia, June, 2003*

The members of Grand Lodge were reminded that when he took up his duties as Grand Master, M.W. Bro. William Ord Walls had directed their attention to several priorities which he believed should be considered carefully and, if possible, acted upon. The first of these priorities was Raising the Standard of Lodge Work. A year later he was pleased to see laudatory comments by the District Deputy Grand Masters indicating a commendable improvement in the work being done. Another priority was Revitalizing Lodge Meetings by Increasing Attendance. He felt that the lodges had demonstrated their willingness to include in their programmes *Buddy Nights*, social events and other similar activities along with the conferral of degrees. He predicted that, "If this should be continued, I am confident that we will see a slow but steady resurgence of interest in Freemasonry." Planning the Future of Your Lodge was a priority which M.W. Bro. Walls believed was being taken seriously by more lodges. There were more meetings devoted to planning the future. Although every

lodge should have such a meeting annually, many lodges still ignore problems that loom on the horizon. Unfortunately, that does not make them go away. It was his conviction that when more time is given to planning for the future more remedial action will be initiated at the local levels.

The Grand Secretary reported that three copies of the Proceedings of Grand Lodge for the past eleven years have been rebound with hard covers: one copy will be kept in the Grand Secretary's office and the others in the Grand Lodge Library.

Greater attention to the need for having lodge histories was emphasized by the Grand Historian. His warning to Grand Lodge was clear: "We are losing many senior Brethren, who can provide much information if you question them in time. In addition, many Lodges are surrendering their charters or they have recently amalgamated with other Lodges. Please don't lose all this material."

The Committee on Community Relations argued that involvement in community activities does more for community relations than paid newspaper advertisements, except for notices in the media of specific events where Masons are cooperating with the community. "We have example after example of Lodges and Masonic family members participating in community events. Every one of these endeavours adds to the concept of Freemasons contributing to their community. One cannot purchase this type of positive exposure." One example of this, which the committee described, was a fishing derby for kids, sponsored by the Port Hardy Masonic family. The committee's view of the importance of this event was that "they have a great time fishing; we have a great time putting it on with a lot of work by committed members. We put our best foot forward."

CALIFORNIA

153rd Annual Communication

San Francisco, California, October, 2002

M.W. Bro. C. Ray Whitaker reminded Grand Lodge that Masonic Education had been his principal concern during his year as Grand Master. He defined Masonic Education as "the commitment by each Mason to a lifetime of learning how to apply the teachings of Freemasonry to his life." He pointed out, however, that an absolute prerequisite to a better programme in Masonic Education is an improvement in the ability of lodges to communicate the teachings of Freemasonry. Regarding the duty of every lodge to meet this need, the Grand Master made this statement: "If a man learns nothing from his experience of having been made a Mason, it is our fault not his. If he resigns, or is suspended for non payment of dues, it is our fault not his. If we fail to interest him in Freemasonry we have only ourselves to blame."

Another way to increase membership retention was described by M.W. Bro. Whitaker, and that is to have what he called a "Mentoring Programme." He reported that "those lodges who use it find that new members become strong and committed Masons. A mentor is assigned before a man receives his First Degree and continues to work alongside him as he makes his progress toward becoming a Master Mason, and afterwards. A mentor becomes a friend as well as a teacher. A mentor teaches by example, as well as by instruction. And a mentor has a lifelong impact on his student. If all our lodges had an active Mentoring Programme, I am convinced that our membership problems would evaporate."

The Committee on Masonic Education reported that there had been a steady increase in its programmes during the previous five years. The chairman pointed out that there are far more educational resources available for candidates and members than previously. A project on which the committee is working is a manual for general member education. The chairman indicated that, "Applied Masonry" or, how one can use the lessons of Masonry in their daily lives will be the focus of this programme." He added that after publication of the manual, an online computer course may be created.

The Grand Secretary stated that the new Administrative Website is being used by over half of the lodges and also by chairmen of Grand Lodge committees and by wardens and wardens of lodges: "It gives access to needed information from the Membership Database, as well as materials in electronic format."

The Grand Lodge Public Relations Programme was reported to be continuing to assist individual lodges to participate in public events and also in the Child Identification Programme. The result is that Freemasonry becomes more visible and is better understood in the community.

CONNECTICUT

213th Annual Communication

Cromwell, Connecticut, April, 2002

M.W. Bro. Gustaf R. Bodin opened his Address as Grand Master by thanking his Brethren for the assistance which they had given him in achieving the goals which he had put before them a year ago: Preserve Our Heritage, Promote Our Ideals, and Provide Further Light in Masonry.

The Grand Master spoke of the involvement of Connecticut Masons in the events following the destruction of the World Trade Towers in New York, on September 11, 2001. "It was my decision," he stated, "to establish the 'Grand Lodge Disaster Relief Fund' for those wishing to make contributions to be used for the relief of those families needing financial assistance." He reported that the Masons of Connecticut had donated \$20,725.00 and that these funds had been forwarded to the Masonic Service Association which distributed them to the Grand Lodge of New York and to the Grand Lodge of the District of Columbia for families in need of relief.

The Grand Historian drew attention to a serious problem which is appearing in many large cities. Because of amalgamations of lodges, or for other reasons, many lodges are moving from the older, central districts of large metropolitan cities to newer, suburban areas. This has resulted in several older temples, some dating from the nineteenth century, becoming vacant and replaced by other structures. His request was "As Masonic Temples are being shut down, don't put the library in boxes to be discarded or put up for sale." He reminded them that sometimes priceless Masonic books are in lodge libraries which, if a lodge does not wish to retain them, should be deposited in the Grand Lodge Library. In company with a great many other Grand Historians, the Grand Historian urged all Connecticut lodges "to appoint a lodge historian to be the keeper of the records, recording things that the Secretary may not put down in writing."

The Committee on Brotherhood-In-Action gave an account of a dinner to honour the Grand Master, to which were invited leaders of the Knights of Columbus, Prince Hall Masons and B'nai B'rith. The committee reported that the "leaders of the four fraternities were able to get to know each other's fraternity better."

A successful strategy to reduce the number of members being lost through reduced interest in their lodge was described by the Committee on Membership and Retention. It reported that "contacts were made with several Brothers over sixty years of age in danger of being dropped for N.P.D., with very positive results."

DISTRICT OF COLUMBIA

192nd Annual Communication

Washington, District of Columbia, December, 2002

Having as his theme *EYE TO THE FUTURE*, M.W. Bro. Robert H. Starr expressed the hope that he had been able, during his year as Grand Master, to stimulate more officers of lodges to consider the future which they desire for their lodges and to take appropriate action

in order to be successful. He thanked his brethren for the support which they had given to achieving success in three goals which he had proposed for Grand Lodge: (i) to assist six lodges in Cuba with which they are associated; (ii) to support efforts to establish a Grand Lodge in Armenia; (iii) to increase the participation of Grand Lodge in community-based projects.

One community-based project in which there was increased Grand Lodge participation was the Masonic Model Student Assistance Programme. In this programme Grand Lodge conducted a seminar for teachers and administrators of District of Columbia Public Schools to prepare them to identify and intervene with students suffering from drug, alcohol or physical abuse. The success of the seminar has been recognized by the District of Columbia Public School System. "I have heard about the success of this programme," M.W. Bro. Starr said, "from school teachers in other jurisdictions as I visited and I would like to see this programme continue and increase in years to come."

The Grand Master reported that he had issued a Decision in November 2002, with respect to the Internet, in which he enacted certain prohibitions in its use:

First: The Internet shall not be used to advertise the names of petitioners for the degrees or for initiation.

Second: Anything disseminated via the Internet that is likely to constitute a violation of Section 95 of our Code (which prohibits the publication of anything that may reflect injuriously upon the Masonic fraternity or any member or members thereof or which discloses the internal affairs of the fraternity) is likewise prohibited.

Third: The Internet may not be used as the sole or exclusive means by which notification is given to Lodge members on markers such as the calling of Special Communications.

M.W. Bro. Starr closed with these words from Albert Einstein:

*NOT EVERYTHING THAT COUNTS CAN BE COUNTED.
NOT EVERYTHING THAT CAN BE COUNTED COUNTS.*

ENGLAND

Quarterly Communications and Annual Investiture

London, England, March, April, June, September and December, 2003

At the June Quarterly Communication, Grand Lodge reconsidered the matter of the recognition of the Grand Lodge of Minnesota. It had been withdrawn in June 2002, because the irregular Grand Lodge of France had been recognized. The Board of General Purposes reported that in April 2003, the Grand Lodge of Minnesota had withdrawn its recognition of the Grand Lodge of France and had requested that recognition by the United Grand Lodge of England be restored, which the Board recommended. Accordingly, on the motion of the President of the Board of General Purposes, which was seconded by the Deputy President of the Board, recognition was restored to the Grand Lodge of Minnesota.

The Board of General Purposes raised another matter at the June Quarterly Communication which had international implications. It reported that a body in Detroit, Michigan, known as the Sovereign York Rite College, had set up a new subsidiary in London calling itself a "York Rite College." It required that its members be Masons, and also be members of the Royal Arch and of certain other Masonic Orders. It was reported, also, that this so-called Masonic body had been established in England without the prior approval of either the Grand Lodge or the Supreme Grand Chapter, or of the governing authorities in England and Wales of any of the other Masonic Orders which it claimed the right "to service." Accordingly, upon the recommendation of the Board of General Purposes, a motion was approved promulgating an edict by Grand Lodge that "any Members of the Craft who are

members of a York Rite College working in England and Wales, or any District or place over which we have exclusive jurisdiction (or share it only with Ireland or Scotland), will be required to disclaim and to sever such connection. If they fail to do so they will be liable to suspension or expulsion from the English Craft."

At the September Quarterly Communication reference was made to the increase in visitations by Masons from other Jurisdictions and the need to see that all visitors are properly qualified. The Board of General Purposes stressed that Worshipful Masters should advise members that if one has a friend who intends to travel to England and wishes to visit a Masonic Lodge, it should be made clear that in order to be received as a visitor one must possess the proper qualifications. They were listed by the Board as follows: "Only Brethren who are members of Lodges under recognized jurisdictions may visit English Lodges. They must produce a certificate (i.e. a Grand Lodge certificate or other documentary proof of Masonic identity provided by their Grand Lodge), should be prepared to acknowledge that a personal belief in T.G.A.O.T.U. is an essential landmark in Freemasonry and should be able to produce evidence of their good standing in their Lodges."

FLORIDA

173rd Annual Communication

Orlando, Florida, June, 2002

M.W. Bro. Glen W. Phillips congratulated his Brethren upon their success in achieving the goal which he had set for them. That common purpose, he reminded them, was "to restore the honour and dignity and Brotherly Love which had made us unique among all fraternities." His message was quite clear: to return to the basic tenets and fundamentals of Masonry.

The Committee on Masonic Youth Activities emphasized that it must be remembered that young people are the future of Masonry and therefore all Masons must be active in getting the young people of Masonic families involved in DeMolay, Job's Daughters and Rainbow Girls. It was announced that the Order of the Eastern Star had changed its membership requirements, allowing former Rainbow Girls who do not have family Masonic ties, to join their Order.

It was reported by the Museum and History Committee that eight lodges had submitted their Minute Books to be microfilmed either for the first time or to update their microfilm records. By doing this they had insured that essential information about their past will not be lost if the original documents are lost or destroyed. This is a vital precaution, in case it should be desired later to have a history of the lodge written. The committee considered it important that updates should be made at least every five years. The following procedure in the microfilming of lodge records was outlined by the committee: there is no charge for this service and all microfilm is stored in a fireproof vault in the Grand Lodge Building in Jacksonville. The committee proof reads the microfilm before the documents are returned to a lodge to insure that a complete and readable print has been obtained.

A report was made by the chairman of the Committee for the Child Identification Programme. Participation in this programme in a community is undertaken by a local lodge or group of lodges. Individual members, who often use their own cameras and supply tape at their own expense, videotape children when parents request it. While this generates good public relations for Masonry, he felt that "even more important than that is what we do for the children of this state. We give them a certain amount of protection from predation. Some might ask if the programme really works. I would answer that a child has been recovered in the Tampa area because of our programme. That makes this programme an overwhelming success. Even if that had not happened, we have met thousands of non-Masonic families. Many of these did not even know what a Mason was. We had the opportunity to tell them

what we are and what we stand for. You would have to be there to understand how much these families appreciate what we do.”

ILLINOIS

*163rd Annual Communication
Springfield, Illinois, October, 2002*

As a group of Rainbow Girls had performed a flag ceremony in the formal opening of Grand Lodge, M.W. Bro. James E. Durbin made reference in his Annual Report not only to the importance of youth groups as a future source of members, but also to their present need for greater support. “It is not just financial aid they need from us,” said the Grand Master, “what they want and need is moral support and encouragement.” He asked his Brethren to consider the urgent need for qualified Masons to serve as advisors for local groups of DeMolay, Job's Daughters and Rainbow Girls.

The Grand Lodge History Committee reported that progress is being made in compiling *Freemasonry in Illinois 1952 – 2003*, to supplement previous histories published in 1897, 1905 and 1952. The committee pointed out that besides Lodge Minutes and other formal documents there are many other sources of information concerning events of interest that occurred in the past. Lodges were urged to seek out and interview older members who probably remember many incidents of interest. They were urged, also, to conduct researches in books and magazine articles written by members and former members, as well as in video-recorded cassettes and CD diskettes.

It was reported by the Internet Committee that it had established a significant presence for Grand Lodge on the internet and the World Wide Web. Its Home Page is WWW.ILMASON.ORG. Plans for technical improvements were under way which will make the service even more responsive to the needs of Illinois Masons. The committee recognized that the internet had a dual role. First, it can facilitate administrative procedures, both at Grand Lodge and at local lodges. Secondly, as it is an effective communicator with the public, it can be of great assistance in the Craft's efforts to improve its public relations. It was the intention of the committee, therefore, that notwithstanding the many technical changes that are inevitable “the objectives of our efforts remain the same – to provide current and essential information to our Illinois brethren about Grand Lodge activities and programmes and to present Freemasonry in Illinois in its best light to our many visitors via the Internet.”

INDIANA

*186th Annual Communication
Indianapolis, Indiana, May, 2003*

Of the objectives which he strove to attain as Grand Master, M.W. Bro. Roger S. VanGorden announced in his Grand Master's Address that the following were achieved:

1. One-Day Degree Classes: Between 800 and 900 Master Masons were raised during the year.
2. Try Masonry Website: A membership development website has been completed and advertised, (www.tryfreemasonry.org). DeMolay Class: In March, 2003, 40 young men were initiated into the Order of DeMolay.
3. Job's Daughters and Rainbow Girls: Job's Daughters initiated 10 young ladies and 14 became Rainbow Girls.
4. One Day Classes with the Scottish Rite and the Shrine: Many joined these two Orders on these occasions.
5. York Rite: On the same day, 85 Brothers became Royal Arch Masons, Cryptic Masons and Knights Templar.

6. Determine the future of the Downtown Indianapolis Temple: In cooperation with the Board of Directors of the Temple a vision of the future of the building is being developed.
7. Lodge Programming Initiatives: A committee is exploring with lodges new programmes to create enthusiasm in lodge members.
8. Expansion of Leadership Development Programmes; Workshops for Wardens "were geared to Lodge specific problems and opportunities."
9. Obligation Renewal Night: Materials were distributed and used.
10. Visitation Awards: This is a popular programme as the Internet makes information about special meetings and dinners widely known.
11. Increase Awareness of the Order of the Eastern Star: An OES Liaison committee was formed to foster awareness in the lodges.
12. High Twelve Club Development: Helped to form new clubs which help Brothers unable to drive at night to remain active in Masonry.
13. Grand Lodge Database Development: A computer programme is being created for use by Lodge Secretaries.
14. Public Affairs Committee: Its responsibility is to keep a watch for legislation that affects the Fraternity.
15. Boy Scout Opportunities: This committee assists in arranging for Scout Troops to meet in lodge halls, where mutually desired.

The Public Relations Committee reported that it has worked to increase television and radio coverage of public events in which the Fraternity participated. Also, it has endeavoured to make the Grand Lodge website more widely known by advertisements on bill boards and by the distribution bumper stickers.

The Indiana High schools Project Implementation Committee reported that it has been considering the Child Identification Programme. As the several parties involved are willing to meet with Grand Lodge, the committee recommended the project be brought to lodges allowing them to implement it in their local community.

IOWA

158th Annual Communication

Waterloo, Iowa, September, 2002

"*Preserving Our Heritage*" was the theme that had been chosen for the year. In his Grand Master's Report, M.W. Bro. Alfred L. Jensen praised the Masons of Iowa for doing their part to preserve the Craft for the Masons of tomorrow. He announced that his goal of 600 or more new Master Masons not only had been met, but had been surpassed.

The Grand Master expressed confidence in the state of the Craft. He stated that he had seen during the past year more excitement and enthusiasm about the future of Masonry than he had seen for many years. Weakness in the past was caused, in his opinion, by a general failure "to recognize the importance of Masonic Education and to develop programmes and activities that will attract and retain the young men in today's society." He pointed out that Grand Lodge had taken steps to correct this problem by developing a new Educational and Monitoring Programme. His confidence in the future was tempered, however, by his realization that continued success is absolutely dependent on a fundamental change in thinking on the part of many in the Craft. This was his formula for continued success: "We must be willing to think outside the box as we continue to search for programmes and activities that will attract active young men in our communities. Brethren, lodge renewal can and is working, and with your assistance and support we have already begun to write a bright new chapter in the history of Iowa Masonry."

The Public School Support Committee reminded Grand Lodge that its purpose is to select an Iowa Teacher of the Year. All lodges receive applications and an explanation of the award. Then the committee selects the Teacher of the Year, relying to a large extent on information received from local sources. At the next communication of Grand Lodge the winner of this prestigious award is recognized and presented a plaque at the Grand Master's Banquet.

The Report of the Masonic Youth Committee informed Grand Lodge that continued success is being experienced by the Youth Groups in developing character and building young leaders. Their principal difficulty, however, is not with young people, but with adults. "Regardless of whether it is a Rainbow Assembly, a Job's Daughter Bethel or a DeMolay Chapter," the committee stated, "the key to success relies on one thing: the ability to find quality adults who choose to volunteer as advisors." The chairman of the committee, speaking as a former member and a current adult volunteer, gave a personal testimonial: "I can assure you that there are fabulous young people out there who are excited to be members of a Masonic organization. These young people do not look at themselves as special, but should be treated as such."

JAPAN

46th Annual Communication

Tokyo, Japan, March, 2003

Regarding the state of the Craft, the Grand Master, in his Annual Report, linked the well-being of Freemasonry in Japan with the continuing success of the recently created Grand Lodge Web Site. M.W. Bro. Philip A. Ambrose reported that a group of dedicated volunteers had placed several pages in the Japanese language on the Web Site, so as to explain in Japanese the aims and history of Masonry. He explained that "these pages were made more with the thought of appealing to the uninitiated, than for members of our Lodges as is the case with the English language pages. It was unanimously agreed by the Executive Committee that the Web Site is an excellent place to start getting the word out to the local Japanese population because we desperately need to find a way to appeal to the Japanese citizenry. Our Grand Lodge may not be able to sustain itself if we do not find some way to increase our local membership. I believe that this Web Site expansion is an excellent way to start."

The Committee on Temple reported that the Lodges located in Camp Zana, the Yokosuka Naval Base and the Iwakuni Marine Corps Air Station face removal soon from their Temple buildings. In addition, three other lodges are facing similar, though not as immediate, problems. The chairman of the committee stated that "this is an issue, which I believe will ultimately require all lodges move off the military installations permanently."

The Committee on Ritual in Japanese reported that the entire First Degree Ritual in the Japanese language had been completed. Although the translation of the First Degree has been completed and carefully examined by the committee, it was suggested that the printing and distribution of it be delayed until the manuscript has been given an additional careful scrutiny.

The Committee on Translation reported that it was making good progress in producing a version on the Japanese language of the Book of Constitution. It will be some months, however, before this project can be completed, because of the many constitutional and legal terms that are not easily translated. The translation on which they are working is based on the English version of the Constitution that is available currently.

KANSAS

*147th Annual Communication**Salina, Kansas, March, 2003*

"I believe it is time that we Masons start *Walking the Walk* instead of just *Talking the Talk*," M.W. Bro. Glenn E. Kehr said, in addressing the topic of the state of Masonry in Kansas in his Grand Master's Address. "Each one of us has taken the same obligations at the Altar and it is about time that we start living up to those obligations. If the community sees us taking care of our widows and extending out charity, which does not necessarily have to be monetary but could be coaching Little League and in general just getting involved in community affairs, I truly believe our membership problem will in some small measure take care of itself."

The Church-Lodge Relations Committee reported that it did not know of any unusual events that had occurred in the previous year in church-lodge relationships. However, it did relate one incident that might be considered both humorous and worrisome. The story was that "at a Masonic open house, a minister's wife was observed leafing through the bible on the altar and when one of the local lodge members said something to her, she commented, 'This looks like the bible we use.' The insinuation was that it must have been something different. We will be well advised to make ourselves better known and thereby remove some of the misunderstandings which seem to prevail." The committee added this admonition: "We all understand that our belief in God is the basic qualification to be a Mason. Let's not be ashamed to let the public know it."

The Public School Youth Committee reported that in the discharge of its duty to strengthen and support the free public school system it had conducted a state-wide school essay contest for junior and senior high school students. The topic for the 2002 contest was, What Three High School Activities Most Contributed to the Enhancement of My Educational Development. Four prizes (in the amounts of \$2,000, \$1,500, \$1,000 and \$500) were awarded. With reference to the Masonic youth groups, the committee urged all local lodges, as well as individual members, to do everything in their power to strengthen and support DeMolay, Job's Daughters and Rainbow Girls.

LOUISIANA

*192nd Annual Communication**Alexandria, Louisiana, February, 2003*

M.W. Bro. Joseph H. Baker opened his Address by encouraging his Brethren to continue their efforts to reduce the decline in membership. He emphasized, however, that success often is the result of a willingness to make changes. As an example of the kind of change that might have to be considered, he pointed out that many jurisdictions now permit their lodges to conduct business in the first degree so that Entered Apprentices will be involved more quickly in lodge activities. While recognizing that many Louisiana Masons find change a very hard pill to swallow, he stated plainly, "Until we are ready to accept change in the way we do things, we will make very little, if any, progress in stemming the loss of membership in our state."

The Grand Master spoke of the charitable enterprises in which Louisiana Masonry participates, including the Special Olympics in which Masons have been partners with the Law Enforcement Torch for several years. Another is Habitat for Humanity: M.W. Bro Baker feels it helps the poor by giving them a hand up – not a hand out. He reported that "The Masonic Learning Center for Dyslexic Children, our premier Grand Lodge charity, is steadily gaining in momentum. Without a doubt it is a program in consonance with our mission as Freemasons and worthy of our efforts."

The Foreign Correspondence Committee reported that several Grand Lodges had withdrawn their recognition of the Grand Lodge of Minnesota because it had recognized an irregular Masonic body in France which claimed to be a Grand Lodge. Although the committee recognized that the Grand Lodge of Minnesota had been in error in this matter, it agreed with the decision of the Grand Master not to take any action on this issue immediately but to take time to examine all available options. The Grand Lodge of Minnesota later rescinded its recognition of the irregular organization in France and again was recognized by all Grand Lodges. The issue was resolved, therefore, without the need for any action being taken by the Grand Lodge of Louisiana. The committee concluded its account of the incident by recording that it “commends the Grand Master on his wisdom and handling of this potentially explosive situation.”

MANITOBA

*128th Annual Communication
Brandon, Manitoba, June, 2003*

In his Annual Address, the Grand Master spoke of a general need for renewal in Masonry. M.W. Bro. Clay Conrad Munz reported that he had appointed a Grand Master's Special Committee on Masonic Renewal. It had developed the following Vision and Mission Statement, and he recommended that it be generally accepted as a statement of the means by which members of the Craft can most effectively contribute to Masonic Renewal:

Vision: To be the best resource to motivate and guide Freemasons in their quest for personal, lodge and community improvement.

Mission: To develop and empower Masonic leaders.

M.W. Bro. Munz continued his consideration of the need for renewal by reporting that the Special Committee on Masonic Renewal saw a need for the principles on which it based its basic Vision and Mission Statement to be applied at the Grand Lodge level as well. Accordingly, the Grand Master reported that “a Vision and Mission Statement for the Grand Lodge of Manitoba was also developed and is an indication of where the current leadership of Grand Lodge would see Freemasonry in Manitoba in the future.”

Vision: Freemasonry in Manitoba is the preeminent fraternal organization committed to making good men better through fellowship, leadership and education.

Mission: To teach, promote and perpetuate a fraternal way of life with high moral standards through self improvement, brotherhood, community involvement, charity and benevolence.

The Grand Master reported that Grand Lodge is about ready to begin its participation in the Child Identification Programme, as the preliminary work of getting equipment, supplies and personnel in place is nearly completed. “This has become a problem of epidemic proportions,” he stated, “with over 3,000 children in Canada (over 400 in Manitoba alone) going missing or being abducted yearly.” He added that from Masonry's point of view the Child Identification Programme is an excellent way to improve public relations, as it will show Masons to be good members of society.

The following motion was adopted by Grand Lodge giving approval in principle to admitting non-Masons to Lodge Installation Ceremonies: “That portion of the ceremony of installation of the Master Elect of a constituent Lodge, referred to as the Board of Installed Masters, shall be conducted only in the presence of Installed Masters and is beyond the power of dispensation of the Grand Master. The remainder of the ceremony of installing and investing the elected and appointed Lodge Officers may, with dispensation, be conducted in public.” It was argued that, in many cases, this move would increase the feeling of involvement and acceptance of Masonry by wives and other family members.

MASSACHUSETTS

Quarterly Communications and Stated Communication

Boston, Massachusetts, March, June, September and December, 2002

Recognizing that proposals for change usually are not welcome in Masonic circles, M.W. Bro. Donald G. Hicks, in his Address at the Quarterly Communication in March, asked his Brethren to view change in a novel way. He said that the traditions of Freemasonry must be honoured, but how were the traditions established, he asked. His reply was that forward-looking Masons bold enough to implement change established the traditions we hold dear. Now is the time for the Masons of the 21st Century to establish traditions for the future.”

The Grand Master continued his consideration of the theme of *Building on the Past as We Plan for the Future* by announcing that a Grand Lodge of Massachusetts Vision Statement had been composed with its particular needs and goals in mind. He then read the Statement, which is as follows:

Freemasonry in Massachusetts will be the outstanding fraternal organization for men. It will enhance and strengthen the character of the individual man by providing meaningful opportunities for fellowship, charity, education and leadership. It will thereby contribute to the improvement of the individual member, his family life, his community and his world.

At the December Quarterly Communication M.W. Bro. Hicks stated that the One-Day Class Programme, which had been approved earlier, would be introduced at five locations in different areas of the state, on November 1, 2003. He indicated, also, that memorization will be waived for all members of the one-day class.

A report by the librarian of the Samuel Crocker Lawrence Library was received at the Quarterly Communication in December. She reported on the completion of the project to convert the catalogue-card records of books and non-print materials to a machine-readable format. “The completion of the project provides,” she indicated, “a data platform that can allow the creation of a library Web site on which the Samuel Crocker Lawrence Library's patrons would be able to search our Library's catalogued holdings on line from wherever their own computer is located.” She added, “The Mission of Grand Lodge's Library and Museum remains what it always has been, i.e., to fulfil the educational and research needs of Massachusetts and other Freemasons, while serving at the same time as a resource to educate non-Masons about Freemasonry.”

MICHIGAN

177th Annual Communication

Acme, Michigan, May, 2003

In speaking of Masonic Renewal, M.W. Bro. David R. Bedwell shared with Grand Lodge a memory or two related to his Masonic journey. He confessed that as far back as when he was Senior Deacon in his lodge he recognized the need to make some changes and do things a little differently. Renewal of lodges, he said, has been the guiding light of all his work in Masonry. He reminded his Brethren that a Masonic educational programme, named the Acacia Programme is the main thrust of Renewal in Michigan, because it is “designed to help your Lodge succeed and to become relevant to your members and within your communities.” He added that the programme “teaches you to strive for excellence in everything you do, including your everyday life. These Seminars have been provided for several years at no cost to you or your lodge. Corporations pay thousands of dollars for the type of education that you receive, and it is provided to you as a benefit of your membership.”

The Grand Master made a further observation concerning Masonic Renewal. For it to succeed, he said, Masonry must have something to offer that potential members want. He suggested that the answer to the problem can be found in the findings of surveys conducted by Lou Harris on behalf of the Craft. These surveys show that a man in today's world demands five things in any organization which he would consider joining: Friendship, Fellowship, Involvement with his family, Involvement with his community and opportunity to lead.

Some Masonic Temple Associations have reported that they have been approached recently by an organization called Co-Freemasonry seeking to rent space in their buildings to conduct meetings. As Co-Freemasonry is not listed in Michigan Masonic Law as having been granted Fraternal Recognition by the Grand Lodge of Michigan, it is deemed (under the provisions of that Law) to be "clandestine and illegal." Therefore, a ruling was issued by the Grand Master that renting space in a Masonic Temple to Co-Freemasonry is a violation of Michigan Masonic Law.

MINNESOTA

149th Annual Communication

St. Cloud, Minnesota, April, 2002

M.W. Bro. Roger J. Taylor, in his Address, commended Minnesota Masons for steadfastly doing what is right in showing the community that Masons care for those with problems. "Lodges across the State," he said "have continued to participate in the Care Bear and Kids ID programmes. These are wonderful community efforts that reach beyond our lodge walls and let others know that Masons are good men, who want to make their community a better place to live."

The Grand Master addressed another community problem, which in his opinion Masons should consider. "Statistics show," he said, "that domestic violence is not limited by geographic area, economic status, religion, education level or culture." He quoted a law enforcement officer that next to drugs and alcohol, domestic abuse is the most difficult social problem they face. M.W. Bro. Taylor declared that, "This is a growing social problem and I ask the Masons of Minnesota to stand with me in speaking out against this terrible crime."

The Membership Committee reported that it had observed that "the events of September 11th have placed renewed emphasis on the virtues that Masonry reveres; namely, political freedom, religious tolerance and personal integrity. Those lodges that have taken the time to introduce good men to the principles of Masonry are obtaining petitions. Those lodges that do not make an effort to take advantage of this opportunity continue to languish." The committee supported its observation of the effects of the events of September 11th with some interesting statistics. It stated that in mid September, immediately following the tragic events in New York, "the Grand Master issued a challenge to those lodges that had reported raisings during the year to raise an equal or greater number of candidates though the remainder of 2001." The result, the committee was pleased to inform Grand Lodge, was that fifteen lodges met the challenge successfully. Those fifteen lodges had raised a total of twenty-two candidates from the beginning of the year 2001 to September 15th, whereas they had raised by the end of the year a total of fifty-six candidates.

NEVADA

138th Annual Communication

Verdi, Nevada, November, 2002

M.W. Bro. W. Wayne Perkins announced in his Annual Report that he found the Craft to be in good shape: "I see a great improvement in the ritual work. There appears to be an

increase in the volume of the work done. More interest in youth groups. More work going on with education. More events to bring public recognition to the Freemasons of Nevada, such as Child ID Programmes and Masonic License Plates." He added that a video production which they had prepared would soon be shown on Public Television.

The Library Board reported that the upgrade of the computer is in progress and it is now operational, although further improvements are needed. The programme being used has been designed to allow a quick search of the database to find an item for which a client is searching.

The Joint Masonic Fraternal Relations Committee stated that it had not met during the current year. Under the terms of the compact between the Grand Lodge F. & A. M. of Nevada and the Prince Hall Grand Lodge Free and Accepted Masons Jurisdiction of Nevada Inc. the Chairmanship of the Committee alternates between the two Grand Lodges. In the previous year the Chair had been held by the Prince Hall Grand Lodge. The committee assured Grand Lodge that "it is not alarming that no formal meeting was held because one of the purposes of the committee is to resolve problems, and no problems arose. Our fraternal relations remain good."

NEW BRUNSWICK

136th Annual Communication

Saint John, New Brunswick, May, 2003

Speaking of Masonic Renewal, M.W. Bro. R. Wayne Hitchcock congratulated the districts that had held a Friendship Night, which was an important project in the five-year plan of Grand Lodge. He told of one lodge which had a remarkably successful event. It sent invitations to husband and wife couples that had been selected by the members and, after an excellent meal, there was a lodge tour with interesting displays set out and explained. The Grand Master was excited about the results of the occasion: two applications for initiation and one for affiliation were generated that evening, together with four promises to submit applications later. Most exciting, he said, was that the ladies who were at the evening were so impressed and talked around the town so much that "two men who hadn't been at the meeting were moved to submit applications for membership."

The Grand Master referred to the importance of youth as the future of the Masonic Family and for that reason DeMolay and the Order of Rainbow for Girls are of great interest and concern to Grand Lodge. He urged lodges to give to members who are working with Masonic Youth Groups all the time they require in lodge meetings to promote these groups. "Lest we, as men, get it in our heads that DeMolay is more important than Rainbow," he related a story told to him by a Deputy Grand Master in Western Canada. This Deputy Grand Master is heavily involved in Job's Daughters and, on one occasion, he was approached by a young Jobbie who said to him "When I grow up I'm going to marry a Mason and if he's not a Mason, I'm going to make him join." M.W. Bro. Hitchcock added, "There you have it, Brethren, from the mouth of babes!"

In its report, the Library Committee indicated that a title and subject catalogue of the holdings of the Grand Lodge Library and of the Grand Lodge Archives is nearly completed. This catalogue will facilitate historical research, whether by Masons or others.

The N.B. Masonic Charities and Housing Company reported that the Deaf/Blind Rubella Summer Camp had been given funds to sponsor eight children who are deaf and/or blind, many since birth. Also, the Canadian Cancer Society had been given a contribution to pay for the attendance at the N. B. Masons Camp Goodtime of forty-nine children (ages seven to thirteen) who have a history of cancer. M.W. Bro. Hitchcock said of his visit to Camp Goodtime, "How wonderful to realize that our efforts could supply an environment where

these children, called upon to face so much at such a young age, could forget their trouble for a brief time and just enjoy being children. To play and shout and laugh with abandon is a gift that only God can give. It is such a pleasure to be one of God's tools in this important work."

NEW HAMPSHIRE

*Semiannual Communication and 214th Annual Communication
Manchester, New Hampshire, November, 2002 and May, 2003*

In its report to the Semiannual Communication, the Unity Committee stated that it was continuing its effort "to co-ordinate major jurisdiction-wide events in a manner to avoid conflicts between the various bodies in our 'family.' A conscious and effective effort was made to 'fix' several existing conflicts. We continue to work together to promote the unity that one would expect in a 'family' such as ours."

The Grand Master's Commission on Masonic Preservation, Advancement, Structure, Symbolism, Education and Strength (also known as *Compasses*) reported at the Semiannual Communication that it had been directed by the Grand Master to undertake a survey of the Masonic activity of all Master Masons raised in the two One-Day Classes held in 1998 and 1999. A report will be submitted upon completion of the survey.

M.W. Bro. Wendell L. Woodward, in his Address at the Annual Communication, stated that there had been considerable improvement in the lodges during the previous year. He listed some factors which he considered accounted for that improvement:

- Lodge meeting programmes have increased;
- More Public Awareness from involvement in community projects;
- Lodges opening/working in all degrees, involving more members;
- Lodges participating in classes improving administrative skills;
- Many lodges are receiving more petitions than for several years.

"All these efforts," as considered by the Grand Master, "lead to stronger, more enthusiastic and healthier Lodges and, yes, our ritual also is on the upswing."

Notwithstanding the generally favourable state of affairs in Masonry in New Hampshire, M.W. Bro. Woodward recognized that there were serious problems. "In the ensuing year," he warned his Brethren, "we must address the fact that there are lodges which need our assistance in order to survive." He stated that a plan will be formulated and implemented to address this issue.

Another initiative which the Grand Master announced was the formation of a Membership/Publicity Committee, which will have in its membership a representative from each of the Masonic concordant bodies. "The aim," he said, "is to develop an approach where the Fraternity as a whole can release current events, news and some targeted advertising by means of professional contacts."

In its report the Widows' Programme Committee indicated its willingness to assist any lodge having a special project or event to honour their widows. The committee congratulated lodges with such projects or events and it urged other lodges to become active.

NEWFOUNDLAND AND LABRADOR

*6th Annual Communication
Gander, Newfoundland, October, 2003*

In his Annual Address, M.W. Bro James Tulk reminded Grand Lodge that he had chosen for his theme *Caring and Sharing* and that it had been his firm belief that if the Masons of Newfoundland and Labrador got out into the community and practised what is taught within the lodge there would be men out there who would want to join the fraternity and who would want to remain a part of it.

The Grand Master concluded his Address with a quotation which contained what he considered to be a most beautiful description of Freemasonry. It appeared, he stated, in the September issue of *Embassy Notes*, published by the Masonic Service Association of North America:

"Masonry is a quieting experience like the whisper of a spring breeze. It fascinates like the rumbling of distant thunder. It lights our way like a flash of sheet lightning on a dark night. It inspires confidence like the rhythmic patter of April raindrops upon the roof. It spreads serenity like a summer noon creeping into the sky with hot feet. Its beauties entrance one like a perfect sunset. Its philosophy permeates one's soul like the joy of Indian summer. Masonry develops Manhood in a Brother so that there can be more Brotherhood in Man."

As an indication of harmony within the Craft in Newfoundland and Labrador the Committee of General Purposes noted in its report that "Our Grand Lodge continues to be represented at all of our Lodge Installations, as well as those of the District Grand Lodge of Scotland throughout the province."

In its report the Committee of Benevolence indicated that it was continuing to provide assistance to needy Brethren and widows. In particular, it reported that it had provided assistance to five beneficiaries on a monthly basis for a total outlay of \$1,100 per month.

NEW MEXICO

126th Annual Communication

Deming, New Mexico, March, 2003

In his Address, M.W. Bro. William T. Beckett said regarding the state of the Craft, "I have found that Masonry as a whole in New Mexico is actually in pretty good shape." With respect to the consolidation of two lodges, the Grand Master pointed out that "as communities prosper and wane and the population shifts from one place to another we will find that these changes are necessary. One strong Lodge is able to accomplish much more than two weak and failing Lodges."

The Grand Master expressed some misgivings regarding recent attempts to simplify the ritual. He was afraid that the effort to ease the way into Masonry may have taken some of the excellence out of the Craft. "Ritual may not be what Masonry is about," he said, "but the lessons taught there are not to be taken lightly. Masonic Ritual has been handed down from Mason to Mason, and the lessons taught were beautiful and necessary. When we forget that there are lessons taught and start to believe that it is only words, then we have lost the true meaning of Masonry. There are no short cuts in learning or teaching."

The Committee on Masonic Youth reported that it has continued working with local lodges in support of DeMolay, Job's Daughters and Rainbow for Girls and also, in regard to the latter two, with the Order of the Eastern Star. Although there has been, in recent years, a decline in interest in Masonic opportunities for young people, the committee expressed its thanks to those Masons "who have this past year started to make the decline change its direction and begin to go up for our Masonic Youth Groups."

In its report the Committee on Ritual expressed its agreement with the Grand Master's views concerning the need to resist efforts to "simplify" the Ritual. It pointed out that "the lowering of our standards did not produce growth in our ranks of members who will work for the Craft. Our lessons will be lost, our purpose will be lost and the Craft will continue to decline. When excellence is not the standard, then mediocrity will prevail."

NEW ZEALAND

112th Annual Communication

Christchurch, New Zealand, November, 2002

M.W. Bro. Ian R. Ross announced that Grand Lodge would receive a report which it had commissioned on a survey of Freemasonry in New Zealand, to be delivered by a senior consultant with the marketing research firm of A. C. Nielsen, in Wellington. The survey was an update of another investigation which had been conducted in 1993 by the same firm. The focus of the research was to identify changes that might result in members, particularly younger ones, retaining their membership longer and eventually becoming active in the Craft.

One suggestion was that it might be helpful to have some good "written guidelines for new members to help them really understand what is happening" and to help them to understand sooner the principles and missions of Freemasonry. A need was seen here to have good monitoring programmes with older and younger members working in pairs, so as to develop more unity between the two age groups. Another recommendation was that there be more recognition of the needs of those who, for whatever reason, do not wish to participate in the ritual and/or be active in ceremonies. It was suggested that "there is a need to make sure that skills, other than ceremonial skills, are both recognized and appreciated and harnessed for the good of your lodges." Relative to the problem which the research was directed to investigate, the report gave this summary of the views of the men who were interviewed during the study: "Empowering younger men is obviously the key to this because these are the men who are coming in and cycling out again. So very much they are talking about social activities involving families and other activities."

The writers of the report offered this conclusion:

"It is up to you really to address the needs of younger members and really help make sure that they become a part of, and are welcomed in their youth, and their enthusiasm really embraced within your Lodges to enable you to retain your vibrancy for the future."

M.W. Bro. Ross, following the reading of the report by the representative of the marketing research firm, said: "At some stage the Divisional Grand Masters will be giving this information to the lodges and, brethren, any work our organization can do for the betterment of Freemasonry has got to be good and I believe a survey of this type has much to offer and it is very important that now having done this, that we do something about it."

NOVA SCOTIA

138th Annual Communication

Truro, Nova Scotia, June, 2003

In his Address to Grand Lodge, M.W. Bro. Earl M. Faulkner stated that some Masons advocate that an effective way to address the problem of declining membership is to experiment with simpler ritual in order attract men by making the steps in becoming a Mason appear easier. The Grand Master did not advocate "shortcutting all the very necessary ceremonies and traditions of our Order by making a Mason in one day." He pointed out, however, that he had stated a personal opinion only and that he would watch developments in the current experiments before adopting an official position.

The Grand Secretary explained that when lodges, because of reduced membership or other reasons, are forced to surrender their charters, it is the policy of Grand Lodge that the charters are, "held in a state of *Retirement*, so that one or all of these charters may be reactivated under their original name and number should a viable group of Masons" at some future time wish to bring a lodge and its charter out of retirement.

The Committee on the Condition of the Order made this comment in its report, "Several District Deputy Grand Masters have realized that the District Deputy Grand Master is not a social position, but a real working task with great social benefit." In the committee's judgement, "The majority of our Lodges are doing well, very well."

With regard to the relationship of Masonry and Religion, the Committee on the Condition of the Order agreed that Masonry is not a religion but, nevertheless, its essential aim (as is the case of all religions worthy of that designation) is to teach its members "to be good men and true." The committee strongly emphasized that, "A member of this Grand old Order who fails to see that this is the highest point of its teaching must, indeed, be dull of comprehension."

OHIO

194th Annual Communication

Dayton, Ohio, October, 2003

M.W. Bro. Thomas E. Reynolds spoke of the theme which he had chosen for the year, *WORKING TOGETHER; IMPROVING THE WORLD*, and thanked his brethren for their support. He was particularly appreciative of their participation in the Model Student Assistance Programme. He said that he related closely to it as an educator. Another example of working together to achieve improvement, with which he was pleased to have been associated, was a project for training newly elected lodge officers, called the "Building the pillars of Lodge Leadership and Management programme."

The Grand Secretary gave an exceptionally optimistic report, stating that for the first time in 42 years the Grand Lodge of Ohio recorded a gain in membership. "The impact on Lodges," he said, "is astounding. In 2002, 367 lodges showed gains in membership, compared to only 77 last year. In 2002, only 164 lodges decreased in membership, compared to 460 who recorded losses in 2001."

The Fraternal Correspondent prefaced his report with this editorial comment: "I hope that each Lodge will take time during a stated meeting to report on some of the actions being reported by our sister jurisdictions. Our members need to hear about the changes being enacted or being considered. The real message is the fact that the Face of Masonry is constantly changing. We should not fear *CHANGE*. Our responsibility is to embrace that *CHANGE* and ensure that it is effective in promoting our fraternity and the principles contained in the lessons of the degrees."

In its report the Grand Lodge Youth Committee conveyed the thanks of Job's Daughters, Rainbow and DeMolay for the financial support they receive from Grand Lodge. Without this welcome support, these groups could not operate. The committee emphasized, however, that "In addition to the financial support, what is desperately needed is the commitment and dedicated personal involvement of human resources. With an actively involved adult advisory committee to help supervise, our Masonic Youth Groups can better implement membership development and retention programmes."

The report of the Masonic Model Student Assistance Programme stated that the Masonic Model Training seminars continue to be popular in Ohio schools. Participants routinely send cards and letters thanking the Freemasons of Ohio for providing needed training. There are six annual three-day core trainings and one one-day refresher, which are held at the Ohio Masonic Home but when there is sufficient interest local training sessions are held. Grand Lodge provides half of the required funding, while the rest comes from the Safe and Drug Free Schools Division of the Ohio Department of Education.

PENNSYLVANIA

Quarterly Communications and Annual Communication

Philadelphia, Pennsylvania, March, June and December, 2002

In its Report to the March Quarterly Communication the Committee on Membership Operation, Rescue/Recovery outlined its strategy for each of the two aspects of its assignment. The first aspect deals with Rescue. Here the concern is with Masons who are already members but have lost interest. The recommended strategy is for each member to be contacted personally if possible, or by telephone if necessary, to determine what problems exist. The second aspect deals with Recovery. Here the concern is with non-members. The recommended strategy here is using a programme called *Friend to Friend*. The committee confessed that a major concern is how to motivate the Masters, Wardens and Secretaries of lodges. The committee reported at the June Quarterly Communication that reports were better than had been expected. At the December Quarterly Communication the Committee on Membership Operation, Rescue/Recovery gave a report of its success: "Reports from across the jurisdiction are positive as more and more Lodges have scheduled *Friend to Friend* programmes." Preliminary figures from Lodge Monthly Returns indicate initiations for this year should exceed 2001 figures.

The Grand Master, R.W. Bro. Marvin A. Cunningham, gave a full report in December of the visitations which he had made, including those outside the jurisdiction. In addition, he submitted a list of the fifty-seven dispensations which he had granted.

In its report the Committee on Internet Services gave an account of the online Masonic Employment Center which "offers Pennsylvania Masons the opportunity to post resumes and job opportunities, exclusively for Brother Masons." There is no fee.

The Pennsylvania Masonic Foundation for Children's mission to reduce "drug and alcohol abuse by young people through education, intervention and counselling continued to grow through 2002. The major programmes supported by the Foundation try to address these diverse concerns. The Student Assistance and Drug Abuse Resistance Education programmes expanded through the years to include other vices such as tobacco, inhalants, gambling and violence."

The Pennsylvania Youth Foundation reported that "due to the R.W. Grand Master's decision to give a blanket dispensation to all who choose to petition for membership following their 18th birthday, we have seen a large number of DeMolay members and other young people joining our ranks. This has had a very positive effect on our DeMolay Chapters because it has increased the attention paid to them by local Masonic Lodges. DeMolay members enter the Craft with a full understanding of the responsibilities of fraternal membership and the importance of ritual in teaching moral lessons."

PERU

Annual Communication

Lima, Peru, March, 2003

As seen by Ven. Bro. Guido Gamarra Carmona, life is a lengthy journey along an interesting but difficult road. With respect to Masons, he said in his *Words of the Venerable Master*, "From our initiation, we assume the high and noble position of Masons and, from that great moment, we sense that something marvellous has just begun and that we will travel on a road of great difficulties, but also of great conquests."

Conquests will be achieved by the newly initiated Brothers, he said, "through the personal effort and fraternal support of older Brothers. These Brothers will become guides, examples and, in other words, they will become conveniently handy Masters. They are like water for the life of a tree and assume the responsibility of knowing how to teach and the

younger Brothers assume the great responsibility of being alert and receptive, becoming better each time.”

The Venerable Master concluded his remarks with this statement of his concept of the ideal Masonic experience: “We will travel along the road of the Masonic life with humility, loyalty and a spirit of service and, above all, with an enormous sense of Honour and Duty and thus our Order will never lose the moral force that is seen in it.”

PRINCE EDWARD ISLAND

128th Annual Communication

Summerside, Prince Edward Island, June, 2003

RETAIN – REVITALIZE – RENEW – This was M.W. Bro. J. Cooke Howatt’s theme for the year. He thanked his brethren for the many ideas which they had expressed concerning the theme which gave much food for thought. He expressed the hope that “some of these ideas will be implemented to make our Lodge a healthier and happier place to meet and work.”

M.W. Bro. Howatt concluded his Address with a statement of deep personal feeling, which surely must have struck a responsive note in everyone present, who looked back on his own experiences when at one time or another he had accepted the responsibilities of leadership, whether it had been in a Lodge, in a District or in Grand Lodge. “It is the personal and spiritual satisfaction,” he told them, “that I have derived from the privilege of being your Grand Master and not the material achievement that has made this Grand Master’s year complete. It is the thrill of comradeship that comes from leading such a fine group of Brethren that is so rewarding.

The Board of General Purposes reported that it had given consideration to the question of Lodge Secretaries communicating with each other. The Board reported that the consensus which it had reached concerning a Secretary being in direct communication with another Secretary was that this must be done through the office of the Grand Secretary.

The report of the Committee on the Condition of the Order expressed doubt whether it had been wise in recent years to put such emphasis on keeping fees low, so as to make Masonry appear more affordable to potential applicants. The committee was of the opinion that “if we are to restore the activities that used to make us more attractive and more effective, we must now consider a different strategy. We should list what we should be doing, assess what we must pay to do those things and set dues accordingly. The Craft cannot survive the competitive challenges of modern society by doing less. It must be willing to pay to be able to do more. Experience elsewhere has shown that well justified dues increases, even large ones, do not lead to mass demissions, and that net increases in financial health are always the actual outcome.”

QUEBEC

133rd Annual Communication

Montreal, Quebec, May, 2003

In his Grand Master’s Address, M.W. Bro. Emanuel U. Liechti spoke of the Grand Lodge Recognition Programme and referred to an innovation, which is to be known as the Grand Master’s *Tutor Pin*. He stated that, to a maximum of three in a year, a “distinctive mark of recognition is to be presented by the Grand Master to a Brother who has dedicated himself to the furtherance of Masonic knowledge and encouraged the observance of our customs and usages. The Craft relies on dedicated brethren who provide knowledge and guidance to members within our Fraternity, study Masonic History or deepen their knowledge of our ancient usages.”

M.W. Bro. Liechti announced that he had informed the Board of General Purposes that henceforth most District Deputy Grand Masters would serve two-year terms, so that in any given year though half will be inexperienced, the other half will have been in office for a year. He indicated that in his judgement "this will assure the Grand Master of more depth of experience in his team for the term of his Office."

The Grand Secretary, in reporting on his attendance at the All Canada Conference, commented on the general perception that "the greatest blessing and curse of our times is e-mail, closely followed by the Internet. The boundaries of the normal channels of communications are all but erased in many cases. The medium allows such quick and easy communication that what was formerly kept private has become common knowledge to almost every stranger. Most Grand Secretaries' offices receive many more messages than can possibly be answered. The trivial, the important, the legitimate and the 'Spam' are all mixed together."

The committee on the State of Masonry expressed pleasure in its Annual Report that a number of lodges were enjoying an increase in membership. On the other hand, it expressed concern that many lodges frequently have too few of their own members present to meet the requirements of the Ritual. "Too many Lodges," it warned, "are depending on the same stalwart Masons, many of whom are dual, or plural members." The committee urged lodges with insufficient resources to take a hard and realistic look at their future and then develop an active plan for revitalization.

QUEENSLAND

Quarterly Communications

*Toowoomba and Brisbane, Queensland, Australia
December, 2002, and March, June, September, 2003*

M.W. Bro. Alan Herbert Wright spoke bluntly at the December 2002 Quarterly Communication to those who unthinkingly resist all change: "As a Grand Lodge, we will either change or we will perish. If you don't want Freemasonry to survive in Queensland, then reject any attempt to modernize the Craft. If you believe, as I do, that we should leave a legacy for our children, and our children's children, then have an open mind about what is needed to ensure the future of this Craft."

At the March Quarterly Communication in Toowoomba the Grand Master reported on the partnership with the Leukaemia Foundation. The Masons of Queensland "not only achieved our goal of raising the pledged \$1.2 million, but exceeded that amount by another \$300,000. This is a result that we can all look upon with great pride. "There was a benefit for Masonry as well, as M.W. Bro. Wright pointed out. "Without doubt the Craft is better known," he said, "in our communities now than it was at the start of this project some two years ago," because of hundreds of newspaper, radio and television reports of events where Masons were seen raising money to help build better facilities for those suffering from Leukaemia.

M.W. Bro. Wright gave to the June Quarterly Communication his formula for success. "The Lodges," he said, "which are attracting candidates and retaining them – and there are many that are doing just that – are providing meetings which are a pleasure to attend and a supper worth staying back for. It may cost a little more and require better planning, but it is the only way forward."

At the September Quarterly Communication the Grand Master spoke of two lodges whose members show outstanding dedication to their lodge and to Freemasonry. In one of these lodges only one member lives within 400 km from where it meets and in the other no member lives closer than 150 km. M.W. Bro. Wright reported that "Many of them sleep overnight in the lodge room after a meeting and drive home the next day. We could learn a lot about commitment from these brethren."

SASKATCHEWAN

97th Annual Communication

Regina, Saskatchewan, June 2003

A mission statement, M.W. Bro. J. Stuart MacLachlan announced in his Address, had been developed, which he quoted: "Freemasonry in Saskatchewan is a fraternal organization committed to the Masonic principles of integrity, belief in a Supreme Being and participation in community service."

In reporting on amalgamations that had occurred during the year, M.W. Bro. MacLachlan commented: "I consider amalgamations a positive procedure as, in the majority of situations, a stronger union is created that will allow a Lodge to continue for several years and preserve the history of both Lodges."

The Grand Master reported that there had been a series of very successful meetings with senior representatives of all of the Concordant Bodies in the Saskatchewan Masonic Family. There were discussions of items of mutual interest, such as ways to increase membership, co-ordination of major events so as to avoid conflicts in scheduling, public relations and ways to conform to his theme, *LET'S COMMUNICATE, COMMUNICATE TO CREATE*.

M.W. Bro. MacLachlan indicated his pleasure in two successes relating Freemasonry and Youth. The first of these was a Masonic Youth Leadership Camp in the summer of 2002 which was reported by those in attendance as having been most successful. The second success was the progress that Job's Daughters and DeMolay are making at several locations in the Province. The Grand Master added this important comment: "Our physical and financial support is still required and every Mason is requested to do so."

The Youth Programmes Committee reported success in its work relating to the four aspects of its Mandate:

1. Ensure the awarding and distribution of all scholarships and prizes administered through the Grand Lodge of Saskatchewan;
2. Encourage and assist the development and enhancement of the Order of DeMolay and the International Order of Job's Daughters;
3. Develop and endorse programmes for the consideration of the Board of General Purposes, which are designed to develop student leadership skills;
4. Encourage and assist Lodges to undertake community youth programmes and projects which will be consistent with the 'Youth Philosophy' adopted by Grand Lodge.

The Committee on the Condition of Masonry reported that the Craft is in good health in Saskatchewan. However, it made one negative comment: "Fifteen lodges were not up-to-date with the Historical Record. If this information is not kept up-to-date, the history of the Lodge may be lost forever."

SCOTLAND

Quarterly Communications and Annual Communication

Edinburgh, Scotland, February, May, August and November, 2003

Two grants of One Thousand Pounds each were recommended by the Board of Benevolence and approved at the February Quarterly Communication:

1. To the *Victoria and George Cross Memorial Appeal*, to meet the cost of the installation and dedication of a National Memorial to those who had been awarded the Victoria Cross and the George Cross;
2. To the *Colon Cancer Concern*, to assist this Charity in its endeavour to develop its services in Scotland and to open a Scottish office in Dundee.

In its report to the June Quarterly Communication, the Grand Committee proposed changes in the committees of Grand Lodge. The Most Worshipful Grand Master Mason, Sir Archibald D. Orr Ewing, stated that changes would be made only where beneficial and appropriate. The committee reminded Grand Lodge that the current system “requires substantial self commitment and time, generates a vast amount of paper work and results in an extremely high postage cost.” It added that there had been a growing awareness within Grand Lodge of the need to review the structure and operation of the committee system.

The Grand Committee, in stressing the need for the changes which it recommended, referred to a principle that has a much wider application than to the specific proposal being considered by Grand Lodge. “All Organizations,” it stated, “work within environments which are volatile and unstable and the sign of good leadership is the way that change, in relation to these environments, is managed in order to maximize the available resources of the Organization. The need to adapt and respond to change is key to the success of an Organization. Grand Lodge is not immune to the above process and the management of the necessary change is of paramount importance in enabling the Organization to continue to prosper.”

At the August Quarterly Communication Grand Lodge approved the restructuring of committees, as had been proposed in June by the Grand Committee. The Grand Master Mason confirmed that, in the ordinary course of events, there would be a considerable delay in implementing the changes relative to the Grand Lodge committees. The procedures that normally would be followed to effect the needed adjustments to the applicable sections of the Masonic Constitution of Scotland would consume a great deal of time. To avoid this delay, however, the Grand Master Mason suggested (and Grand Lodge agreed unanimously) that he grant a dispensation in order that the proposed changes come into effect without undue delay, so that the new structure of the Grand Committee would be effective as of its next meeting, which was scheduled for December 11, 2003.

SOUTH AFRICA

41st Annual Communication

Johannesburg, Union of South Africa, November, 2002

In his Annual Report, M. W. Bro. B. G. Lindeque stated that the returns from the Provincial Grand Lodges indicated an increase in applications for membership. His good news was tempered, however, by the number of lodges that had ceased to operate and had returned their Charters. Some lodges might have been saved, the Grand Master said, if warnings had been heeded and action taken. He made it clear that he believed that it is action, not words, that gets things done.

The Grand Master spoke, also, of the need for Masonry to give serious consideration to the need for more openness in its thinking and actions. Therefore, he had encouraged participation in press, radio and television interviews, and also making the *Newsletter* and *Year Book* available to everyone expressing an interest, as well as receiving many thousands of visitors on the Grand Lodge Web Site. He pointed out that Masonic Funeral Services have an important role in making Masonry more favourably known in the community, as was shown by the comments and gratitude expressed to him by the widows, family members and friends of departed brothers.

Another way in which openness can make Masonry better known is to hold open meetings, including open installations. Although open installations require careful attention to keeping secret those things that should not be made public, the Grand Master emphasized that there are other kinds of open meetings where no such problems would arise. He indicated his pleasure in seeing that “an increasing number of Lodges held open meetings during the past year. Some Lodges reported attendance of forty or more members of the

public, male and female, and in a few cases have generated applications for membership. The object of an open meeting is a public relations exercise, not a recruiting drive, but it seems that one could (and has) led to the other."

SOUTH CAROLINA

266th Annual Communication

Myrtle Beach, South Carolina, April, 2003

In his Address to Grand Lodge, M.W. Bro. G. Kent Elkins stated that Masonry in South Carolina was remarkably well and continuing to improve. Although members were being lost by death and nonpayment of dues, he felt that the tone is tending upward. "Over the years, as we have seen this trend in loss of members develop," he said, "each Grand Master has stressed the importance of making personal contact with those about to go NPD and ascertain if the Brother is actually aware that he is about to lose his membership. In a number of cases I have seen a Brother's membership saved by this personal contact." He stated that personal contact with a Brother is important, also, at the beginning of his Masonic career. In this connection, the Grand Master referred to the practice which had been established recently of sending a letter of welcome to every newly raised Master Mason. He assured Grand Lodge that he had considered it a privilege to continue this practice and had mailed 180 letters to those new members whose Lodge Secretary had submitted the names and addresses of the brethren concerned.

M.W. Bro. Elkins concluded his Address with these words: "Let us then, my brethren, be true to ourselves, true to each other and true and loyal to the tenets and sublime teachings of our Order, and then shall Masonry be a practical realization of the sublime truth that *GOD HATH MADE MANKIND ONE MIGHTY BROTHERHOOD, HIMSELF THEIR MASTER AND THE WORLD HIS LODGE.*"

The Masonic Education Committee reported that it had continued to promote and encourage Outdoor and Early Morning Degree Meetings. Meetings of this type have become a tradition in many Lodges and Districts as it has been found to promote good fellowship in the Craft. The committee recommended that other Lodges and Districts have such meetings, adding that possibly "it may be a way to boost attendance."

In its Annual Report the Grand Lodge Library and Museum Committee drew attention to the needs of the future, as well as the heritage from the past. The chairman of the committee reminded his brethren that "many irreplaceable Masonic treasures have been lost to the Fraternity over the years, usually due to surviving family members being unaware of the Masonic value of a deceased Brother's memorabilia. Sadly, many of these items are discarded and later turn up in flea markets or for sale on internet pages." He urged that every Mason add a codicil to his will directing that all Masonic memorabilia be deeded to Grand Lodge.

SOUTH DAKOTA

128th Annual Communication

Vermillion, South Dakota, June, 2002

In his Address as Grand Master, M.W. Bro. Charles N. Kaufman directed the attention of his Brethren to the subject of change, particularly in a Masonic context. He warned that a *Business As Usual* attitude is not merely unacceptable, it is suicidal. Masonry is in heavy competition for time, which is the currency of today's generation. "We are going to have to change," he said plainly, "We must not be afraid to change and do things differently." He recognized that some changes will be hurtful but he asked this question, "Do we want to hurt that way or do we want to see the organization continue to decline?" He was confident, however, that the Masons of South Dakota would overcome the obstacles facing them

because he was very pleased with the spirit that he had seen as he visited lodges in all parts of the Jurisdiction during the past four years. He was convinced that “the strength, the wisdom and the knowledge are there for us to succeed.”

The report of the Membership Committee observed that, even though there was a decline in membership, there were some positive results as well. The committee stated that lodges that have active programmes and also are active in the community are now starting to see more young men being interested in the Craft. It was the committee’s judgement that, “The active Lodges are the ones that are having the best results. Activity promotes membership and ultimately growth.”

TEXAS

167th Annual Communication

Waco, Texas, December, 2002

“I am proud to note that a great number of our Texas Lodges are displaying the lessons of Freemasonry by their very actions,” M.W. Bro. Michael D. Nanny stated in his Grand Master’s Report. He pointed out that lodges participating in community projects promoted by District Service Teams across Texas are enjoying a resurgence of interest, as shown by increased numbers of petitions. He was convinced that together they could create an attractive environment. Good men in Texas, he said, “will seek us out in large measure by the quality of our service to the communities in which we live, work and worship. They will see a very clear message in the actions of individual Masons that “Freemasonry is a place where the Brotherhood of Man under the Fatherhood of God is alive and well!”

The Committee on the Internet reported a busy year in which it continued to improve the e-mail and Web site services of Grand Lodge. There has been an increase in the number of visitors to the Web site, including more inquiries from potential prospects for membership. “E-mails received from these prospects are forwarded via e-mail or snail mail to the Lodge nearest to the person making the inquiry for follow-up,” the committee stated. It added that reports had been received indicating that these follow-ups sometimes resulted in an application for initiation.

Regarding the change in the Grand Lodge’s domain, the Internet Committee explained that this had been done to “preserve and enhance the identity and trade name of our Grand Lodge. So all you have to do now to get the Web page is to type grandlodgeoftexas.org in the address line and the Web site will come up.”

The Committee on Masonic Education and Service reported that it maintains an active programme in which it conducts videotaped interviews with Past Grand Masters and other Masonic dignitaries for historical purposes. These videotapes are kept in the Grand Lodge Library and are available for historical research or other approved purposes.

VERMONT

209th Annual Communication

Killington, Vermont, June, 2003

In his Annual Address, M.W. Bro. Theodore C. Corsones introduced the subject of changes in Masonry with two quotations. The first was a statement by Oliver Wendell Holmes: *The greatest thing in this world is not so much where we are, but in what direction are we moving.* Secondly, he quoted Heraclitus, a Greek philosopher who said: *There is nothing permanent but change.* To which the Grand Master added, “Those who do not change at best are out of step, at worst are out of existence.” He pointed out, however, that he did not advocate changes in Masonic principles or precepts. “Each generation,” he said, “must be assured, in a slightly different manner, that we, as Freemasons, have a vital and meaningful message. It would be our obligation to bring this message to the uninformed so that they

would understand it and be moved by it.

In reporting on the current status of C.A.R.E. (*Comprehensive Assessment Recovery Effort*), M.W. Bro. Corsones reminded his brethren that the goal of this community outreach programme is to assist in identifying adolescents whose behaviour, attendance or grades indicate that they may be having problems related to substance abuse. "We, the Freemasons of Vermont, at our own expense sponsor seminars staffed by professionals to train our teachers and administrators to recognize the symptoms of children at risk. These teachers and administrators are then able to discuss the problem intelligently and sensitively with parents and guardians and direct their children to appropriate services in the community that will offer proper assistance."

Supplementing the remarks by the Grand Master concerning C.A.R.E., the committee responsible for administering the Masonic Charities C.A.R.E. Programme reported that the most recent training seminar had been very successful and that "34 teachers and administrators went back to their schools enthused and ready to help children with 'Broken Hearts'."

In its report, the Committee on Communications and Public Relations stated that it facilitated coverage of all newsworthy events with press releases to newspapers, monthly publications, radio and television stations. Grand Lodge continued sponsorship of Saturday morning programming on Vermont Public Television. The *Vermont Citizen of the Year Programme* was continued as an outstanding Mason was honoured at each District Meeting for his community service activities. Photographs and press releases concerning the award winner were sent to the media in the locality of the District Meeting. Also, each winner received press coverage in his local community, with a major article published in each District. Full support was given to the editor of the *Green Mountain Freemason*.

VIRGINIA

224th Annual Communication

Richmond, Virginia, November, 2002

In his Grand Master's Address, M.W. Bro. Clifford Alan Parker stated that support for the Masonic Youth organizations of Virginia was a significant element in achieving the goal which he had chosen for the year, which was *ON COURSE FOR THE 21ST CENTURY*. He required, therefore, that one requirement in the qualifying process for the James Noah Hillman Award for lodge excellence was that the Master and officers of a Lodge attend at least three meetings of the youth organizations. His reason for this requirement was his belief that the physical display of the commitment of Virginia Masons to the youth organizations will pay a rich return in the future for the Fraternity.

M.W. Bro. Parker reported that he had requested each prospective Master to look around his community to see if there were ways in which his lodge could make a useful contribution to the life of that community. "I believe," he said, "that we must attempt some type of outreach programme to remind our communities, and the world, of the excellent teachings Freemasonry has to offer. By becoming an active partner with community involvement, we will once again become the type of organization to which men of honesty and integrity will want to belong and in which they will want to participate."

In his assessment of the state of the Craft, the Grand Master said of the Masons of Virginia, that their enthusiasm has shone like a beacon this year. He reminded the members of Grand Lodge that for a beacon to remain bright the lens must be polished and the way to do that is by leadership. His challenge to them was this: "We are surrounded by good men who are looking for other good men to lead them. Each of you should be willing to take a turn at the ship's wheel and help guide our great Fraternity. This will allow you, your Lodge and Freemasonry to grow."

The advice which M.W. Bro. Parker gave to the officers of the subordinate lodges was equally direct: they must continue to reinvigorate their lodges by more community involvement, more family activities and more interesting programmes. He told them that they should “make Lodge attendance habit-forming. Give the members a reason and desire to come to Lodge.”

WASHINGTON

*145th Annual Communication
Spokane, Washington, June, 2002*

M.W. Bro. Robert L. Van Zee remarked in his Message that the year had been one of transition by design and, also, that it would not be the last year of transition by design. “We have been in transition for years,” he said, “probably forever.” The difference now is, it is by design. We are determining where we want to go; we are not just drifting along like the tumbling tumbleweed. We have a VISION. We have a PLAN. We are starting to FOCUS on where we want to go, and it is showing. My theme this year was FOCUS because I believe we had lost the FOCUS of what we are about, our purpose for being here and, for sure, where we were going.”

The Grand Master was pleased that more lodges are developing long range plans as they see that lodges with long range plans are successful lodges. He stressed the importance of involving the members of a lodge in the planning process because “knowing where you are going is an invaluable component in any successful trip.”

With reference to September 11, 2001, the Grand Master said, “What started in September has not ended and neither has our effort to reach out to others in many ways. If anything, the events of September 11th have made us more aware of what we have in our great Fraternity and the obligations we have to reach out to others all the time.” Needs for help are to be found in every community and M.W. Bro. Van Zee commented that an increasing number of lodges are active in reaching out into the community to offer assistance. Besides the traditional charities, other new and innovative ways are being tried on a regular basis, such as Operation Outreach and Habitat for Humanity. The Grand Master praised those lodges that are active in the community. He was pleased that they continue to include in their long range plans ways to practice out of the lodge those lessons learned in the lodge.

In conclusion, M.W. Bro. Van Zee told his brethren, “It is one thing to be a student and quite another to go out and put into practice what you have learned. Just as one needs good teachers to learn, we also need a good team to accomplish the work.”

The Grand Secretary enumerated eleven goals which he had chosen for the year. Although most of the goals related to the responsibilities of a Grand Lodge Secretary, there were two excellent ones that could have much wider application. The first was to remember that we are all Brothers and to respect the views of each other and work with members of the Craft and others to promote good will for all mankind. The second was to be available at all events as needed but never lose sight of his family and the values they share and to reserve Sundays to be with his family.

WEST VIRGINIA

*139th Annual Communication
Charleston, West Virginia, October, 2003*

With reference to the state of the Craft in West Virginia, there was cautious encouragement in M.W. Bro. Harry F. Robinson’s Report as Grand Master. Although he found some lodges were struggling to stay alive, he found also that many lodges had enjoyed an increase in membership during the year. Brethren, “I sincerely believe,” he stated confidently, “that if

we would just take a little more time and visit our neighbouring Lodges, that the interest in Masonry will increase.”

The report of the Committee on Work informed Grand Lodge that thirty Regional Schools of Instruction had been held throughout the Jurisdiction during the year. “Every Lodge had been represented at a Regional School by at least one of its officers and there were fifty-two Lodges where the Master, Senior Warden and Junior Warden each attended at least one Regional School.” The committee reported, also, that it had “reviewed the Work of all Degrees. Complete harmony prevails. Prior to the opening of this Annual Communication, the Committee exemplified the Work before representatives of the Lodges.”

WYOMING

129h Annual Communication

Rock Springs, Wyoming, August, 2003

“My theme for the year,” said M.W. Bro. Soong William Harmon in his Report, “was *WYOMING FIRST* and my motto *ACCOUNTABILITY*.” He reminded his Brethren that, in order to achieve his goal, he had asked all local lodges and Brothers to become and stay active in their communities, as well as in the Fraternity, by performing the old as well as the new programmes adopted by Grand Lodge.

After reviewing the successes of the previous year, the Grand Master warned of difficulties that will be encountered in the near future. “I believe,” he stated, “changes are needed for Wyoming Masonry in the 21st Century. However, we must always be mindful of what Freemasonry stands for and that the fundamental foundations and time honoured traditions be not forgotten or eroded, that of making a good man better. The changes, I believe, must come in the form of better public relations programmes, better education of new Masons and better community based projects that directly involve the Fraternity and benefits public awareness about Masons and Freemasonry.

The Grand Lodge Youth Committee reported that it had granted thirty scholarships of \$1,000 each, as well as having made grants of \$2,500 each to DeMolay and Job’s Daughters.

In his report the Director of Masonic Education stated that almost every lodge in Wyoming had been visited at least once by an Education Councillor and some had received several visits. He gave particular emphasis to the Master Builder Award which is given to lodges which are judged to have been outstandingly successful during that year. To date in the current year, ten lodges had qualified for the Master Builder Award. Successful lodges, he pointed out, have the following characteristics: they have projects that help their community, invite members of their community to join the Fraternity, have dinners with their wives, attend Masonic youth activities, work at County Fairs and city events, participate in parades, attend city and government meetings and help raise funds in their communities. The Director was convinced that “the Master Builder programme is a great tool that can be used to run an active and successful Lodge.”

SUMMARY REPORTS OF THE
DISTRICT DEPUTY GRAND MASTERS 2003 – 2004

Algoma District – 11 Lodges

R.W. Bro. Waino M. Jacobson

Algoma District consists of 11 lodges which are for the most part in exceptional order, with the furthest one being 525 km from the city. In general, we have seen a substantial increase in new members, which offset the loss of our seniors. Two lodges in the outlying municipalities and one in the city are having difficulties, which may lead to amalgamation.

The Algoma District Masonic Association has been helping out with degree work and Installations with these lodges, which are attended by many visitors. I am extremely pleased with the high attendance at my official visits and the installations, where the Lodge work and Protocol was in good order.

Grand Lodge programmes are being implemented and creating interest throughout the district. It is essential that the lodges implement Long Range Planning, due to the high operating costs of the lodges.

Community programmes such as Habitat for Humanity, ringing the bells at the kettles for the Salvation Army, and in particular the Blood Donors, which is high on the agenda in this district, as well as taking part in our high priority District Project called Camp Quality for children with Cancer. The Grand Master will be making the presentation in April 2005 in Thunder Bay.

As the Grand Lodge Chairman for Benevolence is from this district, we were given an excellent presentation, which was followed by an educational question and answer period, which created a great deal of interest from the brethren.

The highlight of the year would, in my opinion, be the Divine Service held at Lakeview Presbyterian Church. The members of the congregation were highly impressed when the spouses paraded with their husbands and sat with them for the service, which was led by our newest entered apprentice. This was the largest turnout in years and the Church was packed with Masons. The minister, who is a lodge member, gave the best sermon, which pointed out the duties of Masons, that I have ever heard.

Algoma East District – 8 Lodges

R.W. Bro. William J. Vair

Algoma East District is blessed with an abundance of pride, resolve, commitment and determination to see the Masonic Order prosper and flourish. There is a spirit of true fraternalism between and among the eight lodges within its boundaries. It is heart-warming indeed for the D.D.G.M. to make an Official Visit and to have at least one representative, often more, from each of the lodges in attendance. When one considers the distances involved in our district, one can appreciate the efforts being made by the brethren to support and encourage each other in the principles and practices of Freemasonry.

A commitment to develop and implement a long-range plan within each lodge was made this year. We expect to have eight plans produced and shared through the District Committee in the very near future. We anticipate the plans will allow us to better focus our attention on the individual needs within the district and give direction to joint ventures that will enhance the Masonic experiences of the brethren.

Our lodges appreciate the programmes provided through Grand Lodge, and are keen to have quality presentations made by its representatives. Lodges of Instruction,

delivered by our Custodian of the Work, stimulate the interest and enthusiasm of the younger officers, and, of course, the Director of Ceremonies from each lodge wants to be kept informed and current in the proper protocols and practices.

Another lodge in the district has achieved the distinction of having served Masonry for 100 years. Algoma Lodge 469 will 'go golden' in June 2004. A celebration of this anniversary will coincide with the District Reception of the Grand Master. Our district now has three of the eight lodges in the centenarian group.

Recommendations:

The 'turn-over' process for new D.D.G.M.s and District Secretaries should be improved by ensuring that all lists of names are in mailing address format, complete with postal code, and available through electronic media. Included should be the members of BGP, new DDGMs, District Secretaries, Grand Lodge Officers and appointed Chairmen of the various GL committees.

Brant District – 13 Lodges

R.W. Bro. Dan C. Dawson

Although it may be difficult to summarize in a few words an entire year's worth of Masonry in Brant District, generally it has been a positive, progressive year.

With few exceptions, the thirteen lodges that comprise the district conduct their ritual work in a very capable manner. Lodges are financially stable for the most part and we are blessed with a knowledgeable and active base of Past Masters in each of the lodges. Protocol has improved greatly in the past year, due to the efforts of a committee comprised of three very knowledgeable Past Grand Lodge Officers who visited every lodge and offered their guidance. Visitation varies greatly from lodge to lodge, but district special events are well attended. The District Entered Apprentice Mason visitation programme continues, as does the Accompanying Lodge programme. The Masters', Past Masters' and Wardens' Association is experiencing a revival, thanks to a hard working executive. Firsts for the district included taking part in a Remembrance Day Service and a P.D.D.G.M. Evening, both of which were well supported. It was especially gratifying to see eighteen initiations throughout the district. Lodges are also beginning to see the benefit of extending Masonry beyond the walls of our lodges and out into the public eye.

While we are not without concerns and problems, I believe that too often we tend to focus on the negative aspects of our Craft. The major problems I see in our district are really not that hard to resolve. It is no Masonic secret that, without fail, the lodges enjoying the most success employ a four part formula – they communicate well with their membership, including those who no longer attend lodge – they are active in visitation – they are active within their community – and they use and employ Grand Lodge programmes. What is baffling is that lodges are so reluctant to adopt these tried and true methods, when it is easily within the means of every lodge to do so.

While Brant District has enjoyed a solid year, now is the time to work even harder, to ensure these positive trends continue. Past successes need to be built upon to ensure a promising, stable future.

Bruce District – 12 Lodges

R.W. Bro. Kenneth G. Baldwin

Bruce District is comprised of twelve lodges, with approximately 900 members. They are situated in small rural towns and villages across the district.

Membership in these lodges over the past year has flourished in an exceptional

manner, with every lodge having initiations. St. Lawrence having six and two more coming in September. Cedar Lodge, which has been very slow in past years, had four. The other lodges have shown the same growing trend. Although this is encouraging, some lodges are just surviving financially, with little or next to nothing to take care of repairs or renovations. St. Lawrence Lodge sold it's building in Southampton, and is now renting from Port Elgin lodge. This has been a positive move with Port Elgin having a new building situated on the ground floor, making it wheelchair accessible. I believe this is something Bruce District will see more of in the future, with lodges such as Aldworth, Moravian, Maple Leaf, Forest and Clifford.

Bruce District has many active and dedicated Masons, which is truly a benefit to the district. We have a fine group of past and present Grand Lodge Officers as well as Board Members who guide the district well.

Bruce has a strong bond between the lodges and their members with regard to visiting and fellowship. At any District Deputy Official Visit, it not uncommon to see 60 to 80 members, with a high of 118 at my last visit this year. It is also commonplace to have 10 of the 12 Masters present as well.

The lodges of Bruce are very family oriented, hosting functions such as golf and horseshoe tournaments, fish fries, chicken and steak BBQs, Ladies' Nights, garden tours, to mention a few. Several of the lodges are active in the community, supporting school projects, sports and bursaries. The charity we have chosen to support this year is the Outdoor Education Centre near Oliphant on the Bruce Peninsula.

We have an active Past Masters', Masters' and Wardens' Association who meet several times a year to provide leadership, promote Masonic education and fellowship. They have guest speakers, host curling bonspiels and host our hospitality suite at Grand Lodge.

I believe Bruce District to be thriving and healthy, with very few problems, and it has been an honour and a privilege to have served as District Deputy Grand Master for the past year.

Chatham District – 11 Lodges

R.W. Bro. Darrell A. McAleece

Firstly, I would like to thank the brethren of the Chatham District for the support they have given me this year. It has been a very rewarding experience for me.

The quality of work in this district ranges from good, to excellent, to amazing. In all cases the protocol is good, and getting better, and the fellowship is excellent in all the lodges. All the lodges in the district are financially sound. The membership is slowly on the rise. While great inroads have not been made into increasing membership, it is a start.

The chairmen of all the district committees were busy this year, and they all worked hard. The main focus this year was rebuilding. We acted on several suggestions that were made by my two predecessors. All Grand Lodge programmes, Masonic Education materials, were copied and sent out to all the lodges in the district by the district committees. These, as well as additional information on Lodge Management, Protocol and Etiquette etc., were organized in binders and given to all the Masters and Wardens in the district.

Our District Lodge of Instruction Chairman and his committee members worked hard this year to make our first district Lodge of Instruction a success.

Long Range Planning got a big boost this year in our district by an active district chairman, who worked hard, had regular meetings and has made a difference.

Each of the lodges, each in their own way, is involved in their own community. All the district lodges support the C.K. Bears Program, in partnership with other community charities. They also support The Bruce B. Foster Foundation, providing educational bursaries to district students.

We have a district e-mail distribution system that is just getting started. If it is utilized to it's full extent, it will greatly improve the movement of information amongst the brethren, and will improve visitation across the district.

The foundations for an active and prosperous district are laid and the possibilities are endless for this district. There is nothing that is un-achievable.

Although a lot of work, it has been a pleasure for me, and I have got to know a lot of admirable Masons.

Eastern District – 19 Lodges

R.W. Bro. S. Weston Libbey

Lodge work is a mixture of satisfactory to excellent. There are those lodges that traditionally pride themselves on their work, there are those who become visibly nervous with the Official Visit, and those that have given the opportunity to a deserving Mason to be Master for whom this is his greatest life achievement and has the text before him. Some lodges have attracted younger brethren to the chairs and the district can now expect "challenges" to the lodges traditionally noted for better ritual.

Where have the regular lodge night banquets gone? Otto Klotz to a Ladies' Night of which he was the Master, said, "The object, however, of meeting in the lodge is of a two-fold nature, namely, moral instruction and social intercourse." The invocation and traditional toasts are landmarks for Masonry and the absence of regular banquets means only half a meeting. Lodges only look at this once a year for the D.D.G.M. Official Visit and do not have the principles and landmarks at hand. Masonry cannot be called a fraternity if the brethren are not given the opportunity to fraternize.

The three lodges in Cornwall have been gingerly stepping around amalgamation and each other for about two years now. Two lodges have made the necessary overture to Grand Lodge to proceed with amalgamation. The three lodges in Cornwall found that they could not support the largest lodge room and banquet facilities in the district, the building was sold and the lodges moved 25 km out of town. Every lodge but two now shares accommodation with another lodge. One lodge has a building rank with mould such that some of the brethren will not attend.

The District Association has conducted long range planning and their recommendations have been acted upon with favourable results. However, few lodges think beyond the next meeting and few Masters plan their year.

The district regularly organizes a Heart and Stroke Duck Race and gives tertiary student bursaries with the proceeds.

The district organized a Tartan Ball, Divine Service and an Historic Church Service and Banquet at Upper Canada Village. Eastern Lodge organizes a District Picnic.

Erie District – 9 Lodges

R.W. Bro. Alfred R. Sykes

Although total membership in the district remains relatively constant and lodge finances remain stable, attendance, particularly on special nights, seems to be increasing. This appears to be, in part, because of the move towards administering Masonic Education on a more informal note, getting away from Lectures and Dictations. One of the highlights of the year was the visit to Pelee Island. Pelee Lodge is the most southerly located Masonic Lodge in the Dominion of Canada and attracted visiting brethren

from across Ontario as well as from Michigan and Ohio.

Involvement of all lodges within the district in a common goal seems most evident in the Long Range Planning Committee. This committee is working at the district level as well as having other committee members working within each lodge. The establishment of a 150th Anniversary of Grand Lodge Committee to raise funds for a charitable donation to a worthy cause has created great excitement in all of the lodges, as members of the committee are drawn from each lodge. The funds will be donated to the Leamington District Memorial Hospital. It has been requested that the funds be used to purchase equipment that will benefit our ladies, more than it may do so for the men.

Even though Erie District will not be turning over to e-mail type summonses, another lodge website has appeared on the scene in Erie District, bringing our total involvement in this area to two. Congratulations to the Blood Donors' Committee who continue to be among the leaders in Ontario for yearly donations.

Frontenac District – 18 Lodges

R.W. Bro. George E. Snowden

I am very pleased that the district and the Grand Master placed their faith and trust in me for the appointment as District Deputy Grand Master. It certainly was an honour and I am pleased to report that Masonry is very much alive and flourishing in this district.

During my visits, I used topics of Masonic Values and Privileges in an effort to promote and revitalize our public appearance and to attempt to gain or regain our Masonic Pride. I believe the messages were received and are being acted upon.

All lodges have dedicated brethren who are willing to step up to the plate when asked to assist with lodge ritual. Lodge protocol and etiquette is well displayed in lodge and at the banquet.

Masonic health in the district is very good and to lodges that had not had applications for some time have each received an application. Not a big improvement but nonetheless an improvement. As usual, the lodges participated in what appears to be annual events. The district hosts the Grand Junior Wardens and Grand Senior Wardens and participates in a degree team comprised of Wardens from the district lodges.

The new Kingston Masonic Temple (under dispensation) is now being used by the city lodges and some of the Worshipful Masters are saying that they now see brethren they hadn't seen for years.

Frontenac District gained two Masonic initiates and allowed another initiate to join in St. Lawrence District as a direct result of the International Plowing Match held at Carleton Place.

On behalf of the Masonic Foundation of Ontario, I had the privilege to present 22 students of St. Lawrence College (Kingston campus) a total of \$15,150.00 in bursaries. The students were ecstatic and I was proud of Masonry.

I had the honour to represent our Grand Master at the Annual Grand Court of Ontario, Order of Amaranth, and speak briefly of the relationship between the two fraternities.

Georgian North District – 12 Lodges

R.W. Bro. Glen S. Webb

The Georgian North District consists of 12 lodges – 4 in Orillia, 3 in Midland, and one each in Victoria Harbour, Elmvale, Stayner, Collingwood and Thornbury. This year has

seen an increase in membership in all lodges due to greater exposure in the district.

The lodges are financially stable though the size of two lodges may force them to amalgamate with another lodge or become Daylight Lodges.

The district has become receptive to Grand Lodge programmes, but it is like pulling teeth to get a few lodges to utilize them, and I feel with more effort they could become more successful. The Grand Lodge of Instruction was well attended and this year we have started a District Lodge of Instruction that will be held on May 27, 2004.

The Georgian North Masonic Association being reinstated brought the district back together.

This year's district project—to raise funds for Breast Cancer and Prostate Cancer—is moving slowly but I have every confidence we will reach our 2-year goal of \$15,000.

The Official Visits were well attended but Installations as usual were down, with the same old reliable faces attending them. I have noticed some lodges have little or no representation at some of these visits at all.

I was pleased to present some 60, 50, and 25-year pins this year. Plans are well underway for the 150-year celebration in this district.

Recommendations: Closer attention to the duties of the District Secretary should be a concern of Grand Lodge. Grand Master's meeting is great and informative, but a handout at the end of the meeting would help.

Georgian South District – 10 Lodges

R.W. Bro. John A. Milne

In Georgian South District, there does not appear to be much support between the lodges in close proximity to one another, yet in the smaller communities there is more fraternal contact. The larger lodges in more populated areas seem to be able to attract new membership with Friend to Friend, Open Houses, Fish Fries, etc. The smaller lodges have the same activities but do not seem to be able to attract new members to replace those who have gone to the GLA. The Divine Service was used to promote Masonry in Simcoe County when a Widow's pin was presented during the service.

All lodges in the District are in a sound financial position, with one lodge assuming the burden of raising \$25,000 within the next two years to aid and assist a needy family.

The District continues to use the Grand Lodge programmes and at the present time a drive to encourage the use of e-mail summonses is ongoing with the aim to introduce this method in September 2004.

The District Masonic Association is very active and the Georgian North and South Districts Wardens' Association is operating well, and instructive programmes are provided at their meetings.

It has been suggested that all lodges make themselves known within their communities by holding Open Houses, Garage Sales, Adopt-A-Road Programmes, Local Parades and encouraging attendance at local Remembrance Day services in their Masonic regalia.

The District Project this year was to raise funds for two Community Living Associations in Georgian South District.

Many long service pins were presented throughout the district along with Masonic Correspondence Course Certificates and Blood Donor Certificates.

It was a great honour for me to be able to help my lodge celebrate its 100th Anniversary this year and to have been part of the gilding ceremony.

Recommendations: I would stress great importance on all lodge Masters to make an effort to support the D.D.G.M. in accompanying him on his Official Visits. This was

my one disappointment this year. My other concern is that the protocol and etiquette for visitations and banquets be reviewed, and that Masonic education be used in reviewing the Masonic Memorial Service so that it be performed with the dignity it deserves.

Grey District – 12 Lodges

R.W. Bro. Ronald M. Murdock

Overall, Masonry in Grey District is quite satisfactory. Attendance at district functions and Official Visits has increased this year. The support of the members of this district to the District Deputy Grand Master and the District Secretary has been very much appreciated.

The brethren are very involved in their respective communities, sponsoring Student Bursaries, Masonic Golf Tournaments and Breakfasts. I feel some of these events have attracted new members into Masonry through the district. One bursary, 50-year pins, Blood Donor certificates and Masonic Correspondence Course certificates (one member received 6 correspondence certificates) were presented.

The quality of the work always from memory with some prompting and the use of proper protocol has been very good. The lodges' finances have been adequate.

We have had three District Seminars this year. The first one was held on the 8th of November, entitled "The Road to the East 2003". The subjects covered were: How to lead, govern and rule your lodge; How to prepare for an Official Visit; How to conduct a Memorial Service; How to employ your brethren in Masonry. This seminar was well attended, with 34 Masons present. This seminar was arranged by the District Education Chairman. February 12th, a seminar was held on e-mailing the summons. A good turnout of District Secretaries were in attendance. A seminar was sponsored by the Friend to Friend and Mentor programmes with the District Chairman explaining the functions of these two Grand Lodge programmes. This was also well attended.

The District Divine Service was attended by over 100 Masons and their families. The District Ladies' Night was very well attended.

One of our lodges is spearheading the construction of a trailer known as "The Traveller". When completed, it will be a replica lodge room on the inside. The outside will be completely decaled to enhance visibility. The goal is to help promote Masonry.

We have one lodge constructing a new facility, to be ready by the fall.

Lodges within the district should keep in contact with brethren who are not coming out to lodge. It is very important the brethren know they are missed.

Hamilton District A – 14 Lodges

R.W. Bro. Malcolm Murray

It is so easy and simplistic to continue saying that Masonry is alive and well within the district. It is true that we are not faced with imminent surrenders of charters or amalgamations but one must look hard and long for signs of vibrancy and strength. With few exceptions, lodge support for the D.D.G.M. and Grand Lodge is encouraging but more support and recognition of Grand Lodge programmes, such as Friend to Friend, Brother to Brother and Long Range planning, is required. These programmes, when implemented, have been shown to have positive results.

Few lodges within the district represent the cultural mosaic of the community and we should ask ourselves why.

District support for such bodies as the Masters' and Wardens' and Past Masters' Associations is waning and it is such organizations that are best suited to foster

continuity and education for the member lodges.

While the overall quality of the Work remains good, too often it is being performed by senior members of the lodge. Younger members, whether they aspire to higher office or not, should be encouraged to participate to whatever level is possible. Perhaps such hesitancy results from a lack of travelling and visiting. But where we are in fact good travellers, let us not forget that we must first and foremost know well our own home lodge.

The presentation of 12 bursaries on behalf of the Masonic Foundation of Ontario was truly a heartwarming experience. All recipients expressed their appreciation for having been assisted in continuing their academic endeavours.

From attending and participating in several Grand Lodge sponsored workshops, seminars and Lodges of Instruction I have come to appreciate the quality and commitment of those unsung Grand Lodge officers who so freely give of their own time and energies for the betterment of the Craft.

To the District Deputies of Hamilton A who preceded me, I say thank you for your commitment to the Craft and the District; to my successor, I offer my commitment of continued service.

Hamilton District B – 14 Lodges

R.W. Bro. James Kinnear

During the Masonic year 14 lodges have been officially visited once and on many occasions, fraternally. On the occasion of the Official Visits it was asked that the evening programme consist of Masonic Education and a presentation of 3 excerpts from the lodge's minute book, highlighting some special event or the Official Visit of the District Deputy.

The quality of work was excellent in 13 of the 14 lodges and 1 was fair. With a few exceptions, all lodges were excellent in both the Lodge Room and Banquet Room Protocols. Membership has once more decreased, to 1,359 members. All lodges are in sound financial condition. At present there are no lodges considering amalgamation. However, it may be of benefit to 4 lodges to seriously consider the process of amalgamation as a viable option.

Within District 'B' 10 lodges are using the Mentor's Programme, 9 lodges use the Brother-to-Brother Programme, and 7 lodges use the Friend-to-Friend Programme. There has been renewed interest in the newly revised Friend-to-Friend Programme. The effectiveness of the revised Friend-to-Friend programme cannot be clearly measured for another two or three years.

Every lodge within District 'B' sponsored at least one Blood Donors' Clinic with 3,493 units being credited to the District, that is an increase of 395 units of blood from last year; many thanks are given to those volunteers who gave of their time to make this the best year ever for blood donations.

To date, District 'B' raised \$3,789.64 in support of the Hamilton Masonic Board of Relief through two fund raising projects, the Teddy Bear Fund and the D.D.G.M. lapel pins. A District Guidelines Committee was formed to create a set of guidelines for Hamilton Masonic District 'B' and was accepted at the Spring Meeting on May 4th, 2004. A 150th Anniversary Special Project Committee was formed with Hamilton Masonic Districts 'A', 'B' and 'C'.

Hamilton District C – 14 Lodges

R.W. Bro. William R. Millar

Perhaps the single most significant event that occurred in the district was to have eight

of fourteen lodges relocated over the summer and prepare for their new home at the Masonic Centre, Hamilton. In the early months, during this move, there proved to be much confusion. This was either due to arrangements within the lodge room or accommodations with the banquet rooms. The Rekindling of the Lights Ceremony was definitely a high point within the district, as this was very well attended and was carried out with dignity and respect. I had the honor of presenting many fifty-year and sixty-year pins. I also had many requests throughout my term to present Grand Lodge Certificates. I was delighted to present a Bursary cheque to a young lady attending Mohawk College, in the amount of \$800. This was forwarded to me through the Masonic Foundation of Ontario. In keeping with the Grand Master's edict of attention to education, something that I addressed with each of the Masters within the district was their attention to openings and closings. I tried to impress upon the district that by researching my suggestions to some of the details that I brought to their attention they would realize their errors and conform to the way things are written. By following directions, and eliminating innovation, this would avoid confusion among the newer membership.

As an overall assessment of the district, I must say that Hamilton District "C" is an excellent district to visit.

London East District – 14 Lodges

R.W. Bro. Laverne R. Leffler

London East has presented a very encouraging programme of Initiations in many of the lodges this year. Many of the new Brethren are young and are interested in becoming, or are already, officers of their lodges. The degree work has been spectacular, for the most part, and other work, such as pin presentations for long service, were handled with tact and dignity.

London East and London West have always shared an excellent relationship and this year was no different, in my opinion. Several lodges held meetings in Mount Moriah Lodge in Fanshawe Park. This was an emotional and uplifting experience for me, to imagine how our Brethren in the past century must have attended lodge.

Aging buildings is still a minor problem, which several lodges are attempting to address; time will tell.

I have found this year to be enlightening, exciting and tiring, although I have enjoyed every minute. I have visited all of the fourteen lodges at least three times and some as many as ten.

London West District – 14 Lodges

R.W. Bro. Donald W. Slater

While Masonry in London West continues to remain on a solid foundation, the main concern seems to be the problem common to most districts – that of declining membership. The trend of increased initiations in the outlying lodges may be signalling, perhaps, that their long drought of candidates is indeed over. Twenty new members will have been welcomed into the Craft by our Masonic year's end, which seems to be the average number since implementation of the EAM Welcome Team programme four years ago.

Requests for assistance and hospital visitations under our Benevolence and Medical Outreach Programmes have declined in comparison to previous years, which may indicate that our Grand Masonic family members are perhaps healthier economically as well as physically. Conversely, it could mean that we are not conveying our message both within and without the district, that these programmes exist and that we are ready

and willing to help in these areas.

Our lodges continue to hold their own, financially, in spite of our declining economic base of membership and the rising maintenance costs that affect all of our Masonic buildings. Generally speaking, protocol and Ritual workings of the lodges continue to be very good, while some Installations tend to reflect insufficient attention to quality of, or conformity to, prescribed ceremonies. Some lodges have taken concrete steps to restore their active "Officer Line" to achieve the goal to be "Past Master-free." The incorporation of some Grand Lodge programmes into lodges' overall operations continues to experience slow growth, which seems to be an inherent characteristic of the Order – (Change? Change??).

London West, in conjunction with London East District, has embarked upon a major fund-raising project to celebrate the 150th Anniversary of Grand Lodge, one which will have significant impact upon over fourteen thousand individuals from infants to seniors, while enhancing our public profile. This, undoubtedly, will be the focus of much activity throughout the upcoming Masonic year.

A highlight of 2003-2004 has been the celebration of the 150th Anniversary of St. George's Lodge No. 42, welcoming our Grand Master as the honoured guest to the district.

Muskoka-Parry Sound District – 8 Lodges

R.W. Bro. James F. Kirk-White

Here in cottage country, Freemasonry is very much alive and well. The nature of our small communities creates a bad and good scenario. Bad, because the lack of population results in smaller memberships. Good, because most Masons are high profile, providing constant opportunity for his character to speak volumes for the excellence of Freemasonry.

The Masters in the District of Muskoka-Parry Sound continue to raise the bar to new heights and this year was no exception. Ritual was honoured and seldom abused. Degree work was inspiring, resulting in the candidate's journey being brightly illuminated. Hard to imagine a district with eight flag ship lodges, but in my opinion based on my journey this year – we are close, very close. Keep raising the bar brethren, we are almost there.

Official visit banquets and meetings were responded to with almost full capacity attendance. The combination of dispensing 'speculative' Masonic education into the D.D.G.M. speeches and delivering Masonic education in the three degrees by the Lodge Masters was enthusiastically welcomed, and made for brilliant evenings. All lodges have and will hopefully continue to comply with the Grand Master's request for placing Masonic education in their lodge agendas. Consideration towards reviving the art of 'speculation,' while adhering to the 'rules of the game,' into their education programme has also been suggested.

Visitation is one of our district's major assets. About two hours separates our northern-most lodge from our southern-most lodge and yet most events witness representation from all lodges. Our lodges entertain several visitors at every meeting, and time-honoured, lodge-to-lodge friendships exist throughout our district. There are many dual lodge memberships within our district.

We have lodges with waiting lines for chair positions, and lodges with difficulty in filling their chairs. This provides an opportunity for members from the busy lodge who wish to revisit their journey to the East by affiliating and helping the lodge that may be experiencing difficulty. However, this wonderful opportunity does require an

occasional suggestion, or prompting, to plant the seed. The second time around can be very rewarding.

This year's district project was Prostate Cancer Research. Although it was the second year in succession for the same project, brethren once again gave generously towards this great need – we utilized our Masonic Foundation.

There are but few members with e-mail in our district, therefore distributing G.L. e-print communications is difficult. Hopefully it will improve, as it will definitely provide a major benefit in the future. There is a list of only 75 members out of a possible 1,000 with e-mails. A pass-it-on system had to be established and it worked reasonably well.

Most of our lodge summonses incorporated the allotted space for other Masonic bodies. This produced fair interest and curiosity from the members. Recommend to maintain, and to encourage, the use of this privilege.

The District of Muskoka-Parry Sound is ready and excited to celebrate our G.L. 150th year with several planned activities, fund raising projects and total district involvement. All funds will be directed towards Breast Cancer Research, utilizing the Ontario Masonic Foundation programme.

Niagara District A – 15 Lodges

R.W. Bro. Allister S. MacDonald

Niagara District A continues to be a great Masonic District with a number of lodges enjoying a busy and productive year. This year started with a few candidates and ended up with a fantastic number of new members and subsequent number of degrees being performed. A lot of these new members have been started off correctly through our mentors programme and have been very noticeable in the district through visitation with their mentors.

Our district enjoyed a number of very successful events this year, including one of our most enjoyable Grand Lodge Officers of Niagara District A (GLONDA) events which included Niagara District B and of course the consecration of Brock Daylight Lodge No. 745, which brought to town the largest number of Grand Lodge officers and visiting brethren that Niagara has seen in years. These two events, along with our District Remembrance Day Ceremony, had brethren from all of our lodges in the district in attendance and this trend continued all year at our official visits.

This year, we started holding district sponsored events, which were paid by the district and promoted by us, to encourage brethren to use Grand Lodge programmes and make Masonry a more important tool in their lives by encouraging complete district involvement and participation. These events included a great Remembrance Day Ceremony, a well-attended Lodge of Instruction, and a good Friend to Friend night, our District Divine Service and GLONDA. Our Divine Service was moved to a morning service to include the congregation of the host church, which gave Masonry good exposure and was well attended. We continued to encourage the use of having an accompanying lodge at official visits. This is a great tool at promoting visitation within the district.

Our fundraiser this year continues to be for prostate cancer. We are selling tickets on a chance to win a complete set of good golf clubs and a round of golf at the exclusive Legends Golf Course. These funds will be presented to our local hospital at a very gala public event, scheduled for the fall of this year, to correspond with Grand Lodge's up-coming 150th celebration.

In conclusion, this year our district has become one lodge larger, but a declining member base and rising costs plus older buildings continue to be our major concerns.

Niagara District B – 11 LodgesR.W. Bro. E. Norton Garrow

As I look back over the past year and as I review my reports, I am encouraged as to the future of Niagara District B. The district encompassing the southern portion of the Niagara peninsula continues to be active with their fraternal and their social functions. All of the lodges perform the Ritual with skill and competence, although several are dependent on Masons from other lodges to perform some of the work. The number of new initiates shows that there is an interest in our noble Order.

Most of the lodges suffer the same problems of poor attendance and lack of participation that all fraternal groups and service clubs suffer, but the lodges that have programmes such as Brother to Brother or Mentors seem to be a little healthier. Also it should be noted that there is an increase in visitation both within the district as well as with our neighbour, Niagara District A. I hope that this will continue.

Most of the 11 lodges are financially viable but only a few are truly secure. Several lodges raise money for charitable endeavours but all support the Masonic Foundation and donate through an active and vibrant Past Masters' and Officers' Association. All 11 lodges own or have a vested interest in the facilities that they use for meetings and/or social functions, and most of the facilities are in good repair and reflect pride of ownership.

Concerns that I have for the district are few but all need to be watched closely. Most notably, two of those concerns are; the main Masonic building in Niagara Falls, which is the largest and busiest facility, is in need of remedial repair and renovation. It is dependent on several rental incomes, one a commercial tenant. Should any rental income be lost, the viability of the building as a Masonic Centre will be uncertain at best. Also of key importance is the inexperience of some of the officers governing our lodges and the lack of mentoring by those lodge's Past Masters.

If our Order is to continue to maintain our high moral standards, we need to instruct and educate our members of today, involve and learn from our Masters of the past, and depend on and support our leaders of tomorrow.

Nipissing East District – 7 LodgesR.W. Bro. Andrew G. Grant

Nipissing East has an active group of Masons putting forth great effort to maintain the high standards that have preceded them. Rules, regulations and guidelines from Grand Lodge are followed properly. New energetic Masters and officers in the lodges are constantly striving to excel in presentation of the work. Membership in total seems to remain constant even though there are initiations each year throughout the district. All lodges are still capable of meeting their financial requirements considering the regular cost increases.

Three main Grand Lodge Programmes are in use or at the beginning stages. Most prevalent is the Mentor's Programme, especially in the larger lodges. Friend to Friend and Brother to Brother programmes have been started at the inception level.

Lodges attempt to get involved in the communities by participating in city/town functions such as parades, "Adopt a Highway" or food banks. Open houses, yard/garage sales and barbecues have little or no effect on the public and their understanding of Freemasonry.

Long Range Planning is at a standstill and has been for several years. Excitement is starting in one of the lodges to create a five-year plan and hopefully this will incite others and flow to the district level.

Visitation is the key to our North – South distance dilemma. With the continuation

of the Travelling Gavel as our key to creating more visitations, the ties that bind our seven lodges will become stronger. Members from some of the lodges travel with the gavel accompanying the brethren of the visiting lodge. Fellowship at these special times causes brethren to visit at other times just to keep in touch. The induction of a strong group forming a Long Range Planning Committee should make for a strong Nipissing East.

North Huron District – 12 Lodges

R.W. Bro. Richard B. Holder

It would appear that Masonry is still vibrant and alive in North Huron District with only one of the eleven lodges showing signs of losing the contest with aging and apathy. Our district is fairly large, stretching from Palmerston in the South to Tiverton and Kincardine in the North, with stops in several small towns along the way. Each of these lodges has a strong core of senior brethren providing leadership and guidance in the art of protocol and ritual. It must be noted that all lodges face a common problem of poor attendance, particularly by Past Masters. This apparent lack of interest is evident at Official Visits and District Meetings where attendance is usually limited to the same people.

Like other districts, North Huron has a very noticeable gap between the North and the South of the district. Recent developments at the Bruce Nuclear Plant have caused a rebirth in Tiverton and Kincardine, while the same is not true in the South. Distance, particularly in the winter, frequently causes a lack of communication and visiting between the two solitudes. Many of the brethren think this is a good reason for realigning the district along the shore of Lake Huron.

Despite this shortcoming, visitors to each lodge are always greeted warmly and treated to a good night at the lodge. The work of the evening is always well intentioned although marred by nerves and lack of practice. A closer attention to detail would surely solve this.

The social scene was highlighted by a fully attended District Bonspiel and a Grand Master's Reception, both held in Palmerston. North Huron District is also proud of its efforts in contributing to the Blood Donors campaign, with three lodges running their own clinics.

Ontario District – 15 Lodges

R.W. Bro. Barry M. Pedwell

Ontario District's fifteen lodges range from small country lodges in the east and north to large city lodges in Oshawa and Whitby. A third of the lodges are very strong and active in the community while only a few seem to be struggling. The mechanics and ritual are displayed with enthusiasm and accuracy and there is a feeling of pride throughout the district. The lodges are, for the most part, financially sound and are operating efficiently. Membership is stabilizing and there are not very many Past Masters in the chairs.

The district hosted a Grand Lodge Workshop in March. In April, we held a reception for the Grand Master, and for the first time invited our ladies to attend. The District Divine Service was held in May at St. Peter's, in Cobourg, directed by our District Chaplain. The Grand Master will have attended three of our installations by mid June. All of these events have been very well organized and attended.

Our most important contribution was the creation of a District Management Committee, in place of the D.D.G.M. Advisory Committee. The chairman is the next prospective D.D.G.M., and the vice-chairman is the one to follow him. The committee

members are the immediate past D.D.G.M. and District Secretary and other advisors appointed by the D.D.G.M. Our goal is to create an ongoing working framework and improve continuity so that it is not necessary to reinvent the wheel each year. As the year progressed, the District Management Committee developed a D.D.G.M. and District Secretary training initiative. All prospective D.D.G.M.s and District Secretaries were invited to join the group. Four future years were represented. We dealt with current events and issues in the district as well as the reports, forms, committees, expectations, attitudes, pleasant surprises and disappointments we experienced. This was very well received. The District Management Committee and D.D.G.M. and District Secretary training initiative must be continued and refined. These will help to maintain continuity in the district and will significantly shorten the start up time required for the D.D.G.M. and his committees, which, in turn, should substantially improve their productivity.

Ottawa District 1 – 16 Lodges

R.W. Bro. Robert D. Bouchard

The condition of Masonry in this district is strong. All lodge practice proper protocol and perform degrees in accordance with the current Book of the Work. Membership was boosted with 51 applications this year, spread over all the lodges. The membership is steadily reflecting the diverse demographics of our society.

Finances are not a problem; however, future escalating building costs will need to be closely monitored.

There have been no amalgamation discussions initiated.

All lodges are using the Grand Lodge programmes with facilitators present. The lodges benefited from the Grand Lodge of Instruction in Ottawa and committee seminars in Athens. Three district Lodges of Instruction were held. The Blood Donor programme needs work as we are far behind what should be donated. Brethren are not advocating donating blood and thus gathering credit for the units.

Our lodges are active in their communities through fund raising and personal time donations. They support: Relay for Life (cancer), Juvenile Diabetes, Live-Work-Play (for disabled adults), purchase of dialysis equipment, school award programmes and the Perley-Rideau Veteran's Health Centre. The Masters of 2002-2003 continue to raise funds for the education fund of a deceased brother's child.

The district has decided on their 150th charity project and chose Roger's House, a palliative care centre for children. This will be built on the grounds of the Children's Hospital for Eastern Ontario. A committee has been established and funds are starting to flow.

A district long-range plan is now in place. A committee of brethren from all lodges created it. Most were Master Masons, not Past Masters.

Ottawa District 2 – 16 Lodges

R.W. Bro. Derek McEwen

The year 2003-04 was an active and memorable one for Ottawa District 2. There were many highlights pertaining to the fact that the present Grand Master, M.W. Bro. Donald H. Mumby, hails from Ottawa District 2. One of the highlights being the 100th Anniversary Celebrations of Cobden Lodge on October 25 and 26, in which the Grand Master participated, along with many visitors from across the Province. Another highlight being the "Recognition 2003" to the Grand Master and his Lady in Ottawa on September 27, 2003, sponsored by Dalhousie 52 and Luxor Daylight 741.

Many other achievements recorded within the district during the year, included:

- Increasing blood donations to 2,476, an increase of more than 1,000 from the previous year.
- The annual 286-km motorcycle ride, sponsored by Enterprise Lodge No. 516, that raises money for the Children's Hospital of Eastern Ontario.
- The implementation of "The Parkinson's Society" as the District Sesquicentennial Project in conjunction with the 150th Celebrations of Grand Lodge.
- Many special evenings, both social and formal, to honour our Grand Master, M.W. Bro. Donald H. Mumby, including a "Robert Burns Night" on January 26, 2004, sponsored by Pembroke Lodge No. 128, to which the Grand Master and members of Grand Lodge attended. Many "Ladies' Nights" were also held throughout the district.
- The reappearance of "The Valley Craftsman", the District Newsletter.
- Many Masonic Foundation bursaries awarded to students from various Colleges.

Lodges within the district are holding their own with membership being steady, ranging from 50 to 146. Some lodges are still seeing a significant increase in new membership. Our membership is aging and some lodges function only because of the dedication of a core of Past Masters and veteran members. Luxor Daylight Lodge No. 741 continues to thrive with an active speaker's programme and strong support from its membership.

There is an upbeat and enthusiastic attitude towards Masonry in Ottawa District 2 resulting from the many presentations given by the Grand Master and it will continue to grow and flourish with the support of all of its members.

Peterborough District – 12 Lodges

R.W. Bro. Russell G. Pollock

The ritual work was performed well by all lodges this year. Protocol, for the most part, was excellent and the new candidates were made to feel welcome and an important part of their respective lodges. The lack of new members in two lodges is a concern but these lodges confer degrees on candidates from other lodges. All lodges are financially solvent but could benefit from budgetary and planning initiatives.

I am pleased to report that District Chairmen performed their duties in an exemplary fashion. Long Range Planning, chaired by R.W. Bro. Jim Hughes, has been very active, holding a number of workshops in the district, which were well received. Brother to Brother Chairman, W. Bro. Don O'Neil was also very active. R.W. Bro. Hugh Rose was Masonic Foundation Chairman, with approximately \$25,000 raised for the furnishing of the Multi Faith Chapel at the new Peterborough Health Centre. Numerous fund raisers have been carried out throughout the district. One brother in particular, Bro. Frank Groves has raised \$3,000 at district functions. A turkey fry will be held to finish up the project. Members and their ladies and families are invited.

Bursaries were presented to two students at Trent University on behalf of the Masonic Foundation. The level of support from the Brethren in the district has been greatly appreciated.

We were pleased and honoured in the district to have M.W. Bro. Donald H. Mumby and his good wife, Marion, accompanied by a large number of Grand Lodge officers at our Grand Master's Reception on May 28, 2004. A large turnout of members of the district was appreciated, showing their enthusiasm and support for the time and dedication of all Grand Lodge members.

Prince Edward District – 17 Lodges

R.W. Bro. Thomas J. Ross

The ritual and protocol of the lodges is generally excellent and is improved in those lodges that have candidates who allow ongoing performance of the same. Most lodges are presently financially sound, but a number are feeling the pressures of aging membership and the effects of life membership funds providing only minimal financial assistance because of low interest rates. Two lodges in the district have addressed their membership, and commitment by members to activities through an application for affiliation which is now in the committee stage. Grand Lodge programmes are being supported by the district officers. However, their use by the lodges varies greatly from lodge to lodge. This, in part, depends on the choice of the representative by the Master. The success will only lie in a representative who is aware of and committed to the programme.

Community based efforts are excellent. Besides the support of coffee clubs, blood donor programmes, and a number of community based fundraisers, a number of lodges have addressed the need for community based knowledge through special Christmas programmes bringing in the public, and Open Houses which have shown some success.

Long term Planning is strong through the district programmes, including the Membership Resource Committee which has been maintained. The present chair of Long Term Planning has assessed those efforts set forth by the lodges during the present year and is prepared to take this information into the next year and act on those successful efforts noted by the lodges.

It is recommended that our Masonic profile be improved through increased use of Open Houses and Masonic fund raising projects, which include an emphasis on community-based charitable activities related to the goals set forth for the 150th Anniversary of Grand Lodge. Use of public relations officers and representatives within the districts and the lodges should also solidify an image of Masonry as a positive and valued fraternity within the community.

St. Lawrence District – 17 Lodges

R.W. Bro. Giles O. Loshaw

The overall condition of Freemasonry in St. Lawrence District is quite satisfactory. With membership declining, the district is blessed with dedicated Brethren who have stepped forward to carry an extra portion of the work load. While we have witnessed the initiation of 19 new candidates, we have also experienced the loss of 37 members being called to the Grand Lodge Above. It is encouraging to note that the candidates appear very keen and eager to participate.

The quality of the work and the use of proper protocol to say the least are very good. While 2 lodges required assistance in degree work, the other lodges proved themselves very proficient in the Ritual.

Through good management, finances do not appear to be a problem with the lodges of this district. However, with rising costs of maintaining a lodge building and declining membership there are 2 or 3 lodges who in the near future should consider relocating to a nearby lodge to maintain their charter from there or even possibly consider amalgamation.

The attendance at the Grand Lodge Workshop and various seminars held throughout the year was most gratifying. Visitation was a very important lodge role and great support was given by the Masters and Brethren of the district to the Master of the

lodge hosting the Official Visit. The District Divine Service was well attended and viewed as a great success.

As part of the Masonic Education Programme the district introduced and enjoyed a "Masonic Quiz" competition at the district level, with the winners advancing to the neighbouring district and giving this district an extremely strong representation.

The district was honoured to have R.W. Bro. Gary Atkinson in attendance at the first Deputy Grand Master's Reception to be held in this district.

"Autism" was chosen as the district project for the Masonic Foundation's sesquicentennial celebration, and excellent support from the district has been received.

Of great significance to Masonry is the fact that the lodges of this district for the most part are very active in their respective communities, supporting many programmes. This continued community involvement will bring forth new members!

St. Thomas District – 10 Lodges

R.W. Bro. Robert J. Cresswell

Freemasonry in the St. Thomas District is in very good condition. The officers of our lodges go from all Past Masters in one to all non-Past Masters in another. There is a good mix throughout the district. Our lodges are all in very capable hands. The ritual in our lodges on the average is very well done. The Brethren take a great deal of pride in and have their work up well for every candidate. We initiated over 20 new members which leaves us in a definite positive for this year. The Mentors Programme is working very well, in fact we witnessed 5 aprons proved in front of the Deputy Grand Master with hardly a flaw. A real tribute to their mentors.

Financially our lodges are very stable. They have good fundraising events in place. Their buildings are sound and well kept and a definite plus to their communities.

Our district has a very strong committee in place for the 150th Celebrations Foundation Project. We have representation from each lodge and the charities chosen to receive our donation. The actual fundraising event is still being discussed.

We did not hold our own Lodge of Instruction this year but our Brethren supported the Grand Lodge one held in London, with a good turnout. This district is very much in favour of the e-mail summonses and have attended the seminar to get on board. Hopefully, all will be in place to go ahead soon.

Blood donors is a very active committee, although we are finding many of our senior Brethren are no longer able to donate. We are trying to encourage our new members to become active.

Our District Divine Service is planned and with the sending out of tickets to the lodges once again looks to be insuring a great turnout. Hopefully reviving what used to be a very popular and well attended district event.

In summary, this has been a great year for the St. Thomas District. Somewhat a year of rebuilding and bringing our lodges and Brethren back together. We had many 50 and 25 year pins, Life Membership and other special presentations. The number of Brethren attending our District Deputy Official Visits increased dramatically as our year progressed. This has been a very rewarding year. I thank all the Brethren of St. Thomas District for their genuine affection shown to Roy and I. We will never forget your kindness and friendship.

Sarnia District – 21 Lodges

R.W. Bro. James D. McBean

Masonry in Sarnia District is alive and well. The excitement of a Sarnia District bid for D.G.M. had a tremendous revitalizing effect on the district, resulting in the record

turnout at Grand Lodge in 2003. This momentum is still evident. The Masons of Sarnia District are anxiously anticipating the future. Degree work and Lodge Room etiquette is quite good and in general an above average spirit of brotherhood and harmony among members is present. Lodge to Lodge visitation is encouraged via the travelling gavel and the District Attendance Plaque. They are both presented on O. V. nights. The District Ladies' Night and the St. Clair No. 425 Lodge Dedication with the Grand Master's Reception were the social highlights of the year. Our District Divine Service was well attended from across the district.

Sarnia District lost a large number of brethren, this Masonic year, to the Grand Lodge Above. Figures indicate an overall decline in membership. The quality of initiates, however, is first rate. With the evidence of dwindling membership, the realization of lodge amalgamation must be seriously considered in two situations. Moving to a Daylight Lodge is a real possibility for one lodge in Sarnia District, in order to meet the needs of some members.

Unexpected serious health problems and extended work load affected two of the District Chairmen positions. The brethren affected are to be commended for the effort they were able to make. Sarnia District pulled together to support the work created by these difficulties. Several lodges have initiated Open Houses and Friend to Friend events with varied results. The Brother to Brother is also quite evident. Several lodges, as well as the district, entered floats in various community parades.

Good progress has been made for the circulation of the individual summonses and District Newsletter by e-mail. The development of the Sarnia District Masonic web site is progressing as time and energy allows.

Plans are underway and progressing well for the 150th Anniversary for Sarnia District. This event will coincide with Victoria No. 56, Sarnia, which also will celebrate the same milestone.

I was pleased to visit each lodge several times and a good Sarnia District presence was felt as we travelled to neighbouring functions. I had the privilege of presenting several 50 and 60 Year pins and the distinct honour of presenting one 70 Year pin. It is the example set by these life long members that will insure the survival of Masonry if we will but follow their example.

South Huron District – 15 Lodges

R.W. Bro. Douglas B. Miners

Generally, this has been a good year for Masonry in South Huron District. Though declining membership is a major concern for most lodges in the district, there appears to be a renewed vitality across the district with good attendance at official visits, installations and other district functions.

The district "Coats for Kids" programme continues to be very successful, and many lodges have implemented programmes designed to assist their respective communities.

With one or two exceptions, the work in the lodges, the ritual and the protocol in both the lodge room and the banquet halls are of a high standard. The most serious problem facing our district is the issue of declining membership, and a proactive approach to gaining new members is needed. While the use of the Friend to Friend programme is proving effective, more visibility in the community is required. Dispensation for the use of regalia in public at November 11th services will be helpful in increasing the profile of Masonry within the community.

Sudbury-Manitoulin District – 9 LodgesR.W. Bro. John W. Hodder

The Masonic Year has evidenced growth in membership with Grand Lodge programmes, primarily the Friend to Friend and the emphasis on greater public visibility. These have been the main factors promoting a renewed interest in membership in Masonry. The lodges are operating well and all have new candidates and are becoming less reliant on Past Masters to fill the chairs. District efforts in Brother to Brother, mentoring and the introduction of electronic summonses etc. in the majority of the lodges has been very beneficial. The operation of the apartment at Belrock Temple for visiting Masons and their families for health reasons commenced this year and has been very active and well received.

Balloting has become a concern as a candidate was rejected in one of our lodges and caused discord and difficulties within the lodge. I believe the whole process of balloting for candidates should be reviewed. Please look at my earlier communication to Grand Lodge and the Grand Secretary and act upon the same. I am willing to assist if you so wish.

Sudbury-Manitoulin is a very active district and its continued growth and involvement in the community bodes well for Masonry in the district.

Temiskaming District – 9 LodgesR.W. Bro. Thomas J. Henderson

Temiskaming District hosted two major visitations with M.W. Bro. Donald H. Mumby, Grand Master, and M.W. Bro. Terence Shand, P.G.M., in attendance at the respective events. The two functions were well attended and generated a lot of interest in the district.

On a sad note, Spruce Falls Lodge No. 648 has set proceedings in motion to relinquish their Charter and sell the lodge building. This will reduce the number of lodges from 9 to 8 in the district. Abitibi Lodge No. 540 has just sold their building in Iroquois Falls. Although no decision has been made at this time, it is anticipated they will meet in either Cochrane, as they did in the past, or in Timmins.

Two District Church Parades were held with R.W. Bro. A. D. Mortson, District Chaplain, presiding at both services. Brethren from each of the lodges took part in the services with selected readings.

Membership continues to be an issue. Lodge numbers have plummeted from 1,200 in the early 80's to a current figure of 723. This has many of the Brethren concerned and they are endeavouring to "stop the bleeding." In this regard some lodges are holding recognition nights to which they invite non-Masons. Such functions enable the Brethren to talk with these guests and answer any queries posed by the prospective candidates.

Protocol and The Work form two important aspects of the Ritual. The challenge of getting this right has been met by the Brethren of the district. It is a pleasure to visit the lodges and watch the proceedings performed with such excellence. Visitations continue to be a strong point in the district as members journey long distances to support other lodges by doing degree work or charges at installations.

Economic times have not been kind to northeastern Ontario. With a general out-migration of young people and the loss of primary and secondary industry jobs, it has become increasingly difficult to generate new interest in the Craft. This has certainly not dampened the resolve of the Brethren as they continue to develop strategies to enhance Masonry in the district.

Finally, although some distance away, centennial celebrations should be kept in mind as five of the nine lodges approach this time-honoured status.

Toronto District 1 – 22 Lodges

R.W. Bro. Kenneth B. Bice

The work in the district is very good in most cases, with regard to the degrees and the openings and closings. There are three lodges which are excellent in their work, and two lodges who need to improve. Installing Masters in many instances use reference tools or the work. The members of the Installing Boards are very good at their work. The finances in most lodges is stable, but the return on invested funds is low and the lodges rely on other sources of income to meet their planned budgets. Many lodges have reviewed their dues structure, initiation fees and have in a number of cases eliminated life membership in favour of dues paying members. Rent and refreshments account for a large portion of the annual expenditures. Expenditures should be reviewed by all lodges, even though they have a sound financial base to curb expenditures. Rising costs and declining income must be addressed.

The Grand Lodge programmes and District Committees are not utilized by the lodges as much as they should be. The benefits of some of the programmes offered by Grand Lodge and the district would only enhance the lodge's overall performance. The lodge membership is stable for the most part and every lodge has had at least one new candidate this year, while some have had several and others more than a dozen. The decline in membership due to various factors is still an issue. Several lodges require assistance from members of other lodges with the work, including acting as officers for various degrees. This year only three Past Masters were installed and most officers are Master Masons. There are four lodges that should consider their future and seriously consider amalgamation.

The future of the 22 lodges and 2,500 Masons of the district appears to be good. I feel that the work in the district has improved over prior years.

It has been a great pleasure serving the district and our Grand Lodge this year. The courtesy shown to the District Secretary and myself by the lodges and Grand Lodge holds well for Masonry in our Grand Jurisdiction.

Toronto District 2 – 19 Lodges

R.W. Bro. Ian McColl

Another busy year for the lodges in District 2 was experienced as a total of forty-five new Masons were initiated into the Craft. Fifteen of the eighteen lodges in District 2 have had new candidates this year. The quality of the work in the district is exceptionally good with the exception of a few weaker lodges. Protocol within the lodges is very good, but in the Banquet Room this seems to slip slightly.

On Wednesday, 8th October 2003, we Extinguished the Lights of Patricia Lodge No. 587 with the assistance of M.W. Bro Terry Shand, P.G.M., in attendance. Some of the weaker lodges in the district are starting to receive new applicants. Three lodges have moved and are now situated in the Rameses Masonic Centre on Keele Street. These three are looking into amalgamation with one another.

Most Grand Lodge programmes are being utilized by all the lodges within the district; a few lodges are using the Mall Booths with very successful results. A good attendance of newly initiated Masons was observed at the district Lodge of Instruction and many lodges gleaned a great deal of knowledge from this seminar, presented by R.W. Bro. David Sheen. These Grand Lodge programmes are providing positive results in our district.

The Blood Donors Clinic at Thistletown Community Centre still continues to be successful due to the efforts of the members in the district volunteering their services. There are now a few lodges in the district that have ongoing involvement with their community: Humber Lodge has an annual Christmas Party for single Mothers; Mount Dennis Lodge contributes to the CARD providing riding gear for the horses; Maple Leaf Lodge support the local hockey team; and Parkdale Lodge supports the York Baseball team.

A Ladies' Evening, Golf Tournament, and District Project were hosted to support the Alzheimer Society of Ontario.

Overall, the condition of Masonry in the district is very good.

Toronto District 3 – 17 Lodges

R.W. Bro. Desmond M. Tutin

The work of the district has been especially good with excellent ritual from a majority of the lodges. Their openings and closings on the whole have been very good as well as the mechanics of the work. There are 4 lodges whose ritual work and mechanics were excellent, they being St. Andrew's No. 16, Doric Pickering No. 424, St. Aidan's No. 567, Ionic No. 25. The Masters of these lodges were congratulated on their fine showing. Many of the other lodges were very good and only two will require extra work to bring them up to the other lodges. My only concern is that some of the lodges do not do much visiting and this has been pointed out to them with the hope that they can improve. Most lodges have younger officers in the chairs and their future looks in good hands.

All the lodges were financially solvent, although two were not as well off as the rest. The number of Masons at the beginning of my term was 1,620; as of this date, May 17th, there were over 1,700. This is a significant increase for the district and one I am proud of. Only one Brother required assistance in the district and it has been looked after.

Many of the lodges have special nights for such things as a Table Lodge, Education Nights, speakers on Brother to Brother and Friend to Friend, as well as Scots Night and Irish Night. There were 7 lodges holding Ladies' Nights, and smaller functions by many of the other lodges, as well as our Officers Progression day, Awards Night, and the Variety Village Christmas Day in December. The Masonic booth has been used at the Markham Fair for the last four years with success and this has been pointed out to the other lodges.

On the whole, I am proud to have been the D.D.G.M. of Toronto District No. 3.

Toronto District 4 – 17 Lodges

R.W. Bro. Louie J. Lombardi

Toronto District 4 has had a very active year. The District Charity fundraiser, the Toy Drive for Variety Village and the annual Divine Service were very well supported and consequently successful. The Lodges of Instruction (3), Long Range Planning, Officer Progression, Grand Lodge workshops and seminars, and the six district sponsored Blood Donor Clinics were wanting in attendance. Regrettably, also, the two Remembrance Day Parades and Wreath Laying Ceremonies were also poorly attended.

The District Committee Chairmen worked very hard and are to be commended for their efforts.

Installations, Official Visits and other special events were very well attended but mostly by the same group of faithful Brethren that have been there since time immemorial.

The district does have some other problems which should be addressed without delay. A few lodges are using Grand Lodge programmes for retention, expansion and planning. The feeling of camaraderie and belonging permeates the air, success is evident. Confident and knowledgeable Masters drive the members to the next level. Unfortunately the other lodges in the district do not apply these programmes.

The aging membership is uncomfortable with change, and their thinking is in the last century ("good old days"). Their membership is shrinking and members show no interest in the affairs of the lodge and do not attend meetings. Involvement in District or Grand Lodge programmes is of no interest to them at all. These Brethren are still good Masons but they no longer wish to get involved for reasons best known to themselves. The unfortunate result is that active members are attempting to cover all the chairs year after year. The few candidates that join the lodge are rushed through the chairs towards the East before they are ready. The ritual, management and reputation of the lodge suffer as a result.

One other very serious concern is the tendency by some Past Masters to bring their piques and quarrels into the meeting. They vehemently oppose anything they view as new and different. Unless the lodge has a strong and experienced Master, the results can be catastrophic. Most Brethren will not, on principle, get into a heated discussion, and the weak Master will acquiesce. The members who have no time for this will either stay home or devote their efforts to a concordant body. Newer members may well ask, "Is this the Masonry I was told about." Peace, Tranquillity and Brotherly Love must be brought back into our lodge rooms. This is the next challenge for Toronto District 4.

Toronto District 5 – 15 Lodges

R.W. Bro. Bruce W. Dickson

Based on the number of visitors and members at Official Visits and Installations, Masonry in the district appears to be doing well. A revitalized Masters' and Wardens' Association has been a strong presence in the district. The Travelling Gavel is actively challenged at Official Visits, renewing interest in lodge visitation.

Some lodges are doing well, others have a waning membership mostly due to older members Passing to the Grand Lodge Above. Lodges on fragile ground are wanting for new members. Some lodges have improved with new officers making it clear they don't want their lodge to amalgamate or worst, go into darkness. They are a driving force, keeping the lodge alive and, hopefully this determination will trickle down to other members of the lodge. Some lodges are relying heavily on their Past Masters. Others have Past Masters affiliating to keep the lodge functioning. This may be a stop gap to the inevitable or to altering its direction. With no new initiates to keep lodges alive, it is giving them a false sense of security. Amalgamation, as unpleasant as it may be, will have to be seriously considered by these lodges for Masonry to thrive within the district.

Lodges that have a good community representation are sparking interest and bringing new members into Masonry. Corinthian Lodge actively promotes its Blood Donor Programme. Other lodges – Richmond, Rehoboam, Harcourt and Ashlar – are active in sponsoring their various charities, with good overall results.

The ritual in the lodges is done reasonably well, some better than others. Some are working hard in their lodge to overcome the shortfall of others. Poor ritual can have a detrimental effect on new members. They are not certain who is taking the work seriously when senior brethren just seem to go through the motions. Possibly that is

one reason why new initiates do not return to lodge as they do not see a degree of commitment when doing ritual. This becomes noticeable as they travel and witness degree work with total commitment then, returning to their lodge, find it missing. New members feel they cannot voice their concerns and it takes a determined individual to speak up and get noticed. We must encourage these brethren to be strong links in the chain of the lodge or we will lose them and with that, we lose strength.

Young men today are looking for stability. With our lives constantly being challenged at work and world events, Masonry can afford that stability. Entering into Lodge, peace, harmony and the traditions that have been passed down unchanged for nearly three hundred years surrounds you and, for a brief period of time the outside cares of the world are removed. We must keep these new brethren energized to allow our fraternal institution to stay alive.

Toronto District 6 – 14 Lodges

R.W. Bro. Gordon J. Forbes

The condition of Masonry within Toronto District Six is generally good. The strongest lodges have a little room for improvement, while those at the other end of the spectrum have fresh blood and are working hard to close the gap. Of the remainder, several are utilizing Grand Lodge programmes and progressing well. All would benefit from varying degrees of outside support, but none are in critical condition.

Observations: While the *quality of the work* has improved in a few lodges, others have slipped. Practices and mentors programmes for officers would help greatly. A third of the lodges faithfully pursue Mentor, Brother-to-Brother and Friend-to-Friend programmes; they are generally doing best in *membership*. These programmes deserve serious consideration. *Fraternal relations* are improving, but visitations should also include more of the newer brethren. In the area of *communications*, many lodges are not reaching out to every member. The District Newsletter partly addresses this, but nothing replaces the personal touch, which also includes representation from every lodge at district meetings and activities.

More important are *long-range planning* and *finances*. The district needs to review its goals and objectives and develop a five-year strategic plan, and the lodges need to do the same. Half the lodges do not even have a long-range planning committee. Lodges need to develop their plans and cost them out. Then it should become apparent that dues in most cases need significant increases, translating into better programmes and activities and thus increased attendance and membership.

Toronto District 7 – 26 Lodges

R.W. Bro. Murray D. Lampert

Our motto for this year has been "If you keep doing the same old things in the same old way, why would you expect the results to be any different?" Of 25 lodges, 9 report membership status quo; 10 report decrease; 6 report growth, with Robertson Lodge No. 292, under the direction of W. Bro. Frank MacLean and assisted by Bro. Justin Schmidt, Senior Warden, being the incredible success story of the year – from the brink of darkness to a shining beacon of light and a beehive of activity in 12 short months. Most lodges are having trouble replenishing the members lost through demits, suspensions and deaths and are coincidentally also having trouble filling the officer chairs with enthusiastic members. Those that are growing have generally returned to the fundamentals of Freemasonry and have petitioners lined up. They are utilizing Grand Lodge Membership Services fully, in particular Friend to Friend. They are

providing brotherly love, relief and truth to those that seek it. Not just lip service – but in actual practice, and it is beautiful to behold.

Several district events have been resounding successes, including our annual holiday/Special Ladies' Dinner, Roast Beef Dinner and Boat Cruise/Dinner/Dance. All were sellouts with much good fellowship enjoyed.

The District Lodge of Instruction was well attended as was the Friend to Friend Training Seminar – F2F is integral to those lodges that are enjoying growth in the district. For whatever reason, a few of the district events are historically poorly attended and their future viability should be reviewed.

We celebrated the presentation of 50, 60 and 70 year service pins to worthy brethren and deeply mourned the loss of good friends, in particular R.W. Bro. N. Coulson Malloy, the dean of our Past D.D.G.M.s.

A more definitive focus on membership renewal and on officer progression training (especially Preparing for the Office of Worshipful Master) would be of significant benefit. Several lodges in the district are good candidates for amalgamation to improve their economics and viability. Grey Lodge No. 589 has amalgamated with Patterson Lodge No. 265 to become Patterson Grey No. 265, in Toronto District 6. Overall, the future of Masonry is bright in Toronto District 7 for those lodges with both the enthusiasm and energy to practice our gentle Craft in its truest form.

Victoria District – 14 Lodges

R.W. Bro. William A. Elliott

Some of the lodges are just existing and membership is declining fast (chart attached). Since 1995 to 2004 the district has seen a drop of membership from 1,857 members to 1,053. Most of the lodges are able to maintain the quality and the proficiency of the ritual work through cooperation and assistance between each other.

The decline in active members is a red flag for the lodges to develop Long Range Plans and establish Membership Resources Programme such as the Mentors, Friend to Friend and Brother to Brother. Each lodge has some devoted and dedicated brethren who are talented and skilled enough to take on the challenges that may confront that lodge. However, a few lodges are on the brink of extinction if they do not act soon.

Past D.D.G.M. reports issued 20 years ago have identified the need to develop community awareness in order to strengthen our involvement within the lodge, the community and everyday life. This fact is becoming more evident as we see a major decline in the lodge participation throughout the district. This year the district has initiated 14 members in the 14 lodges with 3 more candidates in the wings. Although this is good news, the lodges are not able to stop the decline in membership. Many of the lodge members are not active due to old age, travelling south, not able to access the lodge (physical restrictions) and passiveness, all having a negative impact on the lodge.

Most of the lodges have demonstrated their ability to conduct the work and ritual in a proficient manner. All the brethren seem to be sincere and very friendly but not all are active. There remains a few P.D.D.G.M.s and P.M.s who ensure the work is near perfect. To these brethren we owe a great deal of thanks for their devotion and leadership to the Craft. I was very pleased to witness on my official visits a few lodges sharing candidates. This is an excellent example of the unity between the lodges. The Spry Lodge No. 406, Fenelon Falls, earned the Victoria District Visitors Trophy for 2003-04. Congratulation to the Worshipful Master, Bro. Terry Munroe, and the

active brethren of this lodge. "If you want to see your functions well attended you have to get around visiting them first and they will reciprocate" is an *ole saying* my mentor often reminded me to practice. There are a number of Masters who have not been strong visitors and fail to support the district functions.

Victoria District consists of proud Masons and will continue to persevere for as long as the Sun rises in the East and sets in the West. Determination and Dedication still exists in the hearts of the Masons in this jurisdiction and they will come through when called upon. It has been a great privilege and honor for me to represent the Grand Master in this wonderful jurisdiction of Victoria District.

Waterloo District – 16 Lodges

R.W. Bro. Roy Chadwick

The condition of Masonry in Waterloo District is strong, with room for improvement, and for the most part the broad picture is encouraging and positive. Some lodges have young active officers, while others have dedicated Past Masters who have been maintaining these lodges for far too long.

Each lodge creates a very friendly and welcome atmosphere to visitors, and interaction of conversation is refreshing.

Ritual and Degree work improved by those lodges attending the Grand Lodge of Instruction, and all lodges in the district can be very proud of conducting their Work with dignity, the correct protocol and etiquette.

Finances are reasonable. While some lodges are in sound financial shape, others could benefit from budgetary and planning initiatives to meet future expenses.

Two Lodges amalgamated. This union is proving to be most beneficial; each lodge has an input that compliments the other's difficulties and the new lodge is very active, financially stable, with good officer progression, backed by the stability of their Past Masters.

Grand Lodge programmes have been issued to all lodges and implemented by a few. Particular attention has been made to promoting Masonic Learning into each lodge and has been a part of most lodge meetings. Only a few lodges are using the Mentor and Friend to Friend programmes, which sometimes reflects negatively on their lodge attendance and retention of members. The strength of our Fraternity is going to rely on these programmes.

Long-Range Planning is not present in many lodges. This programme will require a proactive approach from this district and from Grand Lodge. The financial status of each lodge could very well be the driving factor to their future.

Recommendations:

Lodges should become more visible in the community and participate in quality events.

Promote Masonic Learning, and revitalize the Festive Board to become at least thirty percent of the evening programme.

All lodges should continue to support the Masters', Past Masters' and Wardens' Association Group, who now have a very strong presence in this district, and continue to make Waterloo District one of the forerunners of Freemasonry within this magnificent jurisdiction.

Wellington District – 12 LodgesR.W. Bro. Donald R. Clyde

Freemasonry in Wellington District for the year 2003-2004 is viable and alive. Membership has declined slightly to 1,110, due to death and suspensions. The following long service medals were awarded in the past year: Mercer Lodge, 60 years a Mason-1; Wyndham Lodge, 60 years a Mason-2, 50 years a Mason-3; with one member of Wyndham Lodge being awarded a long service medal for 50 years a Mason from the Grand Lodge of Quebec.

Education material pertaining to Brother to Brother, Friend to Friend, as well as the Mentor Program have been distributed in computer format to all lodges within the district and those using them have experienced an influx of applicants, with the majority under the age of 36 years.

New candidates are well prepared, positive action has been taken within the district by the Mentor Chairman in all lodges headed by the District Chairman. Lodges of Instruction were well attended and 10 lodges attended the session of Electronic Transmission of Lodge Notices.

Lodge finances are well managed, and action is being taken where necessary to increase capitalization of Life Membership funds or to increase dues structure to overcome deficits incurred. Renovation of the Guelph Masonic Centre is ongoing and increased costs are imposing some financial hardship on tenant lodges through rent increases.

Various lodges in the district participated in fund raising activities, such as theatre nights, chicken barbecues and other similar activities, raising funds that were donated to local charities with the appropriate publicity being placed in local newspapers.

Wellington District have an active Blood Donor committee and results continue to be within the best in the jurisdiction.

This has been an excellent year for the Craft within Wellington District for all concerned as a result of very dedicated Masters, Wardens, Brethren and District Chairmen.

Western District – 10 LodgesR.W. Bro. M. Jack Devins

Our year started off on a very positive note with our Lodge of Instruction, in September, having an excellent turnout. We appreciate the Custodian of the Work and all members of his team for coming to Western District and putting on an excellent Lodge of Instruction for our district. The comments were all on a positive note and were certainly talked about throughout the year.

The trend of excellent turnouts carried on to all our official visits throughout the year. Many comments throughout our visits were Brethren not remembering the last time their lodge rooms were so full.

The quality of work in Western District ranged from satisfactory to very good. Each lodge in Western District is very fortunate to have Past Masters and Past Grand Lodge Officers to guide them and make sure the work is done properly.

Our membership at this time seems to be holding, but with seeing so many new and younger Brethren in the Chairs this year has given new hope to many of our lodges, and these lodges are moving ahead with confidence.

Our Western District Project to raise money for the Lake of the Woods District Hospital C.T. Scanner was a huge success. We started this project in 2003 and finished at our District Meeting May 1, 2004.

This was a very worthwhile cause the Brethren of Western District chose for their project to mark the 150th Anniversary of Grand Lodge, and so qualify for a grant from the Masonic Foundation. The combined total was just over \$20,000.

It was a pleasure to present numerous 50 year pins this year along with some Grand Lodge Masonic Education certificates. On one of our visits we had the pleasure of meeting a 100-year old Brother who just received his 75-year pin last year.

I would certainly recommend to all Lodge Officers to read your book of guidelines for Lodge Officers along with The Masonic Manual, Meeting the Challenge and your Book of Constitution.

In closing, I'd just like to say throughout our travels through the Western District this year, I've seen a lot of up and coming talent and I know all 10 lodges in the Western District will be around for a long time.

Wilson North District – 12 Lodges

R.W. Bro. Murray J. Coulter

2003 – 2004 was an extremely enjoyable and rewarding year for the members of the 12 lodges of our district with a marked increase in the level of inter-lodge visitation and a renewed dedication to the principle that visitation is the cornerstone of Masonry. The significant increase in the participation of members with other district lodges was the result of a request for a renewed dedication to special events, the use of the new Challenge Gavel, and a general increase in attendance of members of the District Team and of the Worshipful Masters throughout the year.

We were favoured to have the Grand Master attend with us on three occasions during the year, at a banquet in January to mark the 50th Anniversary of the institution of Mercer Wilson No. 678; in April, at a reception hosted by the Masonic Association, and, in May, at a Ladies' Night hosted by Oak Branch No. 261. On all of those occasions, we had as a special guest R.W. Bro K. C. Emmerson who, this year, celebrated 50 years as the past D.D.G.M. of the Wilson Districts.

Two of our lodges are now discussing amalgamation. Membership levels are declining slightly in some of our lodges but many others enjoyed a dramatic increase in initiations during the year and, in general, our membership numbers probably remained static. An increase in the hosting of "Friend to Friend" nights should be beneficial in increasing our applications.

Most of our lodges continue to hold Ladies' Nights and other fundraising events which have the double advantage of increasing participation of members and their families in Masonic events and providing much needed funds to meet ongoing expenses.

It has been a distinct pleasure to serve this district as its D.D.G.M.

Wilson South District – 12 Lodges

R.W. Bro. Alain St. Jacques

Wilson South District lodges are in very good shape financially and well governed as it should be. Membership is declining slightly; some lodges have a steady flow of new applicants while others are staggering. The Protocol situation has improved from last year. Four lodges used the Friend to Friend Programmes and gained new applicants.

Our district has four lodges in some form of distress from financial to membership. A special District Meeting was hosted in late May with R.W. Bro Paul Todd from the Long Range Planning Committee, to offer and discuss the benefits of having a plan for the future. This meeting was well received by 10 of 11 lodges attending the meeting.

At the request of the office of the District Deputy Grand Master, three lodges called a special meeting to review with them their finances, membership and how the lodge was conducted over the years.

The Computers Resources Committee trained nine secretaries and is ready to implement computerized summonses. The 150th Anniversary project will start in September 2004, with a donation envelope sent to all brethren of Wilson South District asking for a five dollars donation to purchase hospital equipment at the new Emergency Facility at the Norfolk Hospital.

The district has made a strong effort to be more public by attending the Cenotaph and Open House. Also it has had many Golf Tournaments and interactions with other social organization. In general, the Wilson South District has renewed the commitment to overcome the membership problems.

Windsor District – 9 Lodges

R.W. Bro. Douglas J. Smith

Our two smallest lodges, Rose No. 500 and St. Andrew's No. 642, have suffered with the loss of key members, but both have managed to find a couple of candidates and improve the quality of work done in their lodges, in particular, St. Andrew's Lodge. St. Andrew's Lodge also had a Past Master join them, who was secretary to Ontario Lodge No. 521.

The smaller lodges within the district also bring out the best in Masonry, as brethren continue to assist other lodges in portraying degrees when officer lineups are too often lean for that lodge to do the work themselves.

Windsor Lodge No. 403 has quite a programme with it's members being invited to weekly instructional meetings. Followed by socializing, monthly dinners and breakfasts; and just being made to feel at home and a part of the lodge, not someone just left to sit on the sidelines. A good example to follow and maybe expand upon.

Windsor District was split into Windsor and Erie Districts a number of years ago and as a result of this we may in the future be looking at the decline of membership and possibly lodges amalgamating and surrendering their charter. With this happening, it may cause us to take a good look at the districts in the future. The two lodges, which were meeting outside of Windsor, have returned to the Windsor Masonic building to conduct their meetings.

The W.D.M.A. conducted a successful Masters' Night on Saturday, March 13, 2004. Social activities continue in the Windsor District with Ladies' Nights, Christmas parties for members, their children and grandchildren. The True Colour Girls held a spaghetti supper for families on Sunday, January 18, 2004. A Friend to Friend picnic will be held Saturday afternoon at the Shrine Club.

There is something further to take into consideration. With to-day's increasing costs for heating energy and for electrical energy, taxes, maintenance costs, are we going to be able to keep these costs in line so that we can afford to pay them?
